

This item included 2 projects setup for square and rectangle logo

You can adjust this item with “Essential Graphics” panel

You can replace your logo in sequence “Replace_(Rectangle or Square)_Icon”

Drop your logo file into the timeline of this sequence and adjust size/position of logo with “Effect Controls” panel.

The screenshot displays the Adobe After Effects interface with a project named "Rectangle_Ver". The interface is divided into several panels:

- Top Panel:** Shows the "Program: Rectangle_Ver" preview window. It displays a textured background with the "envato" logo and the text "YOUR TEXT HERE". The timeline below the preview shows a duration from 00:00:05:09 to 00:00:08:00.
- Left Panel:** Contains the "Effect Controls" panel for the "Rectangle_Ver" layer. It lists various properties such as Position (960.0, 540.0), Scale (100.0), Rotation (0.0), and Opacity. The "Background" layer is highlighted in yellow.
- Bottom Left Panel:** The "Media Browser" panel shows a list of assets. The "Rectangle_Ver" asset is highlighted with a red box.
- Bottom Right Panel:** The "Timeline" panel shows a sequence of layers. The "Rectangle_Ver" layer is highlighted with a red box. The timeline includes layers for "Graphics", "Text_Rectangle", "Logo_Setup", "Background", and "Matte".
- Right Panel:** The "Essential Graphics" panel shows a list of assets. The "BG_Wood_Texture" asset is checked.

You can adjust the projects in sequence “(Rectangle or Square)_Ver”
