

Thank you for buying this template!

It's really easy to customize.  
Just follow the steps below.

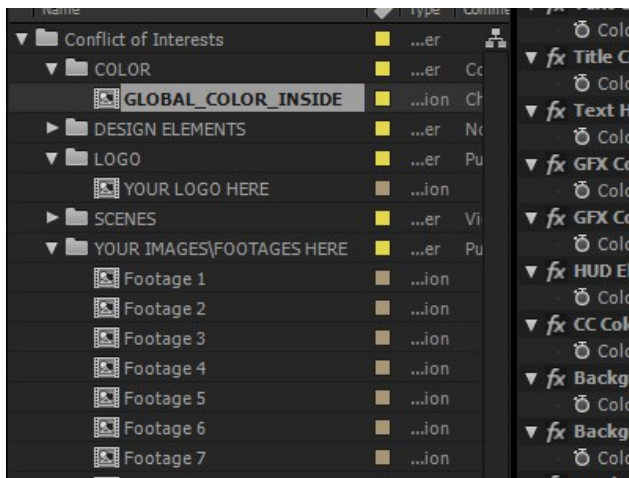

#### STEP 1

Download and install free **fonts**:

**Brandon Grotesque (Adobe Font)**

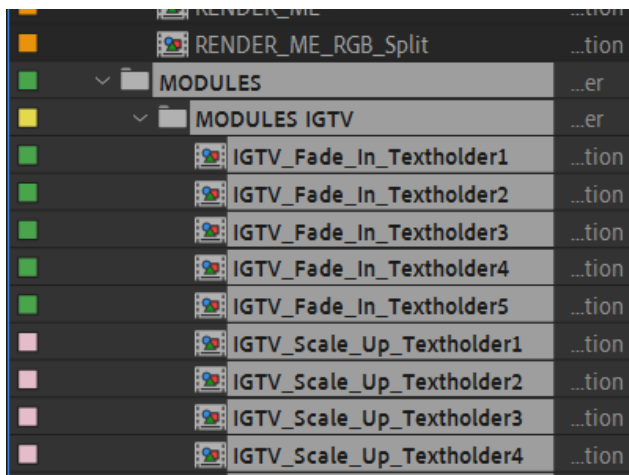

[Download](#)

#### STEP 2

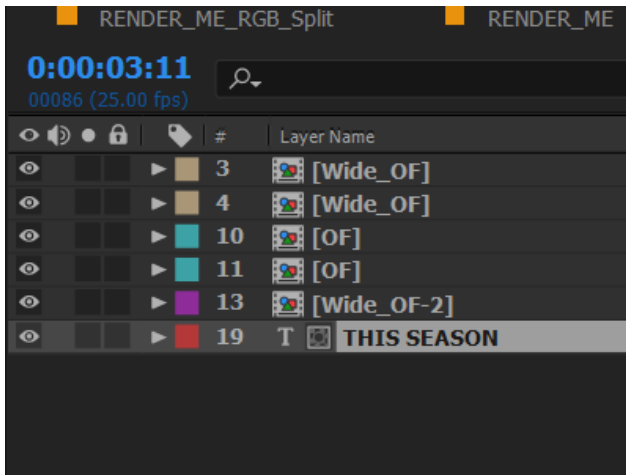

Change colors of the elements in the GLOBAL\_COLOR\_INSIDE comp. Select Color Control layer → Apply your colors.

#### STEP 3

All modules collected in the MODULES folder.

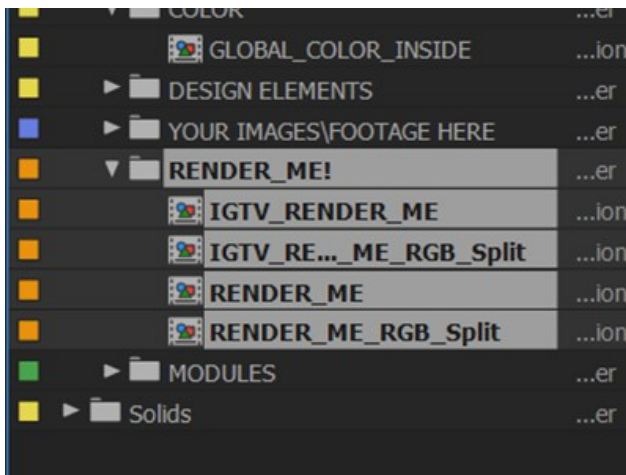

#### STEP 4

To edit a text double click on selected Module and edit the text layer.

NOTE: Please uncheck SHY switch to see all layers in the comp if you need them.

#### STEP 5

Finally, render out your final image from 'RENDER\_ME' composition located in the 'RENDER\_ME!' Folder.

You can choose to render from Render\_Me RGB Split comps. These will add RGB separation effects to your final video.
