

HELLO!

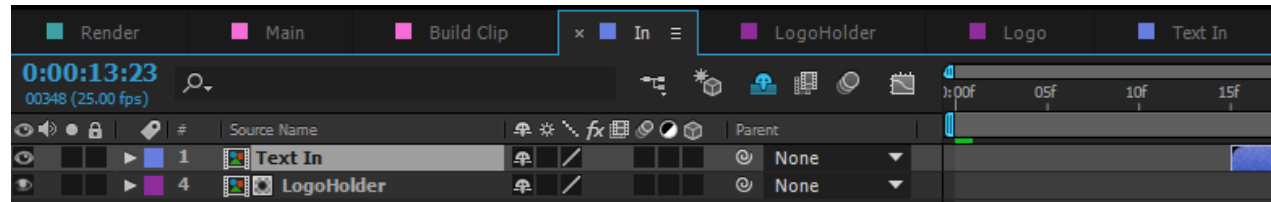

THANKS FOR PURCHASE!

Expressions in project may be not universalise, if all colors are becomes red - use English version of After Effects. Thank you!

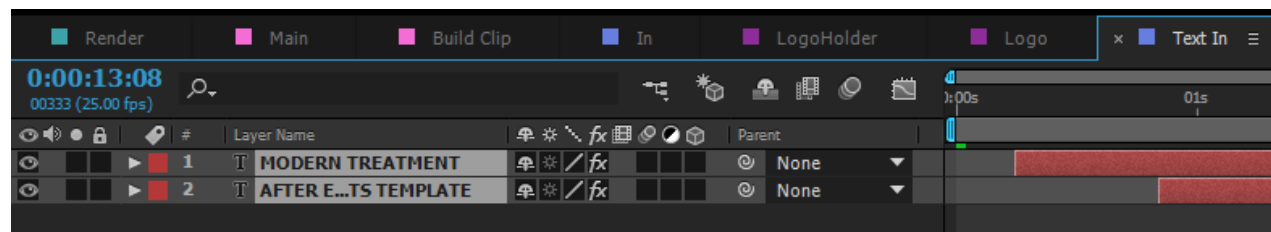

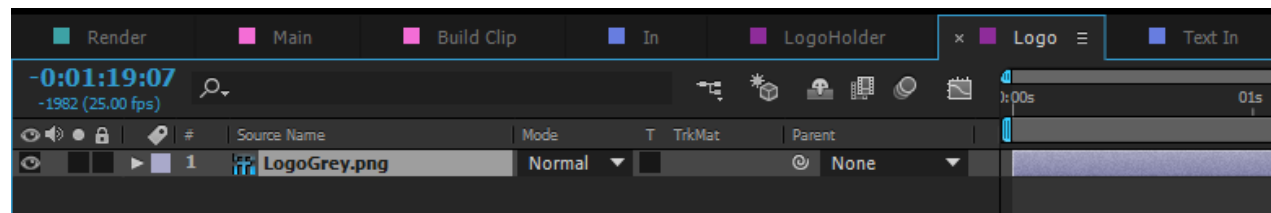

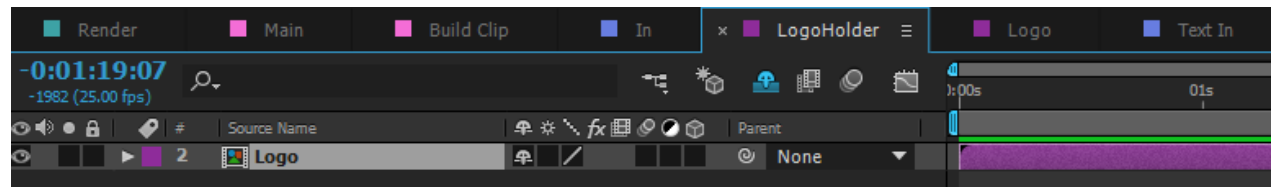

Use "CC" layer inside "Main" composition to control colors

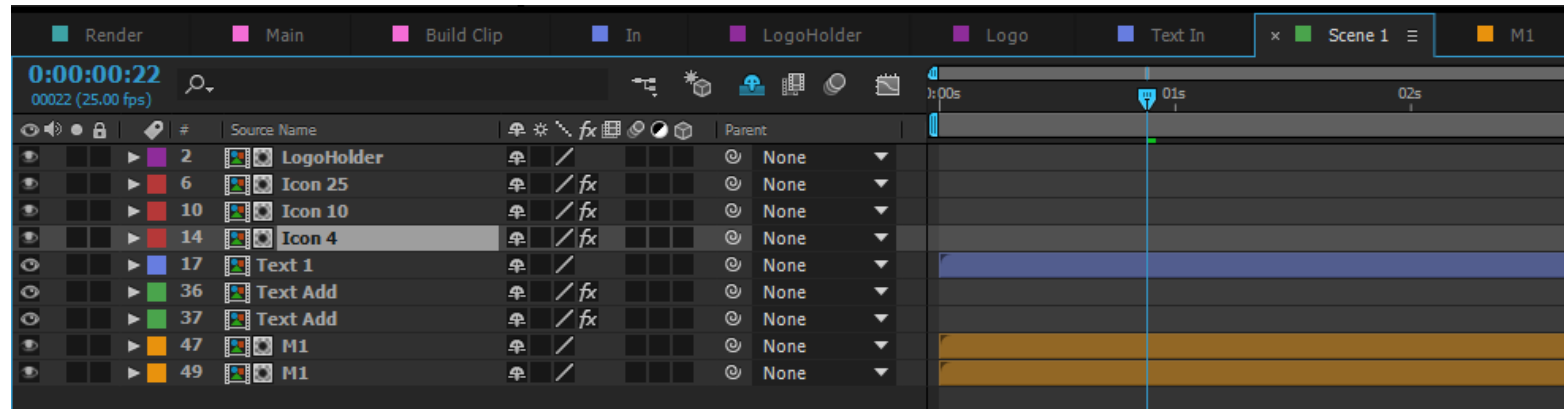

Inside "In" \ "Out" compositions you will find text layers and logo holder

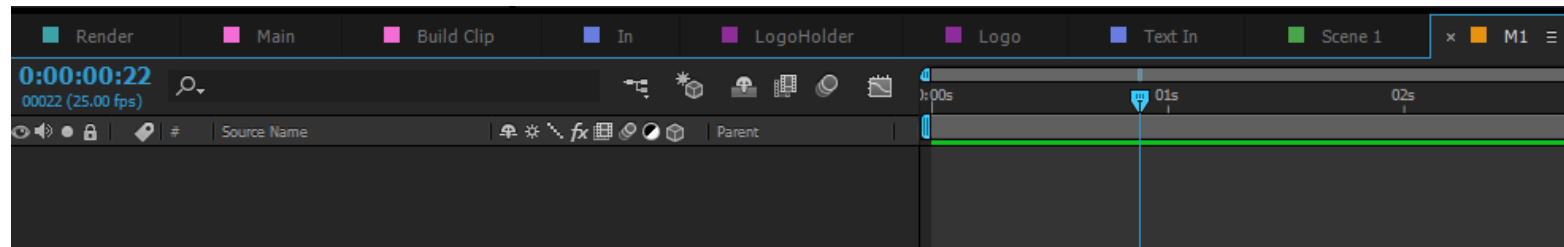

Place your logo inside "Logo" composition and change a text

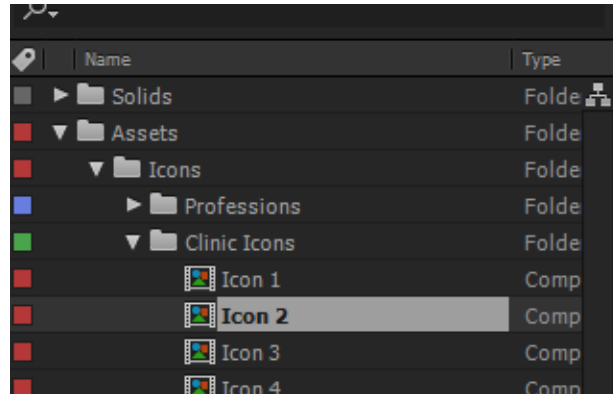

Inside "Scene" compositions you will find text layers, icons, logo and media holders

Place your media inside "M" composition and change a text

All icons you can find in "Assets" folder

To customize icon you have to choose icon inside composition and replace it by another from "Assets" folder.

Hold "Alt" button while replacing

ENJOY!

Rate this project if you like it!
