

# HELLO! THANKS FOR PURCHASE!

Expressions in project may be not universalized, if all colors are becoming red - use English version of After Effects. Thank you!

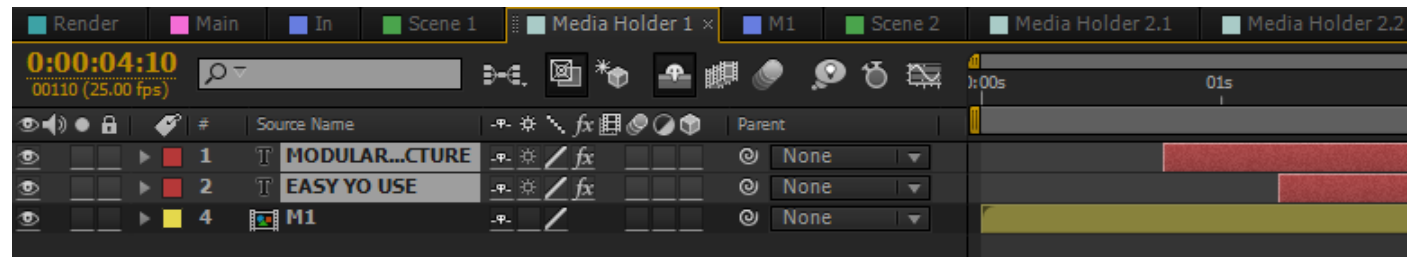

Use "CC" layer inside "Main" composition to control colors

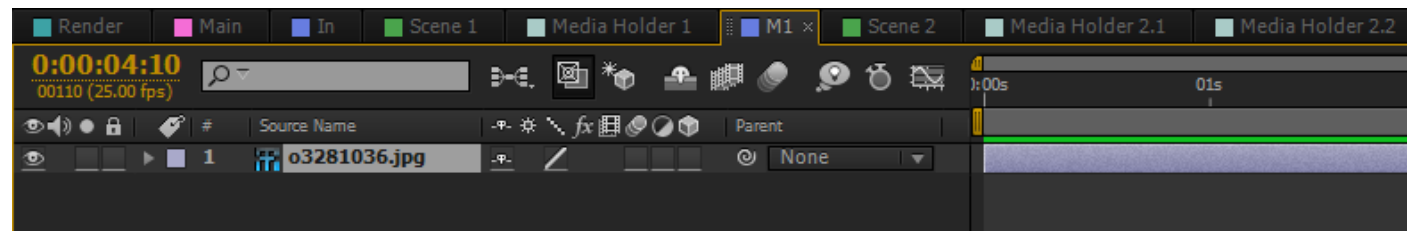

Compositions “In\Out\Scene” contain Media and BG holders

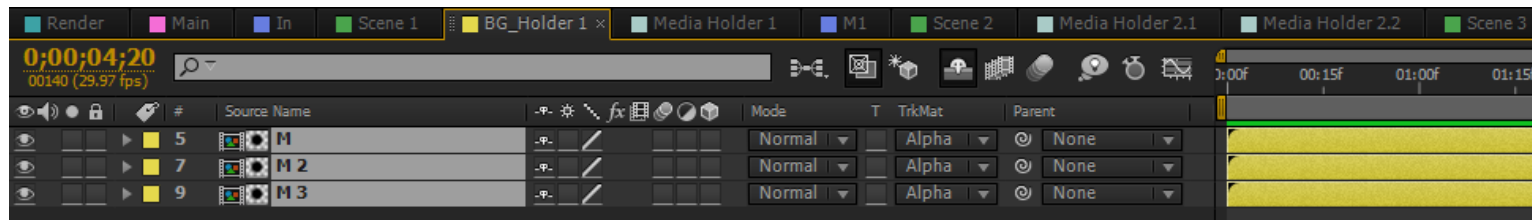

Inside “Media\_Holder” you will find text layers and media compositions

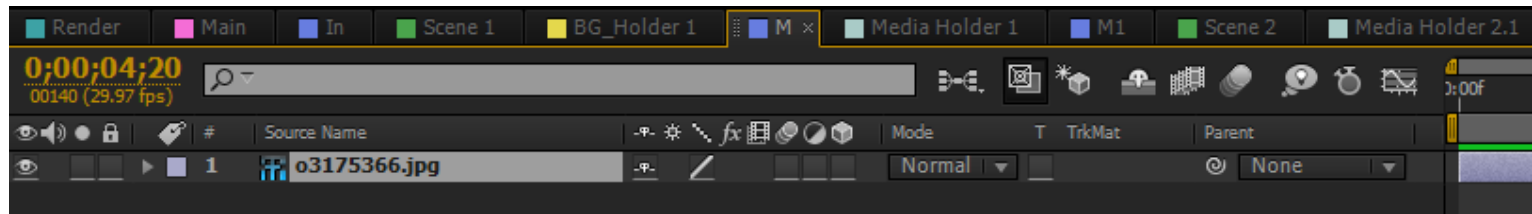

Just change a text and place your media inside “M” comp

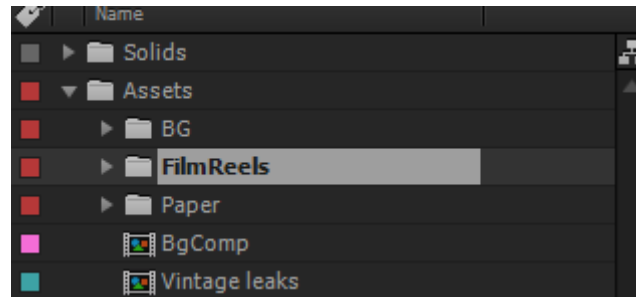

Inside "BG\_Holder" composition you will find another Media holders

Put your images\video inside

All elements you can find in “Assets” folder

To customize shape you have to choose element inside composition and replace it by another from “Assets” folder.

Hold “Alt” button while replacing

ENJOY!

Rate this project if you like it!
