Marketing Agency Promo Stories Pack

After Effects stories pack for creating a fresh elegant promo for a marketing agency, telecom provider, a start-up presentation or any other B2B service. Use it on your social media and YouTube. It includes 16 animated stories each 15 seconds long. Publish them on Facebook and Instagram to expand your audience.

It's design is based on the shape of the circle. The circle is considered a symbol of unity, integration and protection. It is also the symbol of infinity, without beginning or end, that's why it implies movement (such as a wheel). The shape is connected with energy and power, yet feels playful and friendly.
