## How to Install One .MOGRT

To install a .mogrt into your Essential Graphics Panel in Adobe Premiere Pro CC, click on the “+” symbol in the bottom right of the panel. This will import the .mogrt into your Essential Graphics Panel and store it in your local templates folder. *There is one file for the Main Intro and one file for the Short Versions.*

## HOW TO USE IT:

It's really easy!

1. Drag & drop them from the Essential Graphics Panel (Browse tab) at your timeline
3. Edit them at the Essential Graphics Panel (Edit tab)
