

# PDF Help File

Hi, thanks for buying my item.

This is a small lesson for using Trendy Lower Thirds properly. To get started, open the Trendy Lower Thirds.prproj file

To change the text, open the Project> 01. Edit Comps> Edit Texts, then open the Edit Text sequence (the number corresponds to the title number), change the text.

Project: Trendy Lower Thirds

Media Browser

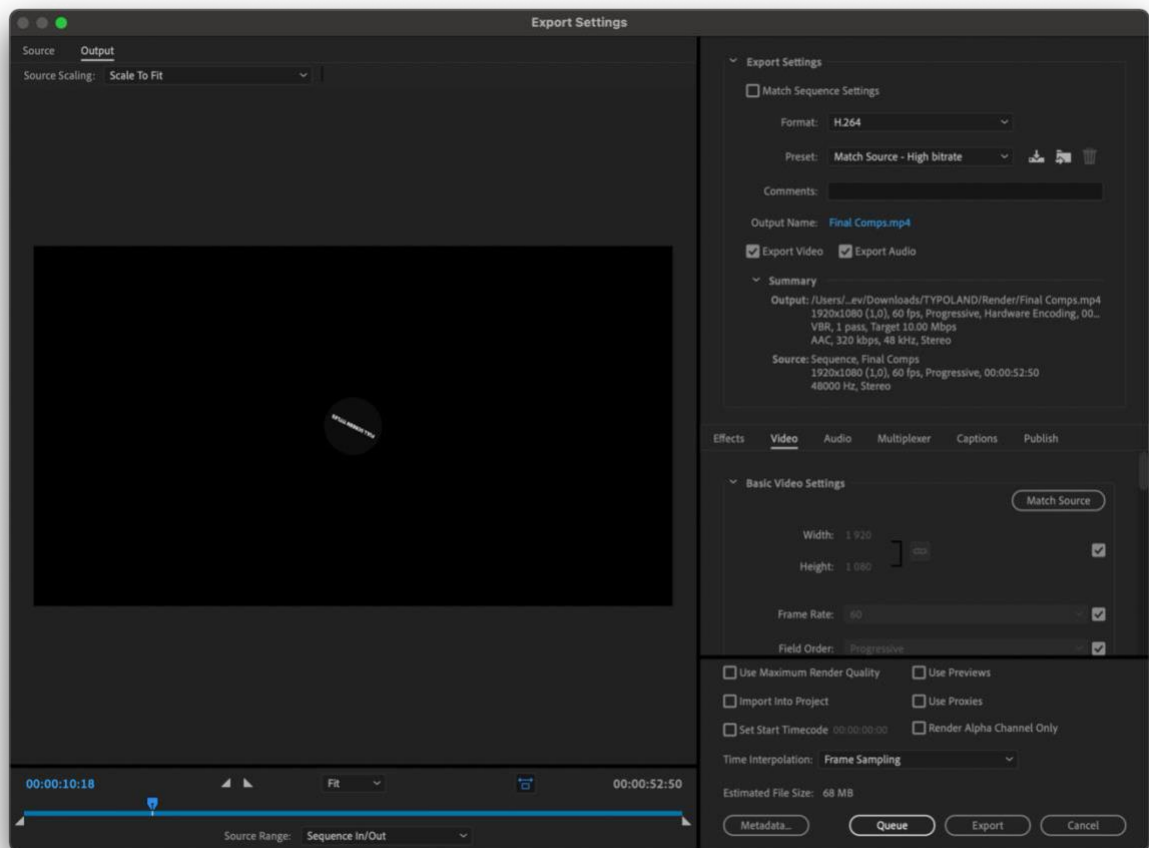

Trendy Lower Thirds.prproj
