PROJECT SETTINGS

01. Folder «01. Edit Comps» contains editable compositions with text layers and logo holders.

02. Folder «02. Final Comp» contains the final compositions «YouTube End Screen» and «YouTube Subscribe».

03. In the folder «03. Others» are working files. They are not designed for editing.

In the folder «02. Final Comp» select the composition «YouTube End Screen 02» and go to it. Double-click the «Typography 02» composition and reshape all the text layers. Go back to «YouTube End Screen 02». Double-click to go to the composition «Logo 02 A» and select the logo you need. You can also insert your logo. Go back to «YouTube End Screen 02» and set up «Logo 02 B» and «Logo 02 C» in the same way. Go back to «YouTube End Screen 02»

and reshoot all the text layers.

Select the «Settings» layer and go to the «Effect Controls» window.
