PROJECT SETTINGS

Open the «Scratch (Instagram Stories Pack)» project. There are three folders in the Project window. Folder «01. Placeholders» contains compositions for placing your photos or videos. Folder «02. Final Comp» contains ready-made compositions. Folder «03. Others» contains working files.

Import your photos or videos into the project: «File» → «Import» → «File».

Double-click to open the song «01. Placeholders» -> «Placeholder 01» and drag your photo into it. Adjust the position and size of the file.

Then go to the composition «02. Final Comp» → «Instagram Stories 01». Rearrange all text layers. Select the «Settings» layer and go to the «Effect Controls» window.

Background Color

Set the background color.

Header Color

Set the color of the title.

Substrate Color 01

Set the color of the header watermark.

Text Color

Set the color of the additional text.
