Minimal Stories Pack

After Effects stories pack for creating an elegant fashion promo, meditative video or calm sale promo. It includes 15 animated stories each 15 seconds long. Publish them on Facebook and Instagram to expand your audience.

White and pink backgrounds look sophisticated and refined. Positive and refreshing, the white color makes the content noble, pure and romantic. It's used to emphasize simplicity, accuracy, and all the new. Pink is associated with love and romance. It's energetic and inspiring.

Trendy typography makes your video more stylish and fashionable. Antiqua font supports the whole feeling of tenderness and sophistication. Use the big letters on the background to highlight your message.

Project features:

- Color control
- Vertically Resolution: 2160 x 3840
- Easy to customize
- After Effects CC18 and above
- No plugins required
- Fast render
- PDF help file included
- Insert your videos, text, and music

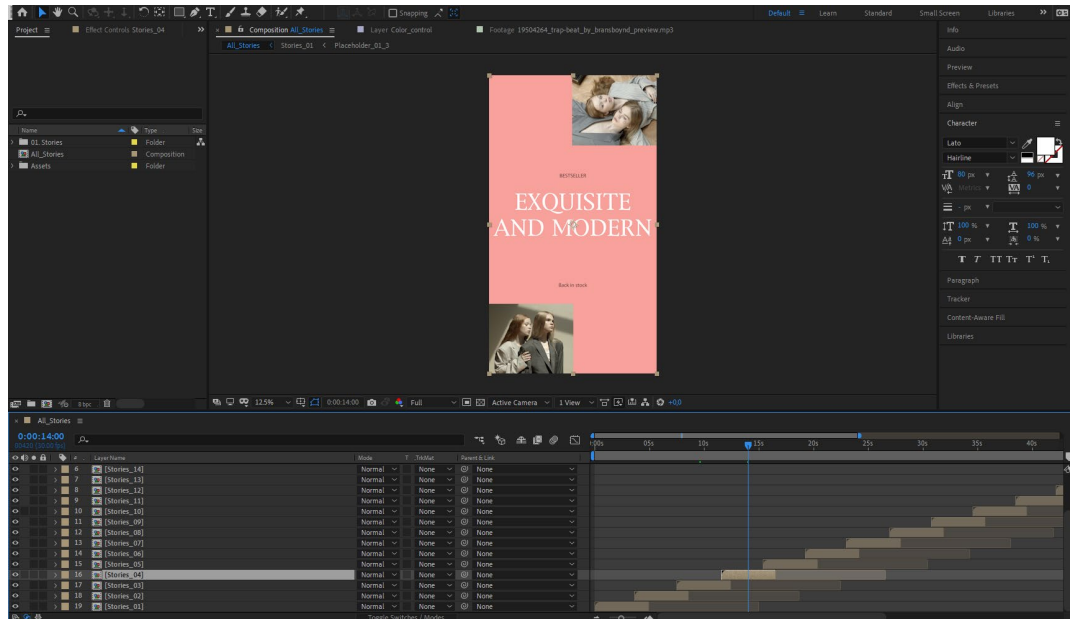

Music: <https://audiojungle.net/item/sexy/26739260>

How to edit a project.

The project has a modular structure and each module has its own separate folder for editing

For example, open Part_4. In the folder you will find several comps: 2 for an image or video, and the Part itself, where you can change the text.

Other compositions in the project are edited using the same principle.
