## Instruction Steps

Adobe After Effects CS 5,5 (software) or newer version ( CC 2019) required to open and edit the template file.

### First download font and install

-----Here are a few instructions that will help-----

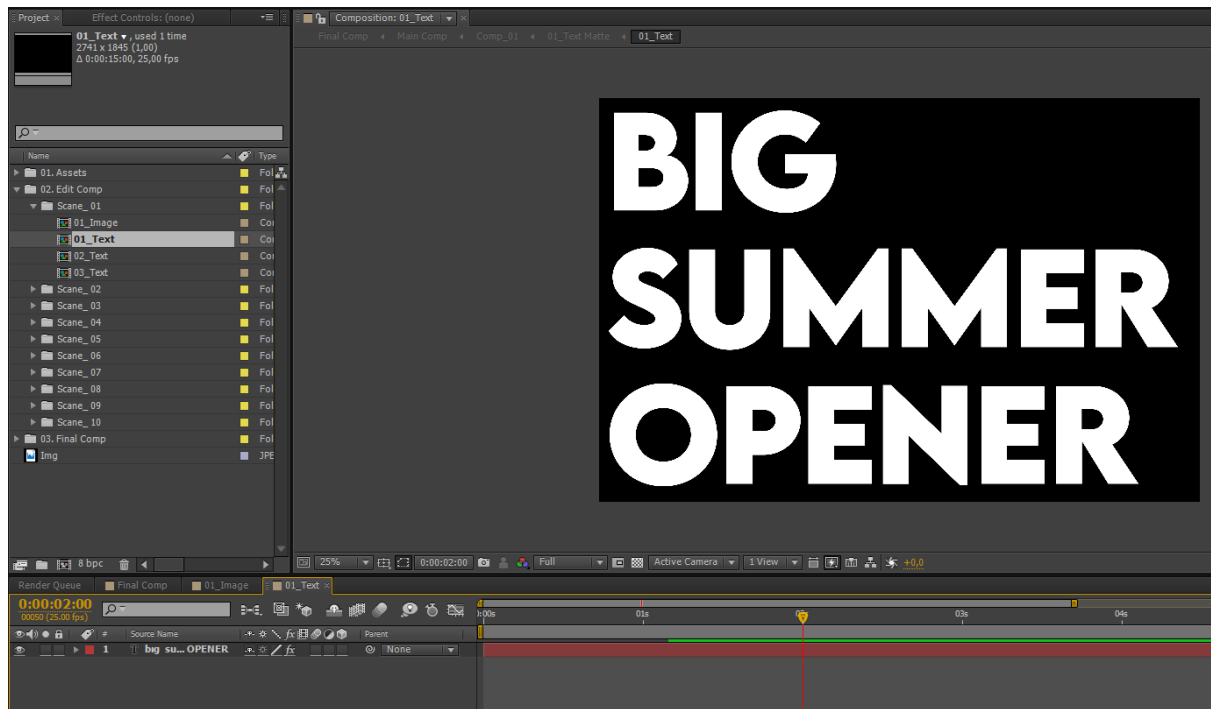

Folder “02. Edit Comps” Here you can edit text and media for your project .

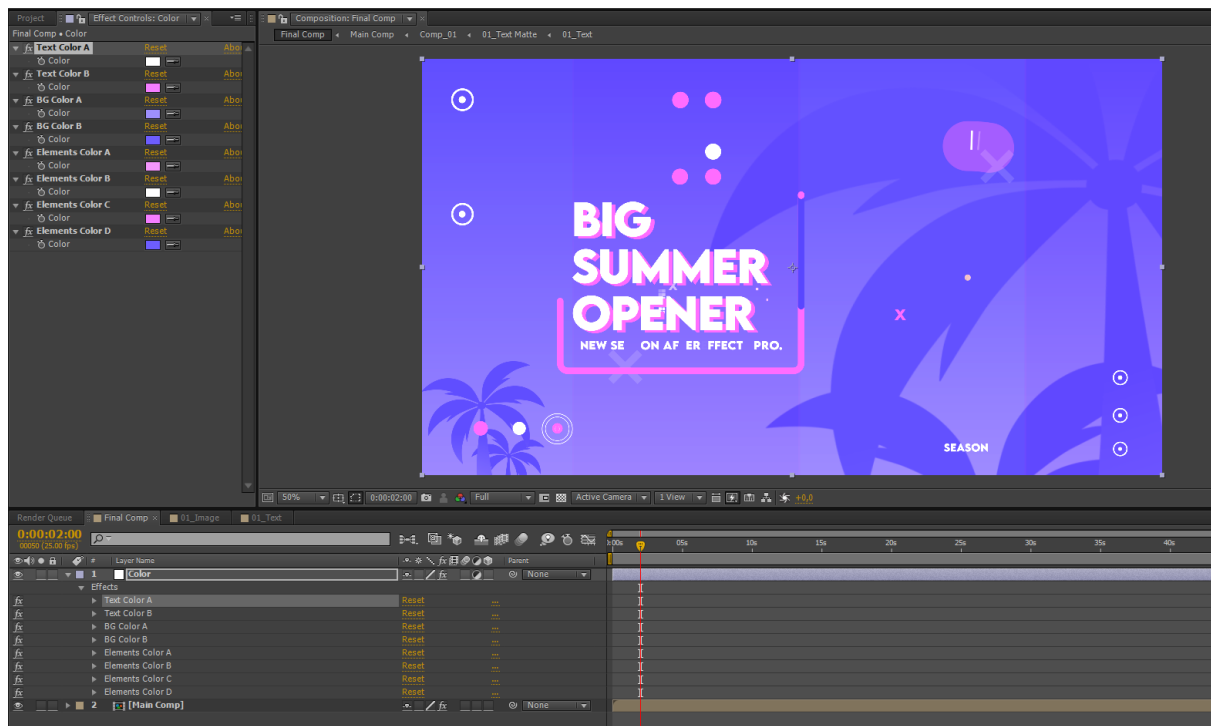

Open “Media ##” composition. Import your media and drag into timeline.

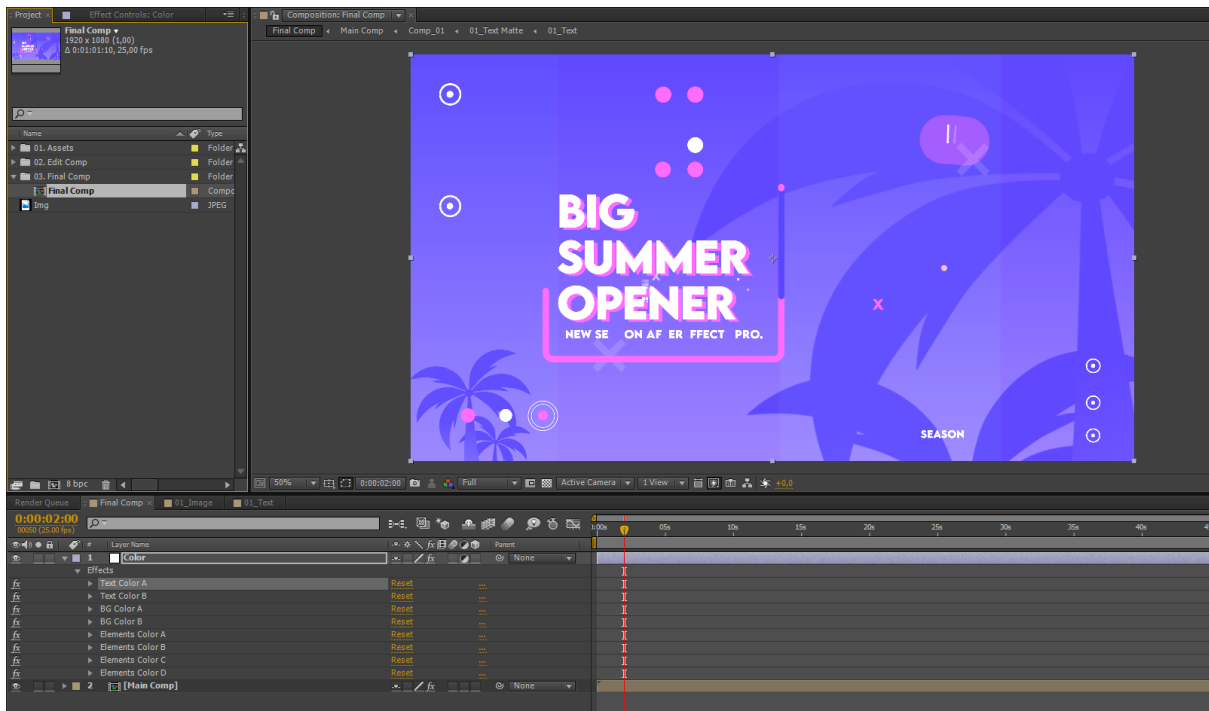

Open “Scene ##” composition. Double click text and type your text.

You can edit color on “Control” panel

Modular Structure. You can go render here.

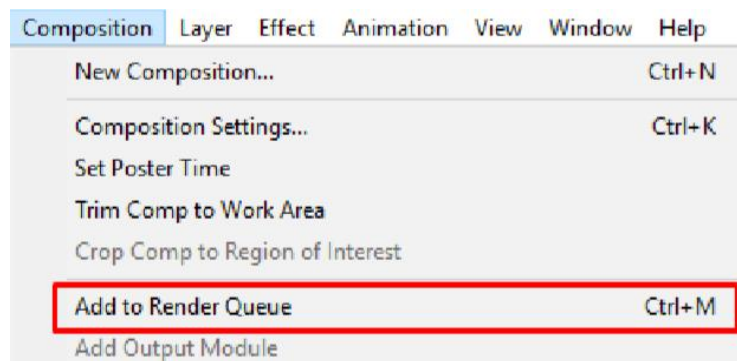

## AUDIO

In After Effects click on the menu option: File > Import > File (search the audio file, click on it, then click Open). Open the "Final Comp" folder. Open the composition Final Comp. Drag and drop your audio in this composition.

## RENDER VIDEO

Open "Final Comp" composition. click on the menu option Composition > Add to render queue

Select the desired output format and the video location. Click on Render option.
