Corporate Promo Titles Stories Pack

After Effects stories pack for creating business or event promo, corporate presentation or event opener with bold typography. Great contrast between large letters and small one, much free space - it's built in the trendy Swiss design style. It includes 19 animated stories each 15 seconds long. Publish them on Facebook and Instagram to expand your audience.

The illuminating yellow is one of the two main colors named by Pantone the color of 2021. It's full of the promise of something sunny and friendly, bright and cheerful, optimistic and uplifting, brightening people's spirits. Yellow is the best color to create enthusiasm in life. It's also the most highly visible of all colors which is why it is used for pedestrian crossings.

The project is very easy to use. Just insert your videos and text.

How to edit a project.

- 1) To edit a project, open the Edit folder. In it, you will see compositions with text and images that you can change. All of them are marked on the timeline, so you can edit the project sequentially and not get confused

- 2) for example, open the song Stories_3. Text editing layers are highlighted in green. Double click and you will be able to enter your text. In addition, you can see the composition for your placeholder on the timeline or in the Stories_3 folder. Open it to insert your photos or videos.

Other compositions in the project are edited using the same principle.
