Click Render button

The screenshot shows the Adobe After Effects interface. At the top, the title bar reads "Adobe After Effects - S21 Ultra.aep *". The menu bar includes "File", "Edit", "Composition", "Layer", "Effect", "Animation", "View", "Window", and "Help". The main workspace displays a composition named "Final" with a scene named "Scene 01" and an image layer named "Image 01". The central preview window shows a 3D rendering of a smartphone with the text "Phone mockup" on its screen. The bottom panel is the "Render Queue" window, which is currently empty. A large red arrow points to the "Render" button in the top right corner of the Render Queue panel. The status bar at the bottom of the application shows "Message:", "RAM:", "Renders Started:", "Total Time Elapsed:", and "Most Recent Error:".

Thank you for attention
