

## MOTION MEDIA GROUP

### **Fashion Event Opener**

Create a stunning eye-catching TV opener, an impressive Youtube intro, or a hot video promo using our new After Effects template.

Impress your viewers with a burst of colors: blue, pink and yellow - fresh, passionate and optimistic like the video itself. The balls are jumping and hanging in the air like satellites around a planet in the trendy anti gravity effect. Colorful design decoration - zigzags, waves, and spirals are blinking and shaking to create a playful atmosphere of energy and fun.

Stylish black color on the background is perfect for professional b2b products, premium brands and is favoured by young people. Black implies power, independence, protection and comfort.

Bold typographics is dancing, shining and glowing to the rhythm of the whole video. Huge bright letters build a great background for your photos. Use them to showcase your content.

## How to edit a project.

The project is edited quite simply. It has a modular construction each module has its own separate folder for editing.

For example, you need to edit part 3, just open this folder and inside you will find 2 compositions, one for replacing the text, the second for your image.

Other compositions in the project are edited using the same principle.
