

THANK YOU FOR YOUR PURCHASE. I HOPE YOU ENJOY THIS PROJECT. FOR ALL QUESTIONS, PLEASE CONTACT [HELLOSTINSON@GMAIL.COM](mailto:HELLOSTINSON@GMAIL.COM).

## HELP FILE

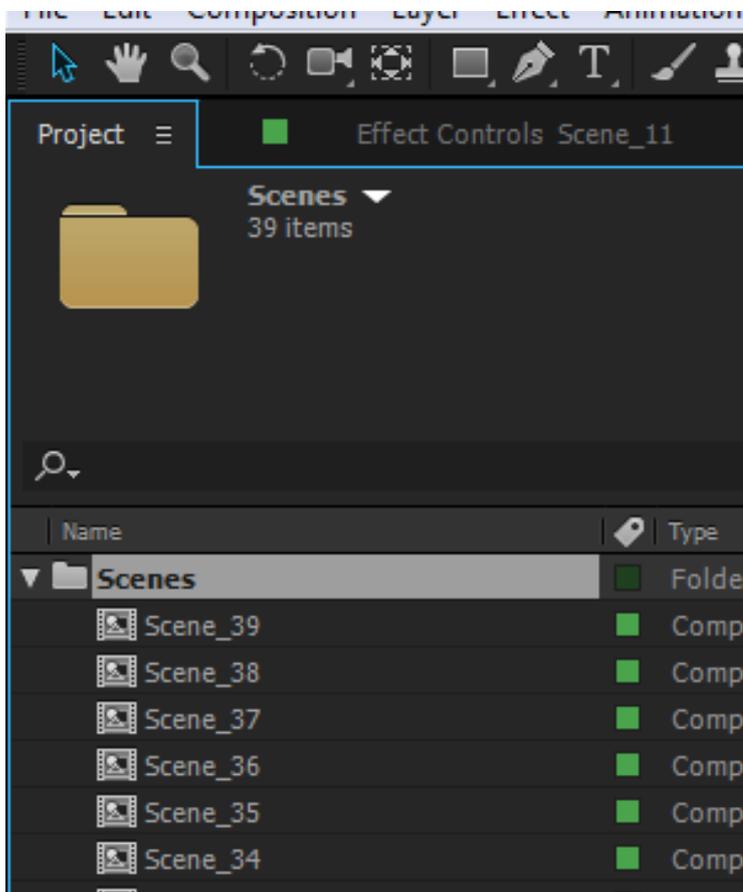

1. Open the “Preview” composition

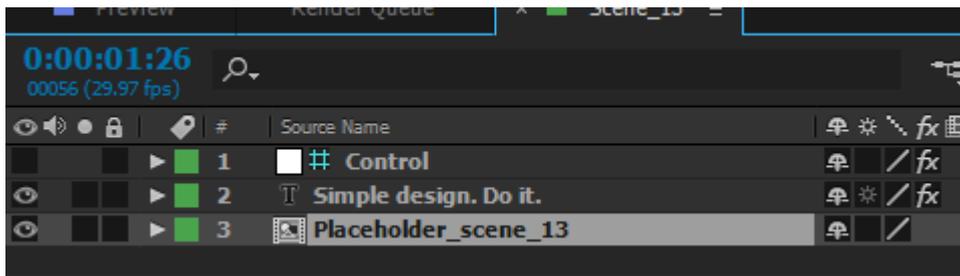

2. Find the “Scene” you need and open it

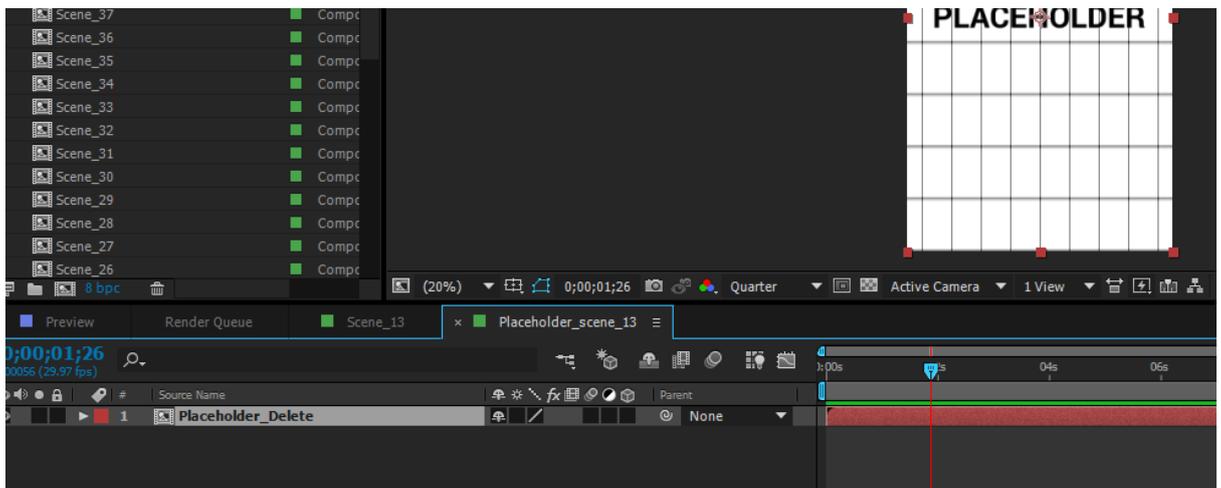

\*You can open the Scenes folder and select the one you need

3. Open Placeholder composition.

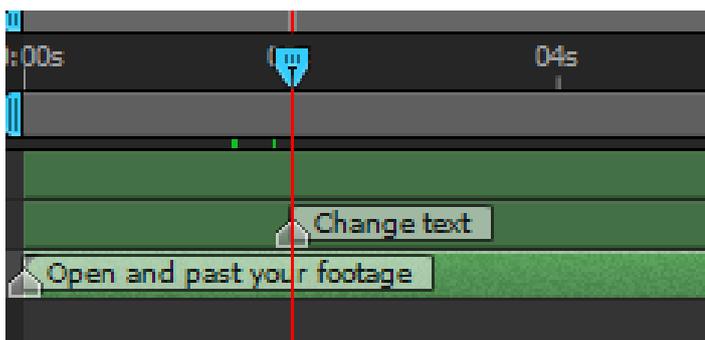

4. Delete “Placeholder\_Delete” and past your footage (If this composition has a placeholder)

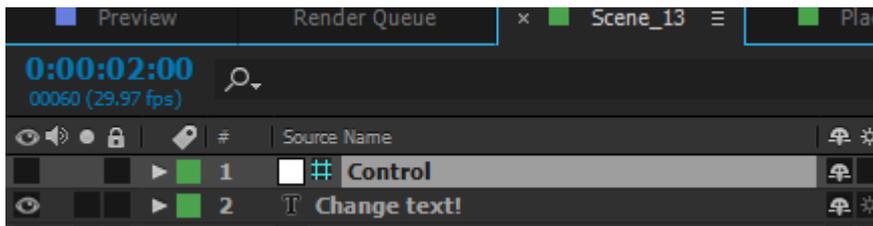

5. Go back to Scene

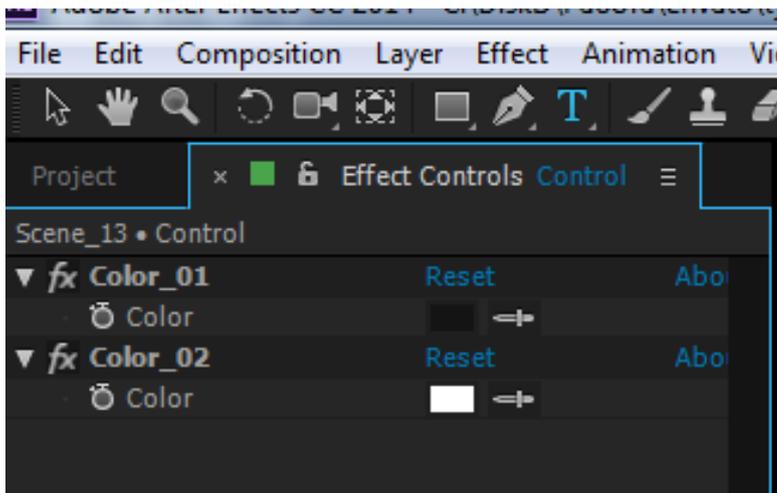

6. Change text in marker place

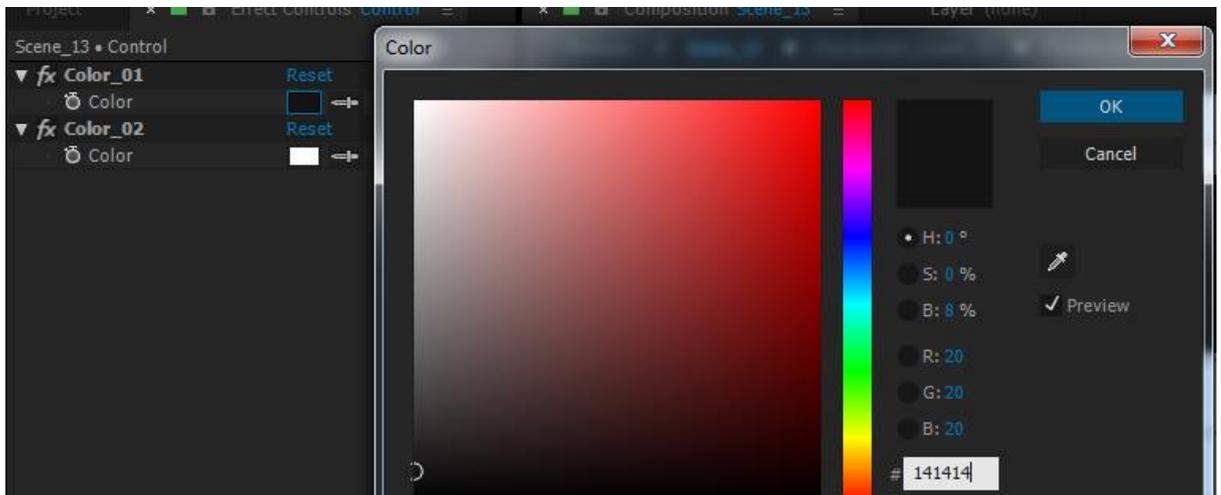

7. Select Control layer

8. Open Effects Controls

9. Change Colors (and other parameters if there is)

10. Render!
