Dry feed for your favorite animals with a delicious additive. Your pet will be happy! There are different tastes in the range. We can make special offer for you only
17$

Pet Food

PROJECT FEATURES:

– Modular structure
– Full HD resolution (1920×1080)
– No plugins
– 21 Placehilders
– 20 Text places
– Easy to edit
– Music not included
– Help file included
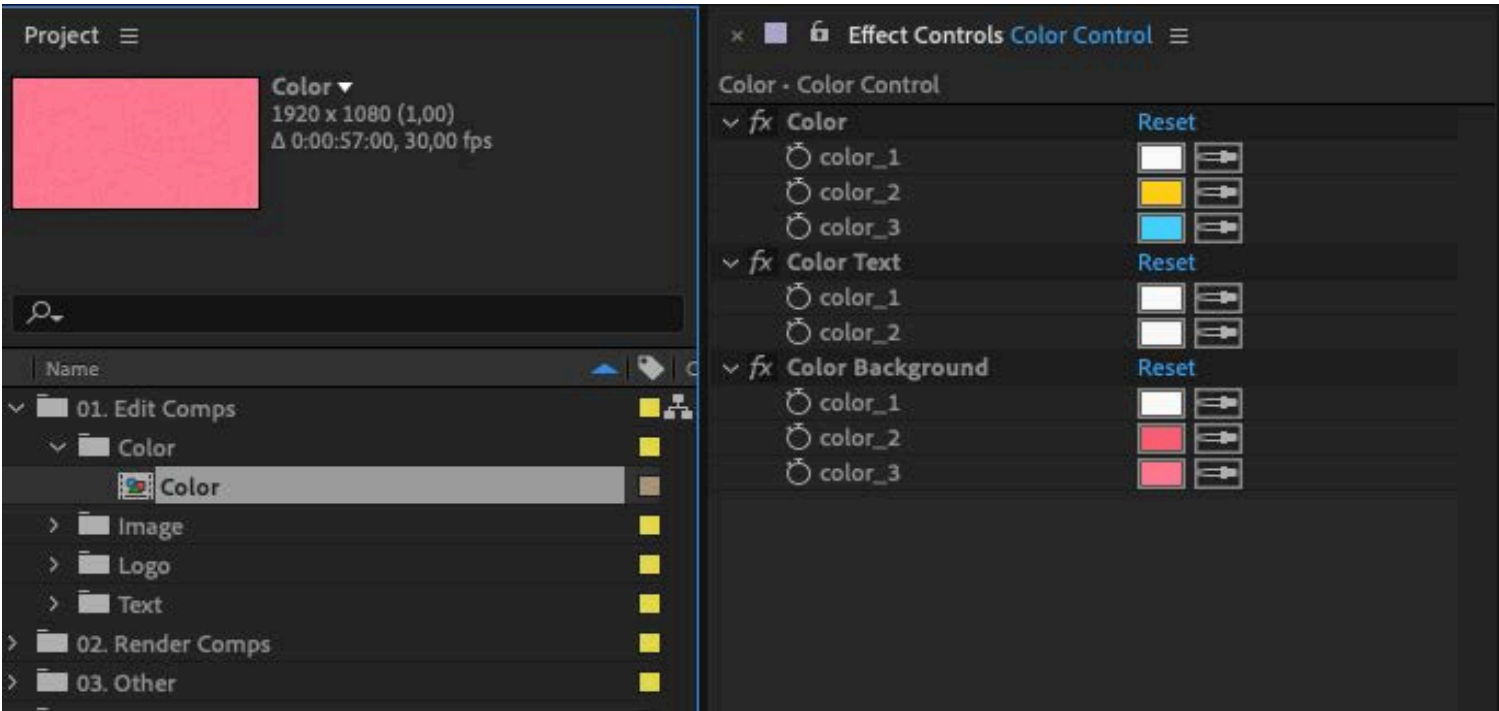

THE PROJECT REALLY EASY TO CUSTOMIZE:

1. Place your footages in compositions "Image 1-10" and "Pet 1-10"

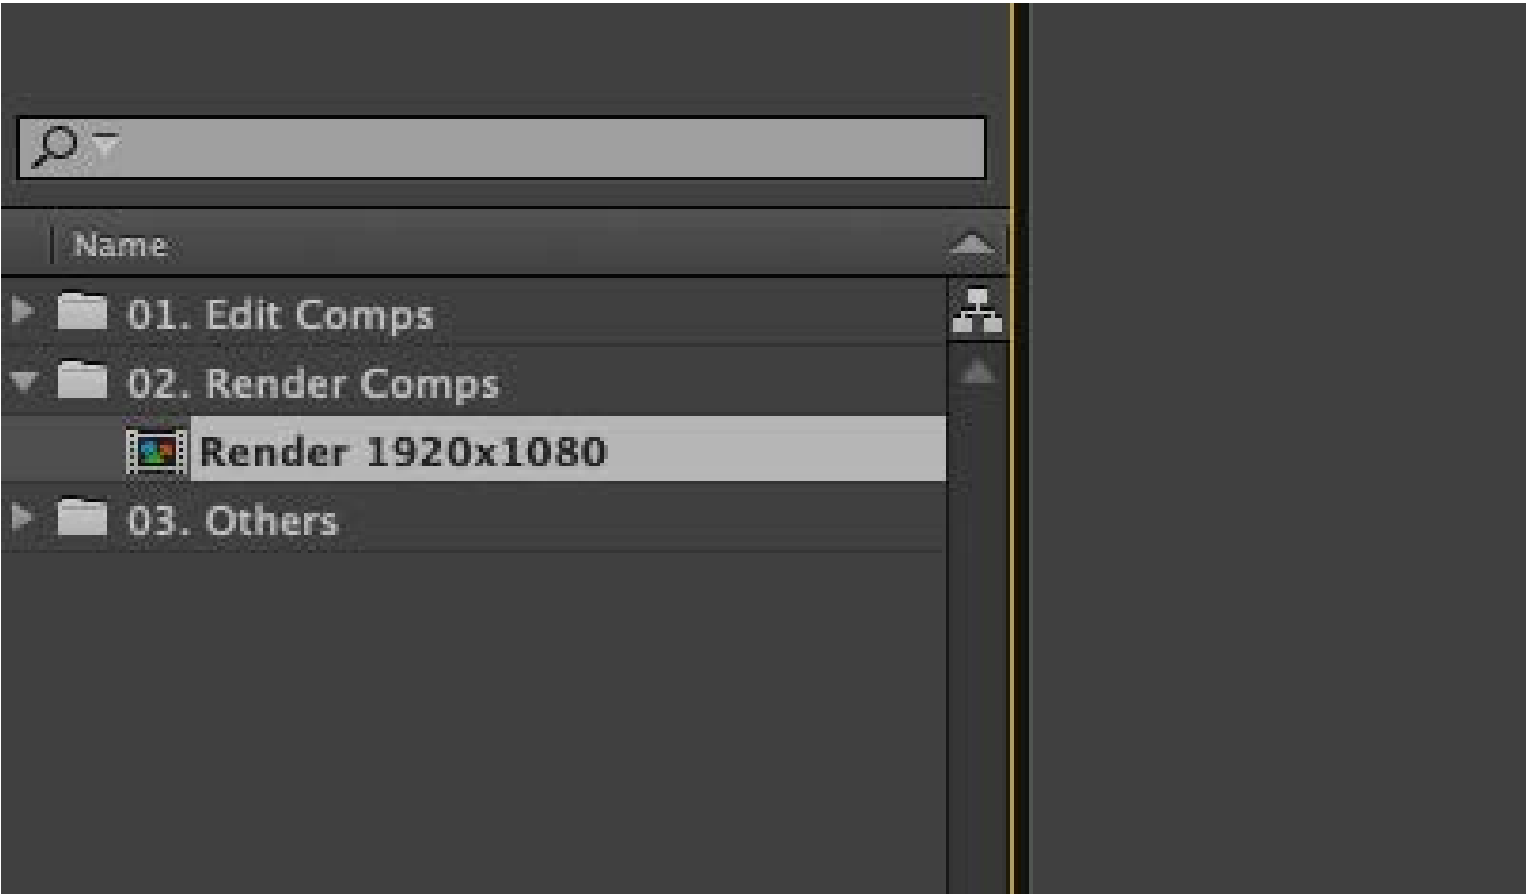

2. Edit text in compositions "Text 1 – 10" and "Price 1 – 10"

3. Layer "COLOR CONTROL". This layer is responsible for the visual settings. Everything changes fairly conveniently in a few clicks
