

STYLISH CORPORATE LOGO – PREMIERE HELP

You can get the font from following link.

<https://sourceforge.net/projects/dejavu/files/dejavu/2.37/dejavu-fonts-ttf-2.37.zip/download>

Please download and install the font before you install the MOGRT file.

The music track used in the preview is from here.

<https://audiojungle.net/item/melodic-ident/19420309>

Important:-

If you are adding the Logo to your existing premiere project go to Step 6.

If you are creating a new Project in Premiere the start from the beginning.

Instructions:-

Step 1:

Step 2:
