

Hello, thank you for purchasing my template!

For the correct work of the template you need to install all the used fonts.
(Links in the Font.txt file)

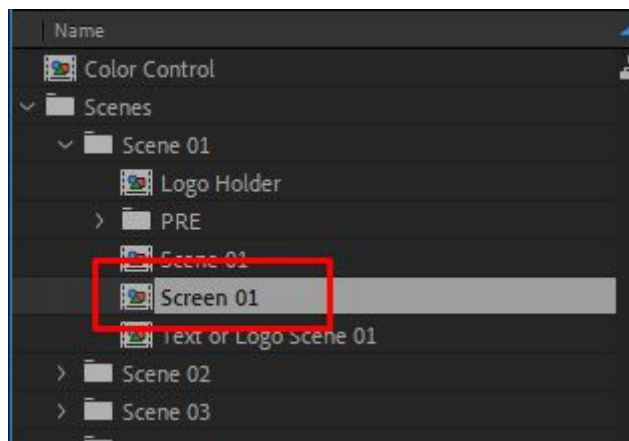

01. Go to "Scenes" folder
02. Open "Scene 01" folder
03. Open "Scene 01" comp

04. Change your texts

05. Go to "Holder 01" scene

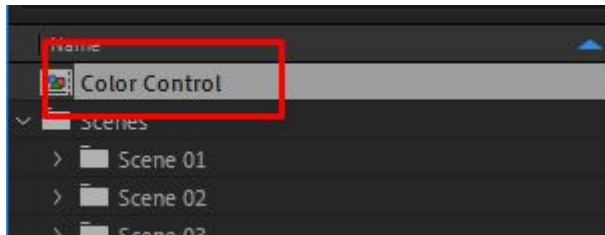

06. Drop your footage

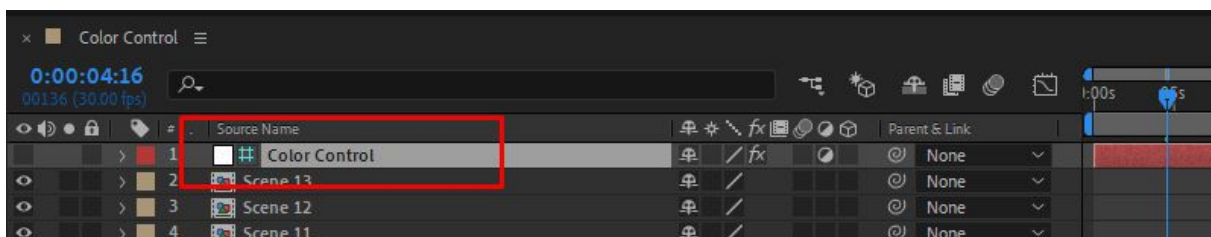

07. Open “Logo Holder” comp

08. Drop your logo

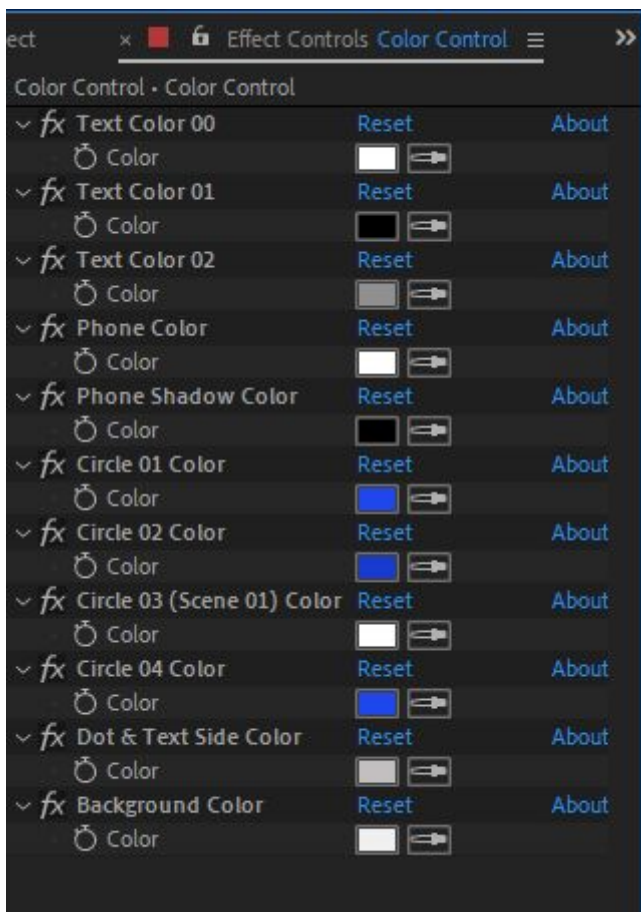

09. Open “Scene 01” comp

10. Click on “Control” layer

11. Go to Effects Controls panel

12. And just customize
13. Do his for all scenes if you need
14. Done!
