Stop Motion Neon Promo

| What for?
Perfect for making video promotion of hip hop dancers, vj leaders, party events. You can use your own photos or video, type your titles and place this clip on video display into your boutique, shop,mailing invitation or dancing hall.

Make dynamic and fashion style intro or video blog channel opener or promo with grunge and glitch effects! Is perfect for urban opener, tv show, new street trends or flash sale slideshow or any media opener. Even special events. You can use images instead of videos. Very simple and well-organized project.

You can easily change the colors in just one simple step. Changing text, drop your media, audio and hit render. Fast rendering project. You don't need any Advance knowledge of After Effects in order to use this project. Even if you never worked with the After Affects you can watch the help file and complete the job

Stop Motion Neon Promo is a high quality, well organized and easy customizing template. Just drop your image or video, edit the text, add audio and enjoy the result!
