Geometric Opener 3 in 1

After Effects template 3 in 1 in the trendy art style for making an event or a fashion rhythmic opener, a TV or a YouTube channel intro.

Bright geometry creates an optimistic and uplifting mood on the screen. Colorful circles, squares and triangles are jumping and flying evoking a dynamic lively atmosphere.

Choose yellow, orange and blue colors to match your brand or product identity. Yellow is warm, cheerful and playful, orange is energetic, bringing fun and enthusiasm, blue is the most universally favored color of all and the content in blue looks strong, confident, and reliable. You can change the colors using Color Control.

Project features:

- Color control
- 4K
- Fast render
- 100 % After Effects
- After Effects CC18 and above
- No plugins required
- Photos are not included

How to edit a project.

1) To edit a project, open the Edit folder. In it, you will see compositions with text and images that you can change. All of them are marked on the timeline, so you can edit the project sequentially and not get confused

2) for example, open the song Part_3. Text editing layers are highlighted in green. Double click and you will be able to enter your text. In addition, you can see the composition for your placeholder on the timeline or in the Part_3 folder. Open it to insert your photos or videos.

Other compositions in the project are edited using the same principle.
