# Export MOGRT on timeline

The screenshot displays the Adobe Premiere Pro interface with several key areas highlighted for MOGRT export:

- Essential Graphics Panel:** Located on the right, it shows a search for "wreath" under "My Templates". An annotation points to this panel: "Use this window to select exported your MOGRT file".
- Program Monitor:** The central video preview area shows a "GOLD WREATH AWARD WREATH PACK" graphic. An annotation points to it: "Edit the size and position your wreath on sequence".
- Timeline:** The bottom section shows a sequence with a "GOLD Wreath" clip and a video clip "ayo-ogunseinde-2Lm\_Hb8sH4s-unsplash.jpg". An annotation points to the timeline: "Drop your MOGRT file on timeline and edit position".
- Media Browser:** The bottom-left panel shows the source file "ayo-ogunseinde-2Lm\_Hb8sH4s-unsplash".
- Search Filter:** A yellow callout points to the search bar in the Essential Graphics panel: "Use the 'WREATH' Key word for fast find".

The interface includes standard Premiere Pro elements like the menu bar (Markers, Graphics, Window, Help), the Lumetri Scopes panel, and the Program and Timeline panels.

# Edit Text and Other Adjustments

The screenshot shows the Adobe Premiere Pro interface with several annotations:

- Top Right:** An orange callout box points to the "Essential Graphics" panel, specifically the "Edit" button. The text reads: "Select this window to edit adjustments of wreath".
- Right Panel:** The "Essential Graphics" panel is open, showing the "Main Text" section with "GOLD WREATH" and "AWARD WREATH PACK". Below this, the "Text Properties" section shows "Nimbus Roman No9 L" and "Regular". A green line connects the "Edit" button to this panel. A cyan callout box points to a slider in the "Text Properties" section, with the text: "Use the slider to edit timer below in the list".
- Center:** A green callout box points to the video preview window, which shows a man in a suit with a wreath overlay. The text reads: "Edit Text, Size, Position and choose 1 of 20 wreath (Use hints for a guide)".
- Bottom:** An orange callout box points to the "GOLD Wreath" layer in the timeline. The text reads: "Left mouse click on WREATH layer to be active layer and edit".
