Stylish Opener Stories Pack

After Effects template Aura, full of freshness and play, for creating a YouTube or TV opener. Use it on your social media and YouTube. It includes 15 animated stories each 15 seconds long. Publish them on Facebook and Instagram to expand your audience.

In ancient Greece Aura was the goddess of the breeze, gentle wind, and the fresh, cool air of the early morning. Now her name describes our project in the same way.

Green, which is the main color in this opener, is associated with new life and spring. It's the color of growth and vitality. It renews and restores depleted energy. Green is also the color of prosperity, finance, and material wealth.

Project features:

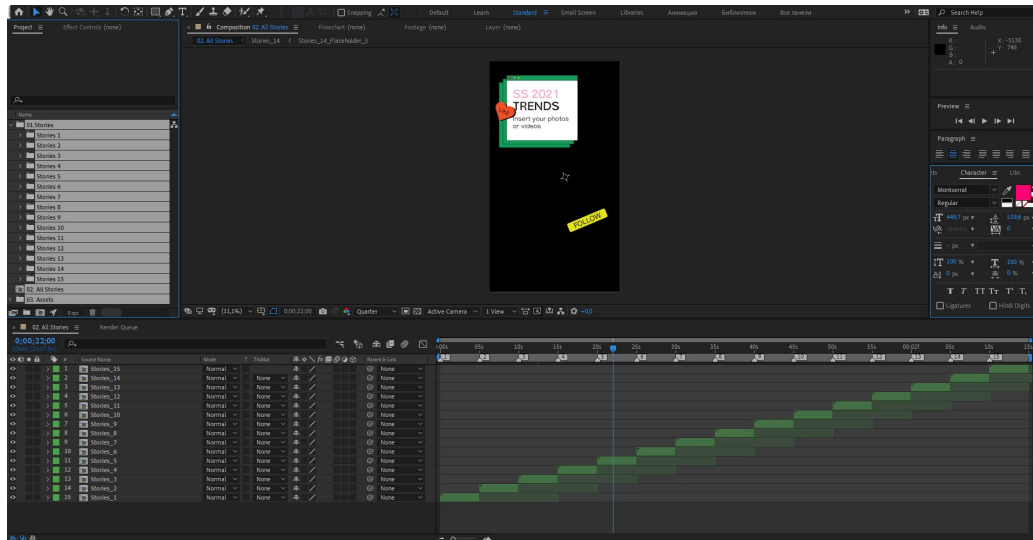

- Vertically Resolution: 2160×3840
- Fast render
- 100 % After Effects
- After Effects CC18 and above
- No plugins required
- Photos are not included

How to edit a project.

- 1) To edit a project, open the Edit folder. In it, you will see compositions with text and images that you can change. All of them are marked on the timeline, so you can edit the project sequentially and not get confused

- 2) for example, open the song Stories_5. Text editing layers are highlighted in green. Double click and you will be able to enter your text. In addition, you can see the composition for your placeholder on the timeline or in the Stories_5 folder. Open it to insert your photos or videos.

Other compositions in the project are edited using the same principle.
