

Hello!

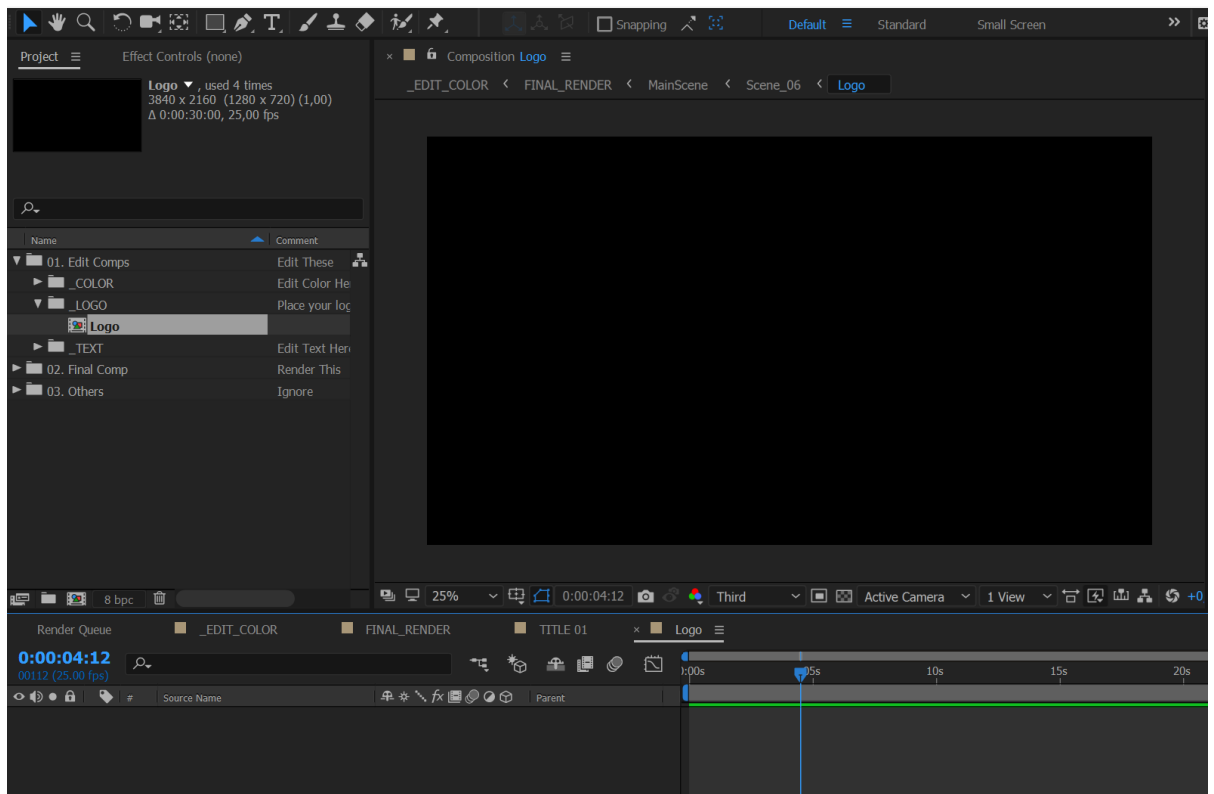

Thanks for purchasing this «**Technology Grid**» much appreciated and I hope this project will fit your needs!

It's really easy to customize:

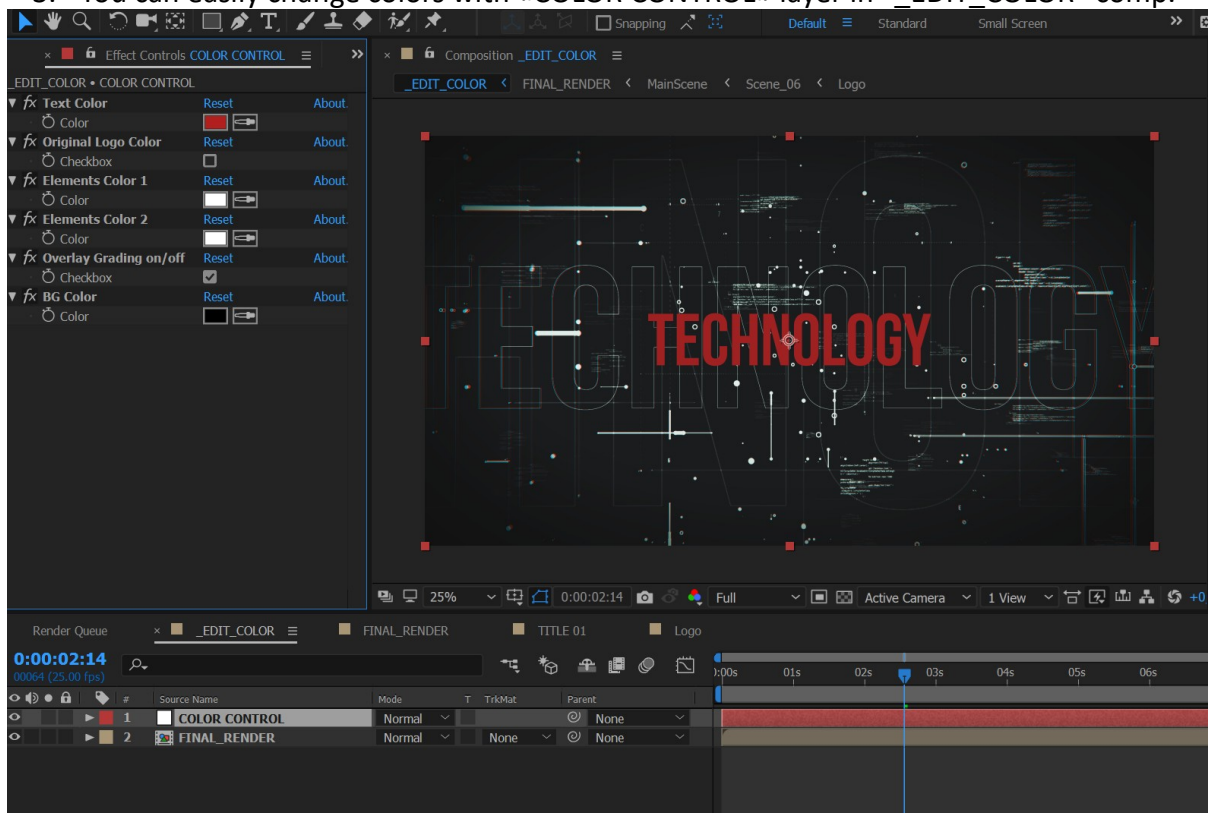

1. Edit texts in “Title 01-05” compositions.

2. Place your logo in “Logo” comp.

3. You can easily change colors with «COLOR CONTROL» layer in “_EDIT_COLOR” comp.

4. After that, render “_FINAL_RENDER” composition.
