

Hello, thank you for purchasing my template!

For the correct work of the template you need to install all the used fonts.
(Links in the Font.txt file)

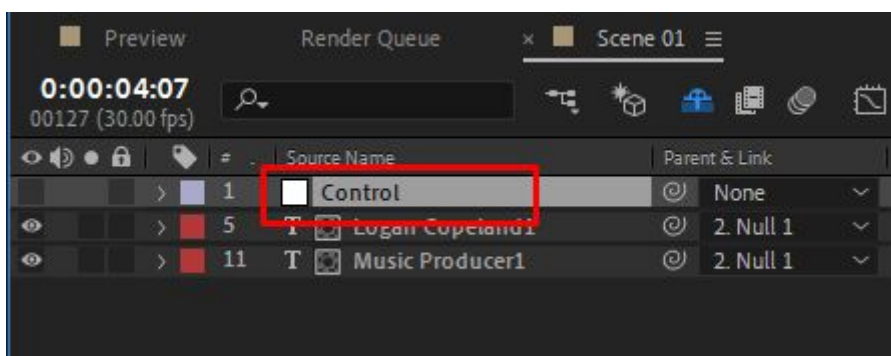

01. Go to "Scenes" folder
02. Open "Scene 01" comp

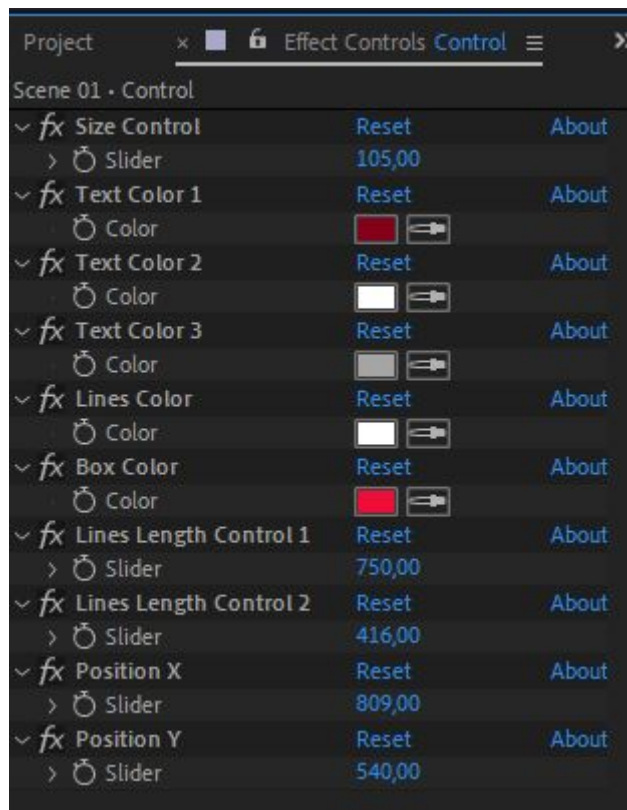

03. Change your texts

04. Click on "Control" layer

11. Go to Effects Controls panel

12. And just customize
13. Do his for all scenes if you need
14. Done!
