Instruction Steps

Adobe After Effects CC 2015   (software) or newer version (CC 2019) required to open and edit the template file.

**First download font and install**
------------------------------Here are a few instructions that will help----------------------------
Folder "02. Edit Comps" Here you can edit text and media for your project .

Open "Media ##" composition. Import your media and drag into timeline.

Open "Scene ##" composition. Double click text and type your text.

You can edit color on "Control" panel

Modular Structure. You can go render here.

---**AUDIO** ---

In After Effects click on the menu option: File > Import > File (search the audio file, click on it, then click Open). Open the "Final Comp" folder.Open the composition Final Comp. Drag and drop your audio in this composition.

--**RENDER VIDEO**--

Open **"Final Comp"** composition.click on the menu option Composition > Add to render queue

Select the desired output format and the video location.Click on Render option.
