

## Hello, thank you for purchasing my template!

NOTE! This project has been created only for After Effects. Before starting, unzip archive!  
For the correct work of the template you need to install all the used fonts. (Links in the Fonts.txt file)

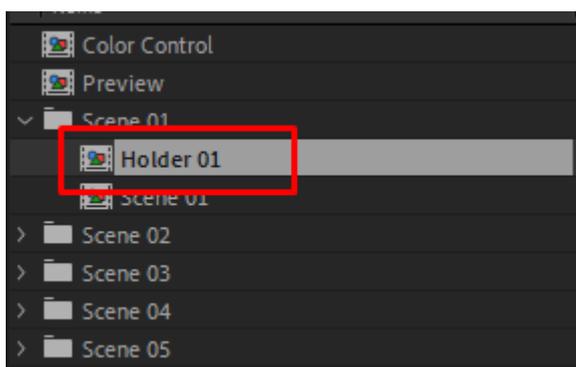

1. Open "Scene 01-12" folder
2. Open "Scene 01-12" comp

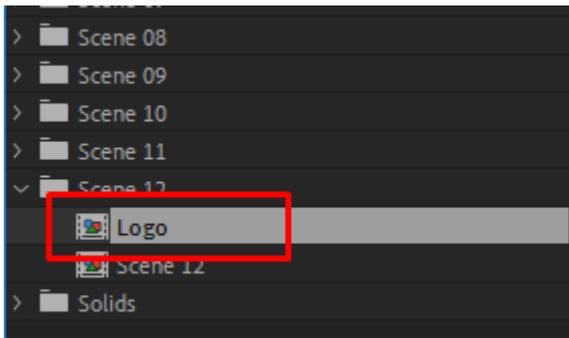

3. Edit text

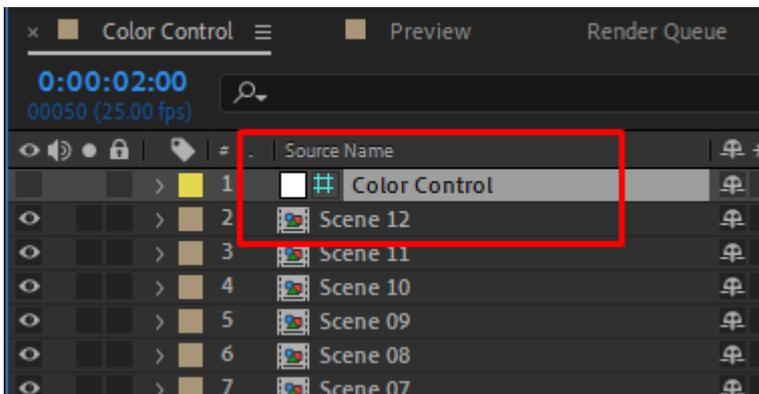

4. Go to Holder comp
5. Drop Your Media

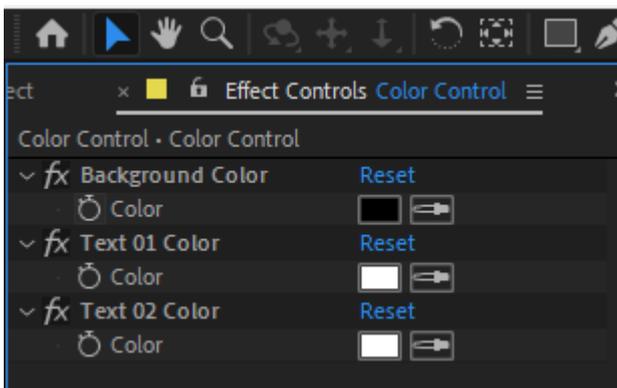

6. Open "Logo" comp and drop Your Logotype, edit text description

7. Open "Color Control" comp
8. Click on "Color Control" layer

9. Go to Effects Controls panel

10. Just customize
11. Done for all Scenes
