Important!

For the project to work correctly, it will be necessary to **duplicate the values** in the Essential Graphic for these layers! (size, roundness etc).
All values must match except color.

Font Gilroy: ***https://www.tinkov.info/gilroy.html***
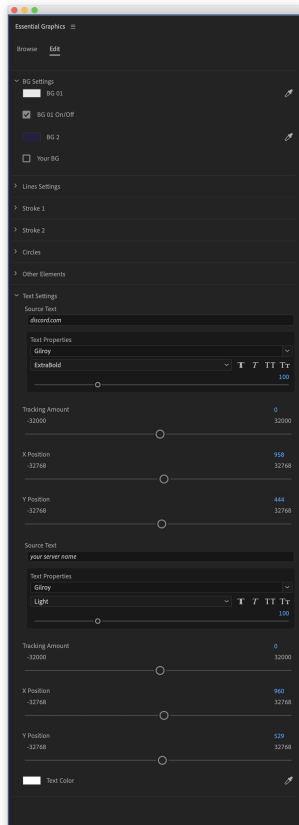

1) Choose version

In folder "versions" you will find all versions of logos

2) Logo and BG customization

Just Drag and Drop your logo into "Logo Holder" composition.
Drag and Drop your BG intro "BG Holder" composition.

3) Template and Text settings (Window > Essentian Graphics)
