

## Hello, thank you for purchasing my template!

NOTE! This project has been created only for After Effects. Before starting, unzip archive!  
For the correct work of the template you need to install all the used fonts. (Links in the Fonts.txt file)

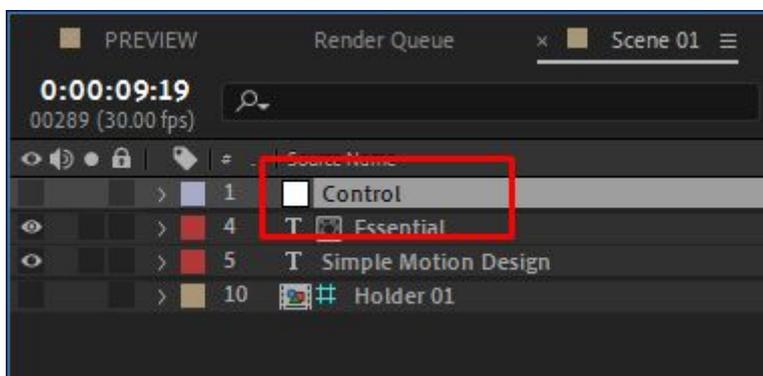

1. Go to "Scene 01-25" folder
2. Open "Scene 01-25"

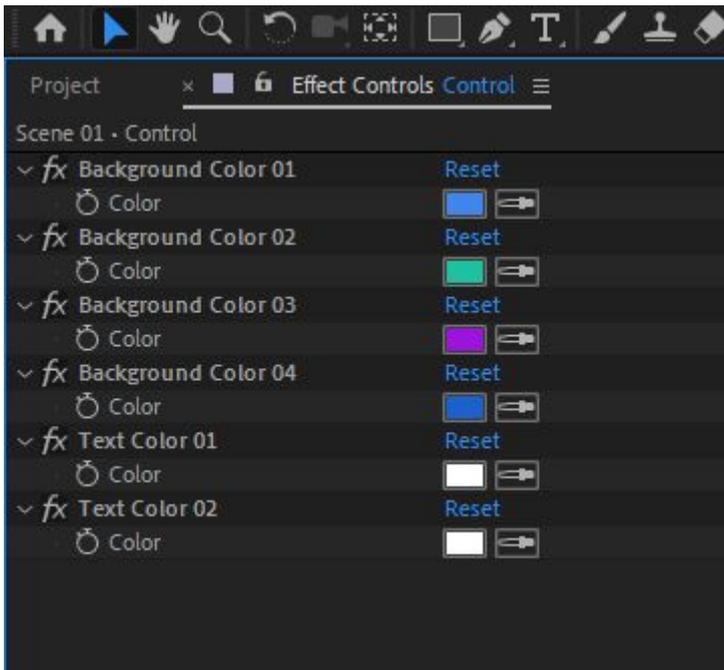

3. Edit text

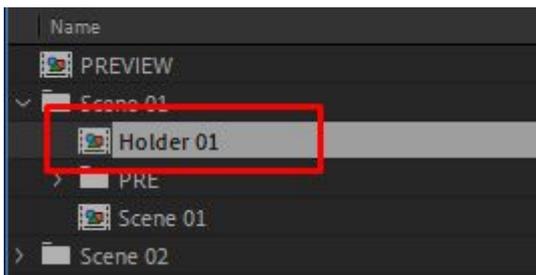

4. Click on "Control" layer

5. Go to Effects Controls panel

6. Just customize
7. Open “Holder” scene and drop your footage

8. Done for all Scenes
