

Download Your ThemeForest Item

Thank you for purchasing our items on ThemeForest. This documentation consists of several parts and shows you the entire process of how to set up and administer your Item from scratch. We did our best to make this manual as clear and easy to follow as possible.

To download Item log into your ThemeForest account and go to your account profile. Then click on the downloads link. This is where you will find all of your ThemeForest purchases. Click on the **download** button and select what you want to download.

This will download zip file with all the required files.
