

Hello, dear colleagues!

Thanks for buying this template. It's really easy to customize:

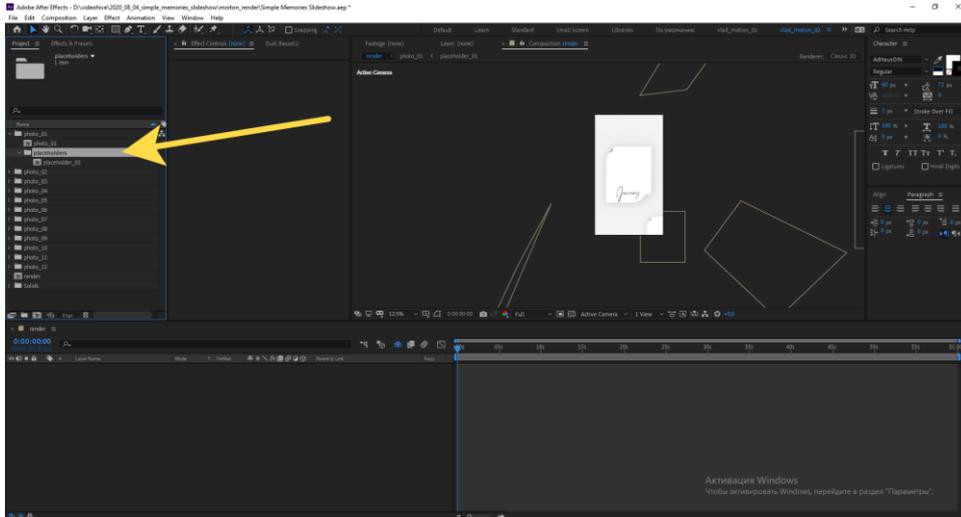

### 1. Open the Simple Memories Slideshow

### 2. Open the folder photo\_01

### 3. Open the folder placeholders

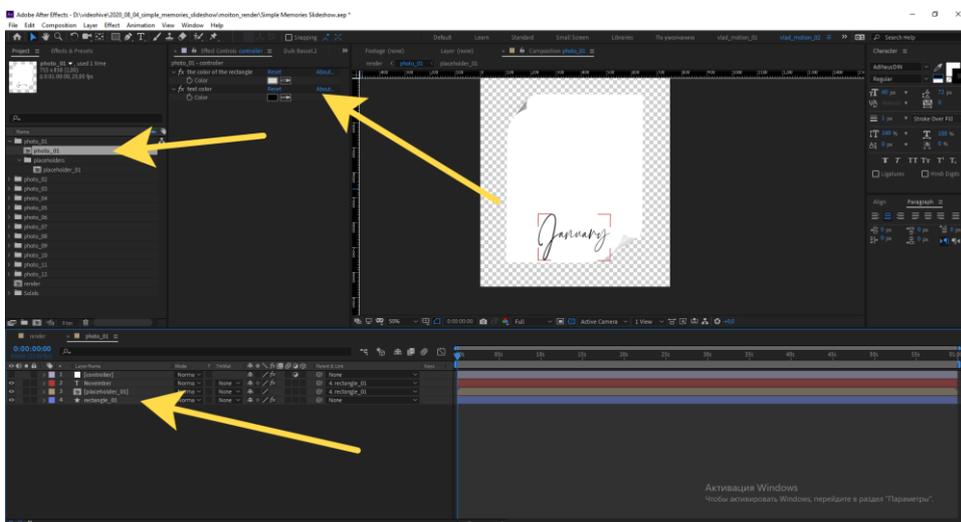

4. Open the composition placeholder\_01

— Edit text compositions photo\_01

— Place your video or pictures in compositions placeholder\_01

— Also you can change of design elements. To edit your scene, go to the Controller

— After that - render composition "Render"

Soundtrack you can find here — <https://audiojungle.net/item/timelapse/22635649>

Font - Grandiose

If you have any questions - please, contact me via my personal page. That's all Hope you like it and again - thanks for buying
