

Hi, Thank you for purchasing our project.

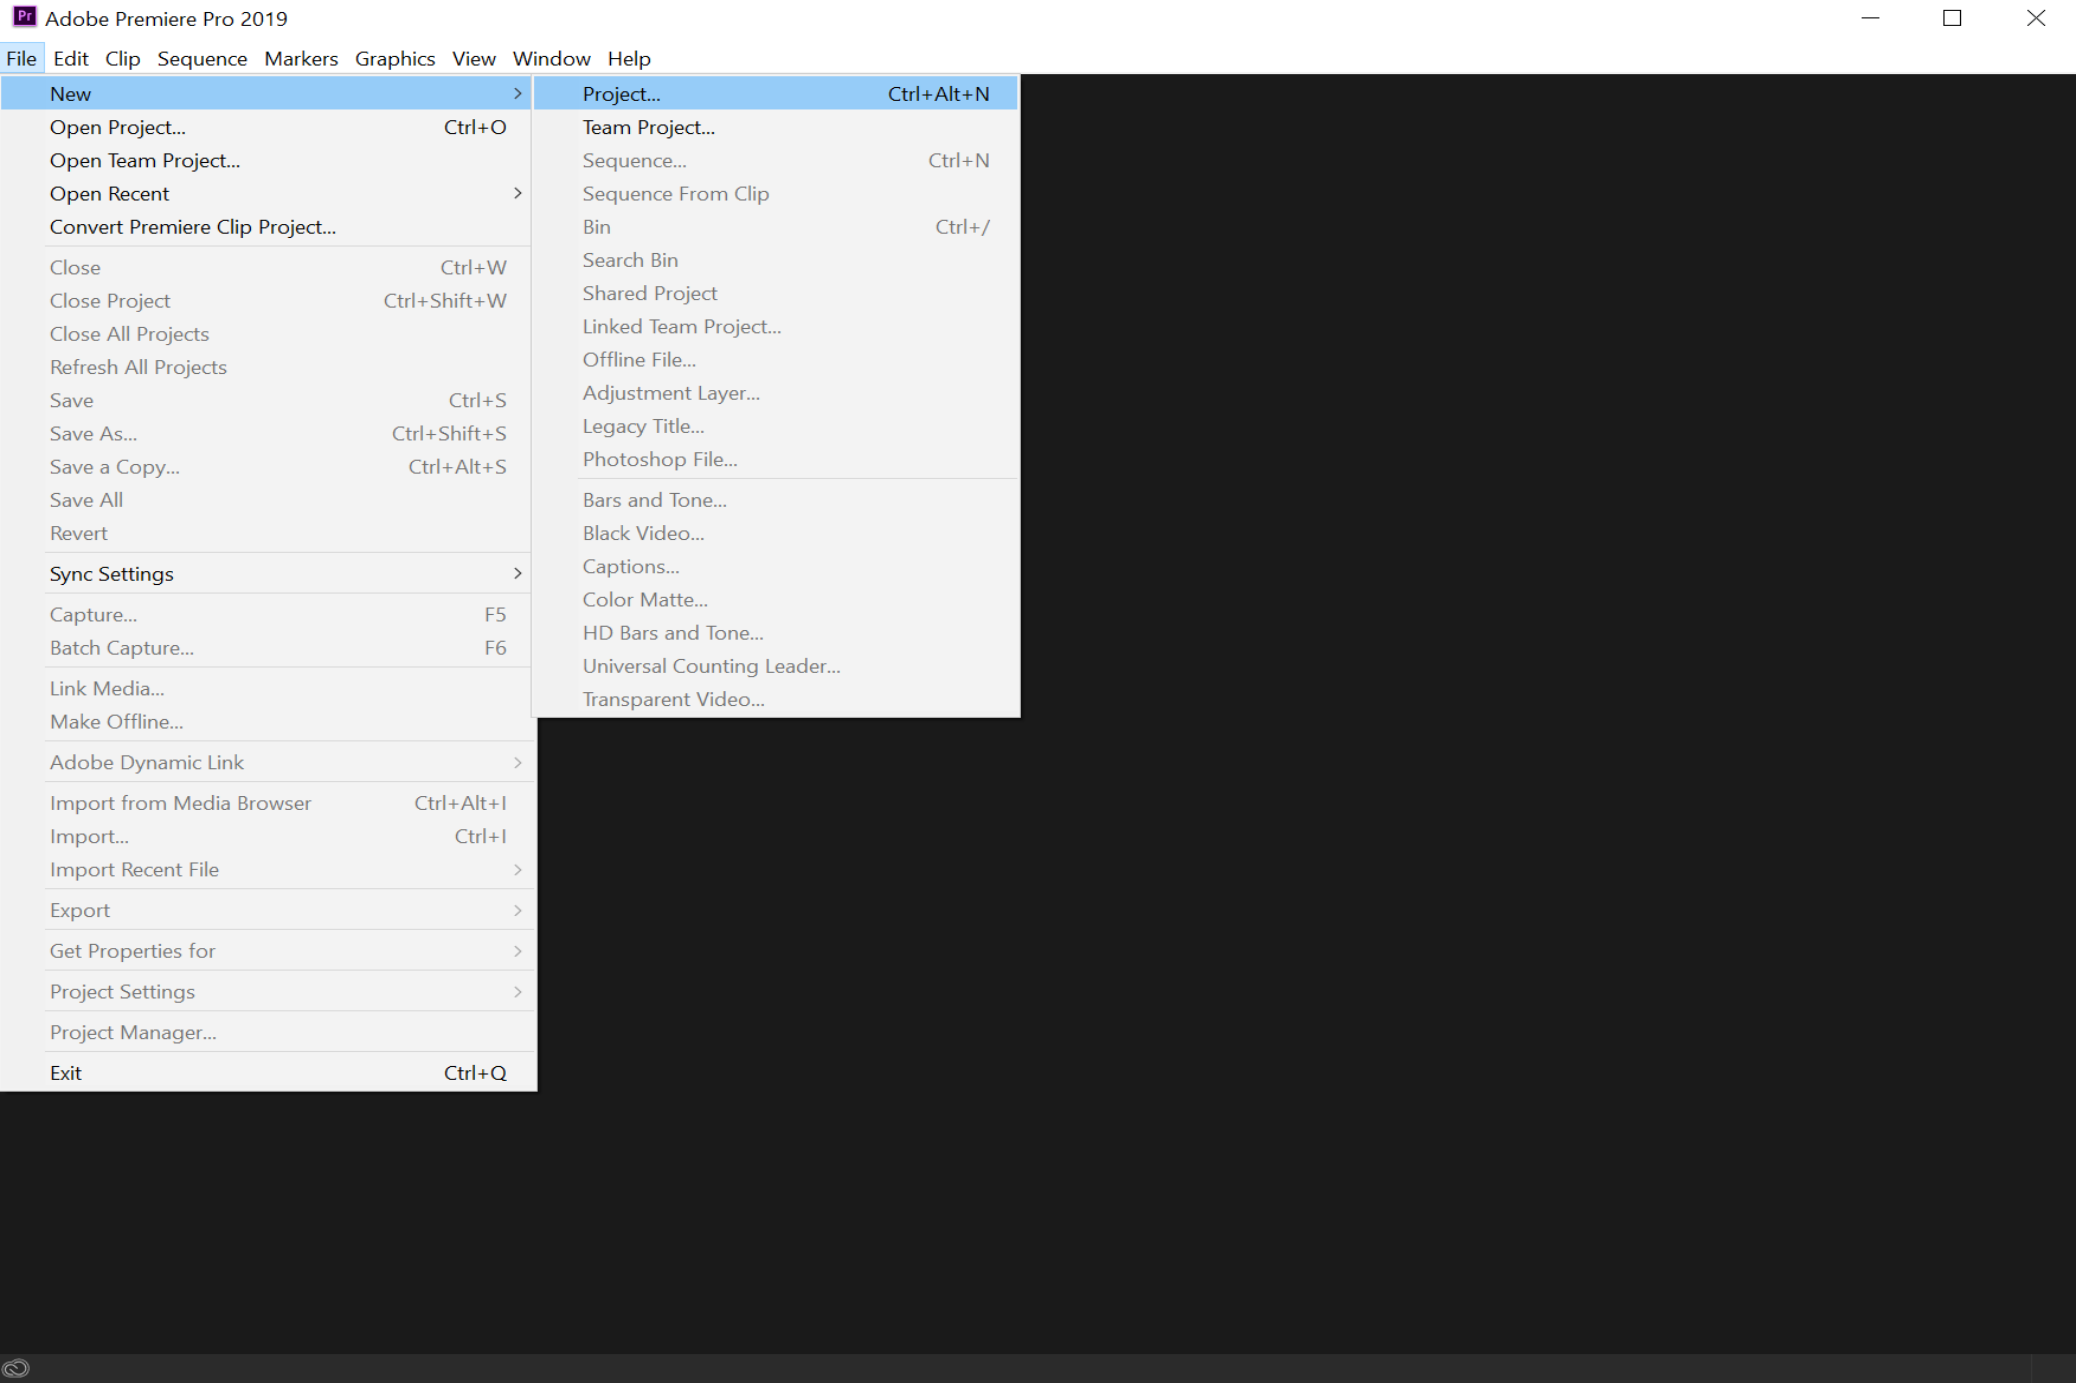

You can get the fonts from these links.
<http://www.dafont.com/timeless.font>

Please download and install the font before you install the MOGRT file.

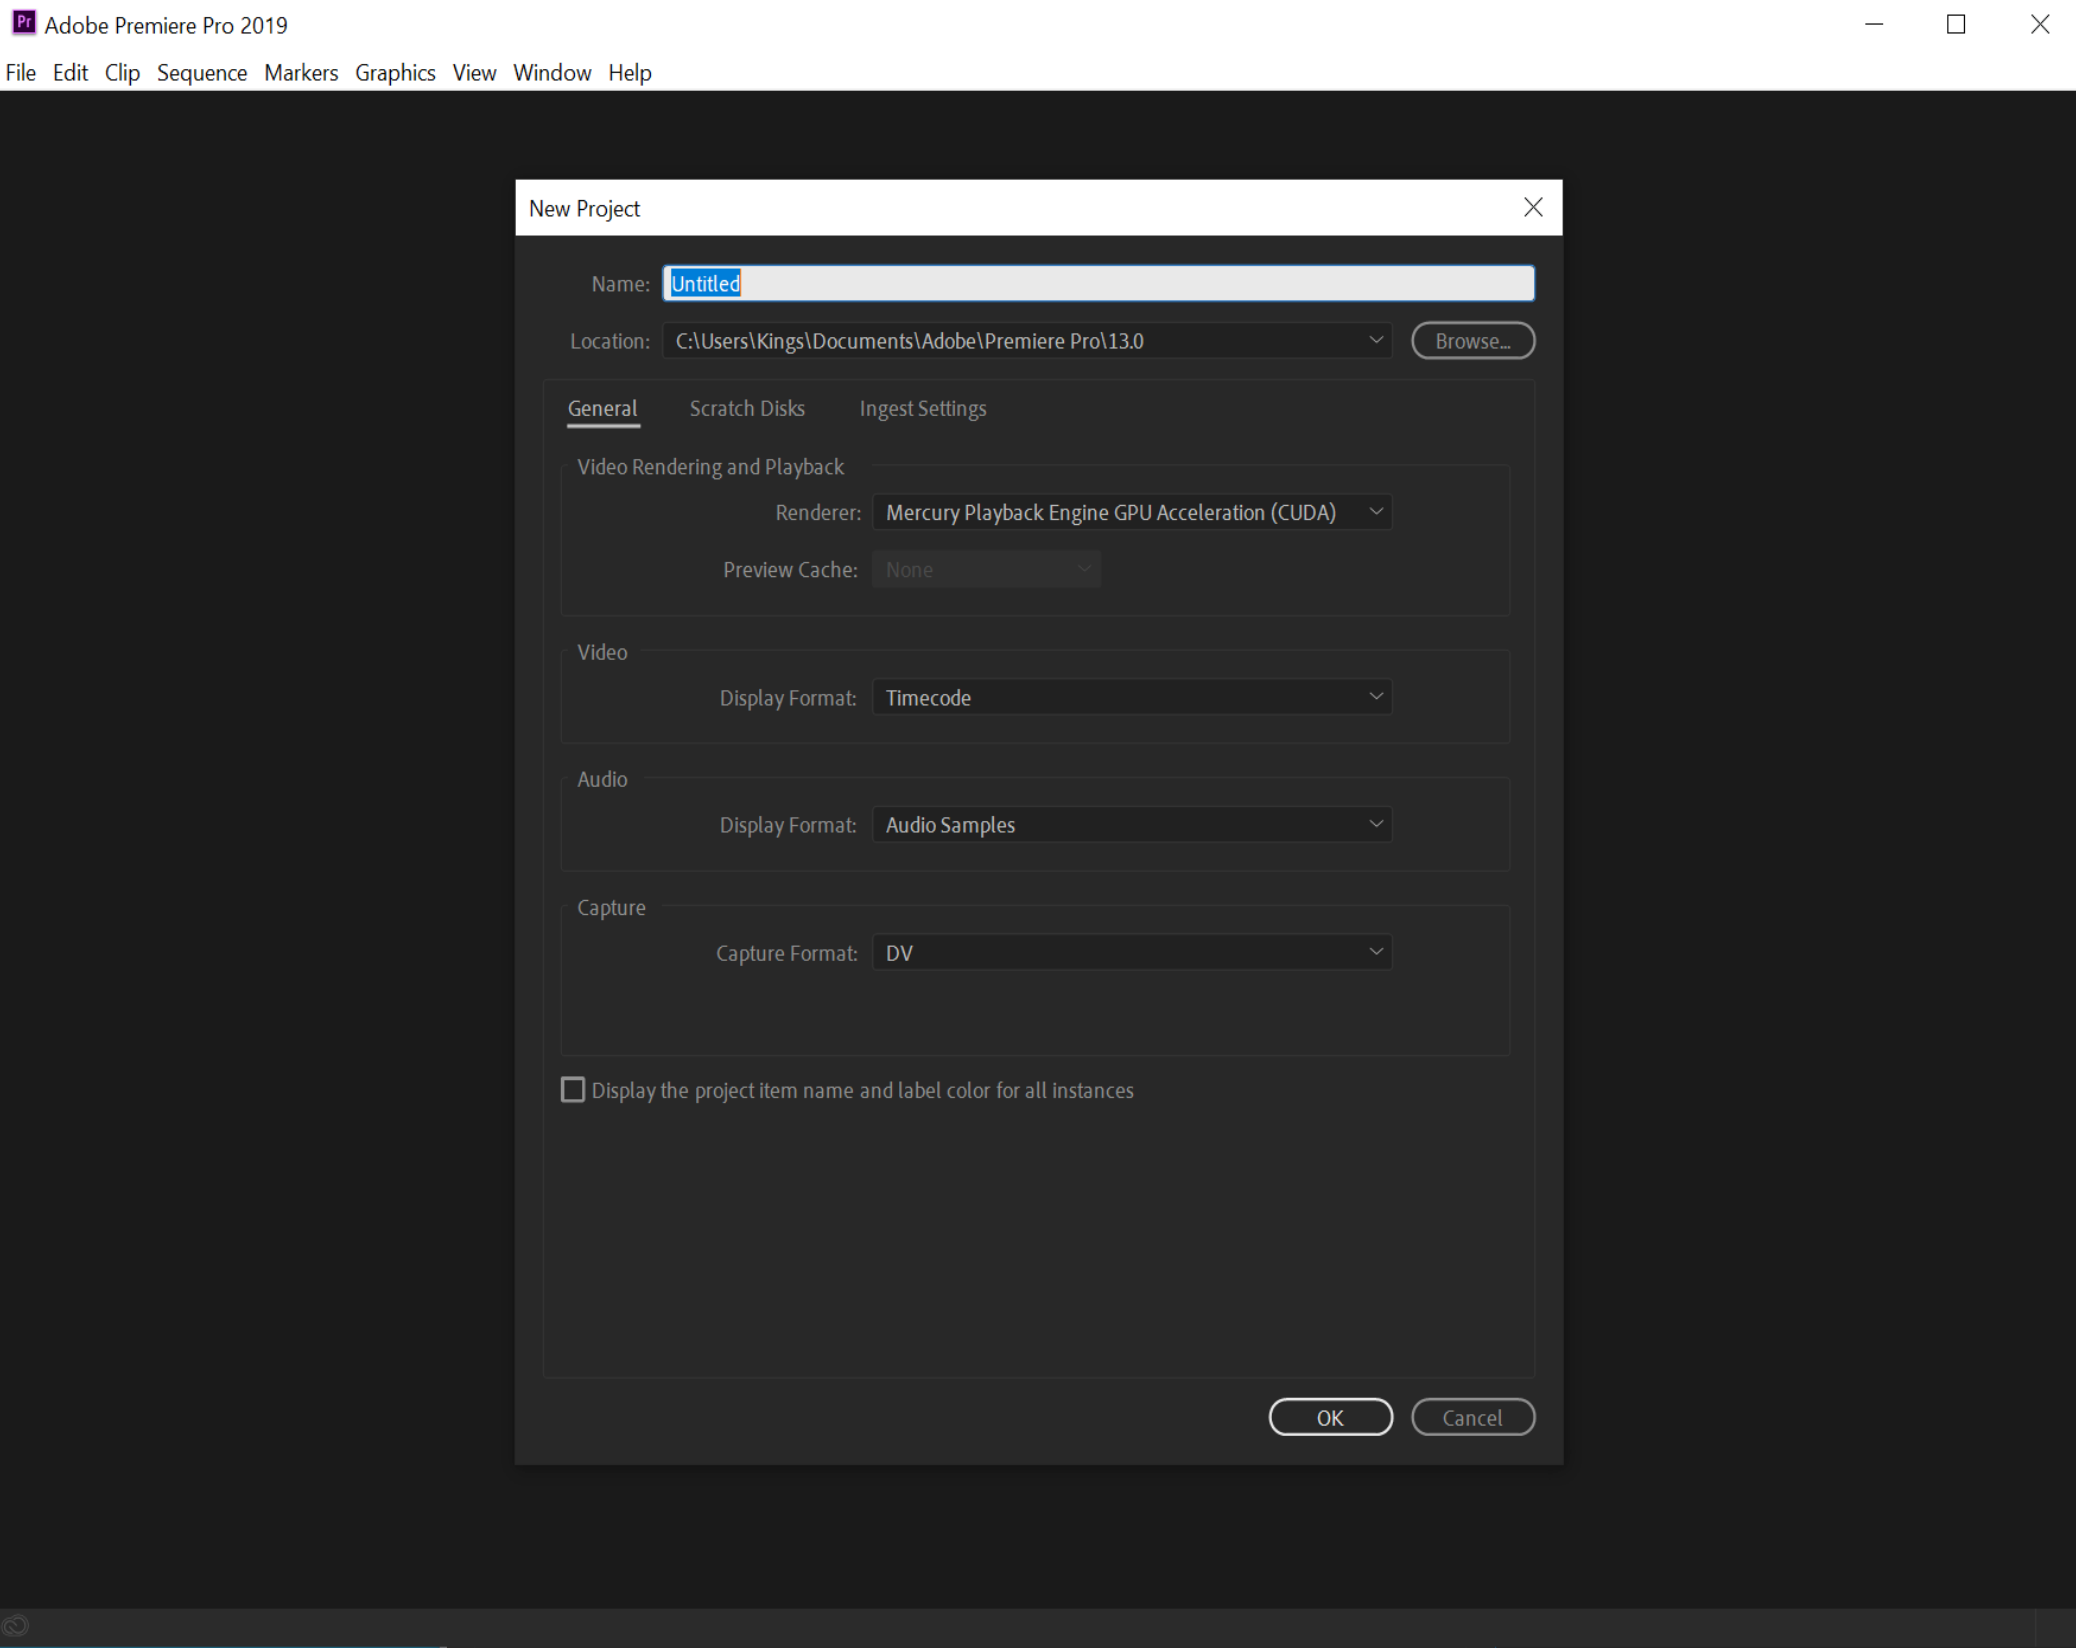

The music track used in the preview is from here.
<http://audiojungle.net/item/easter-spirit/4384519>

Instructions:-

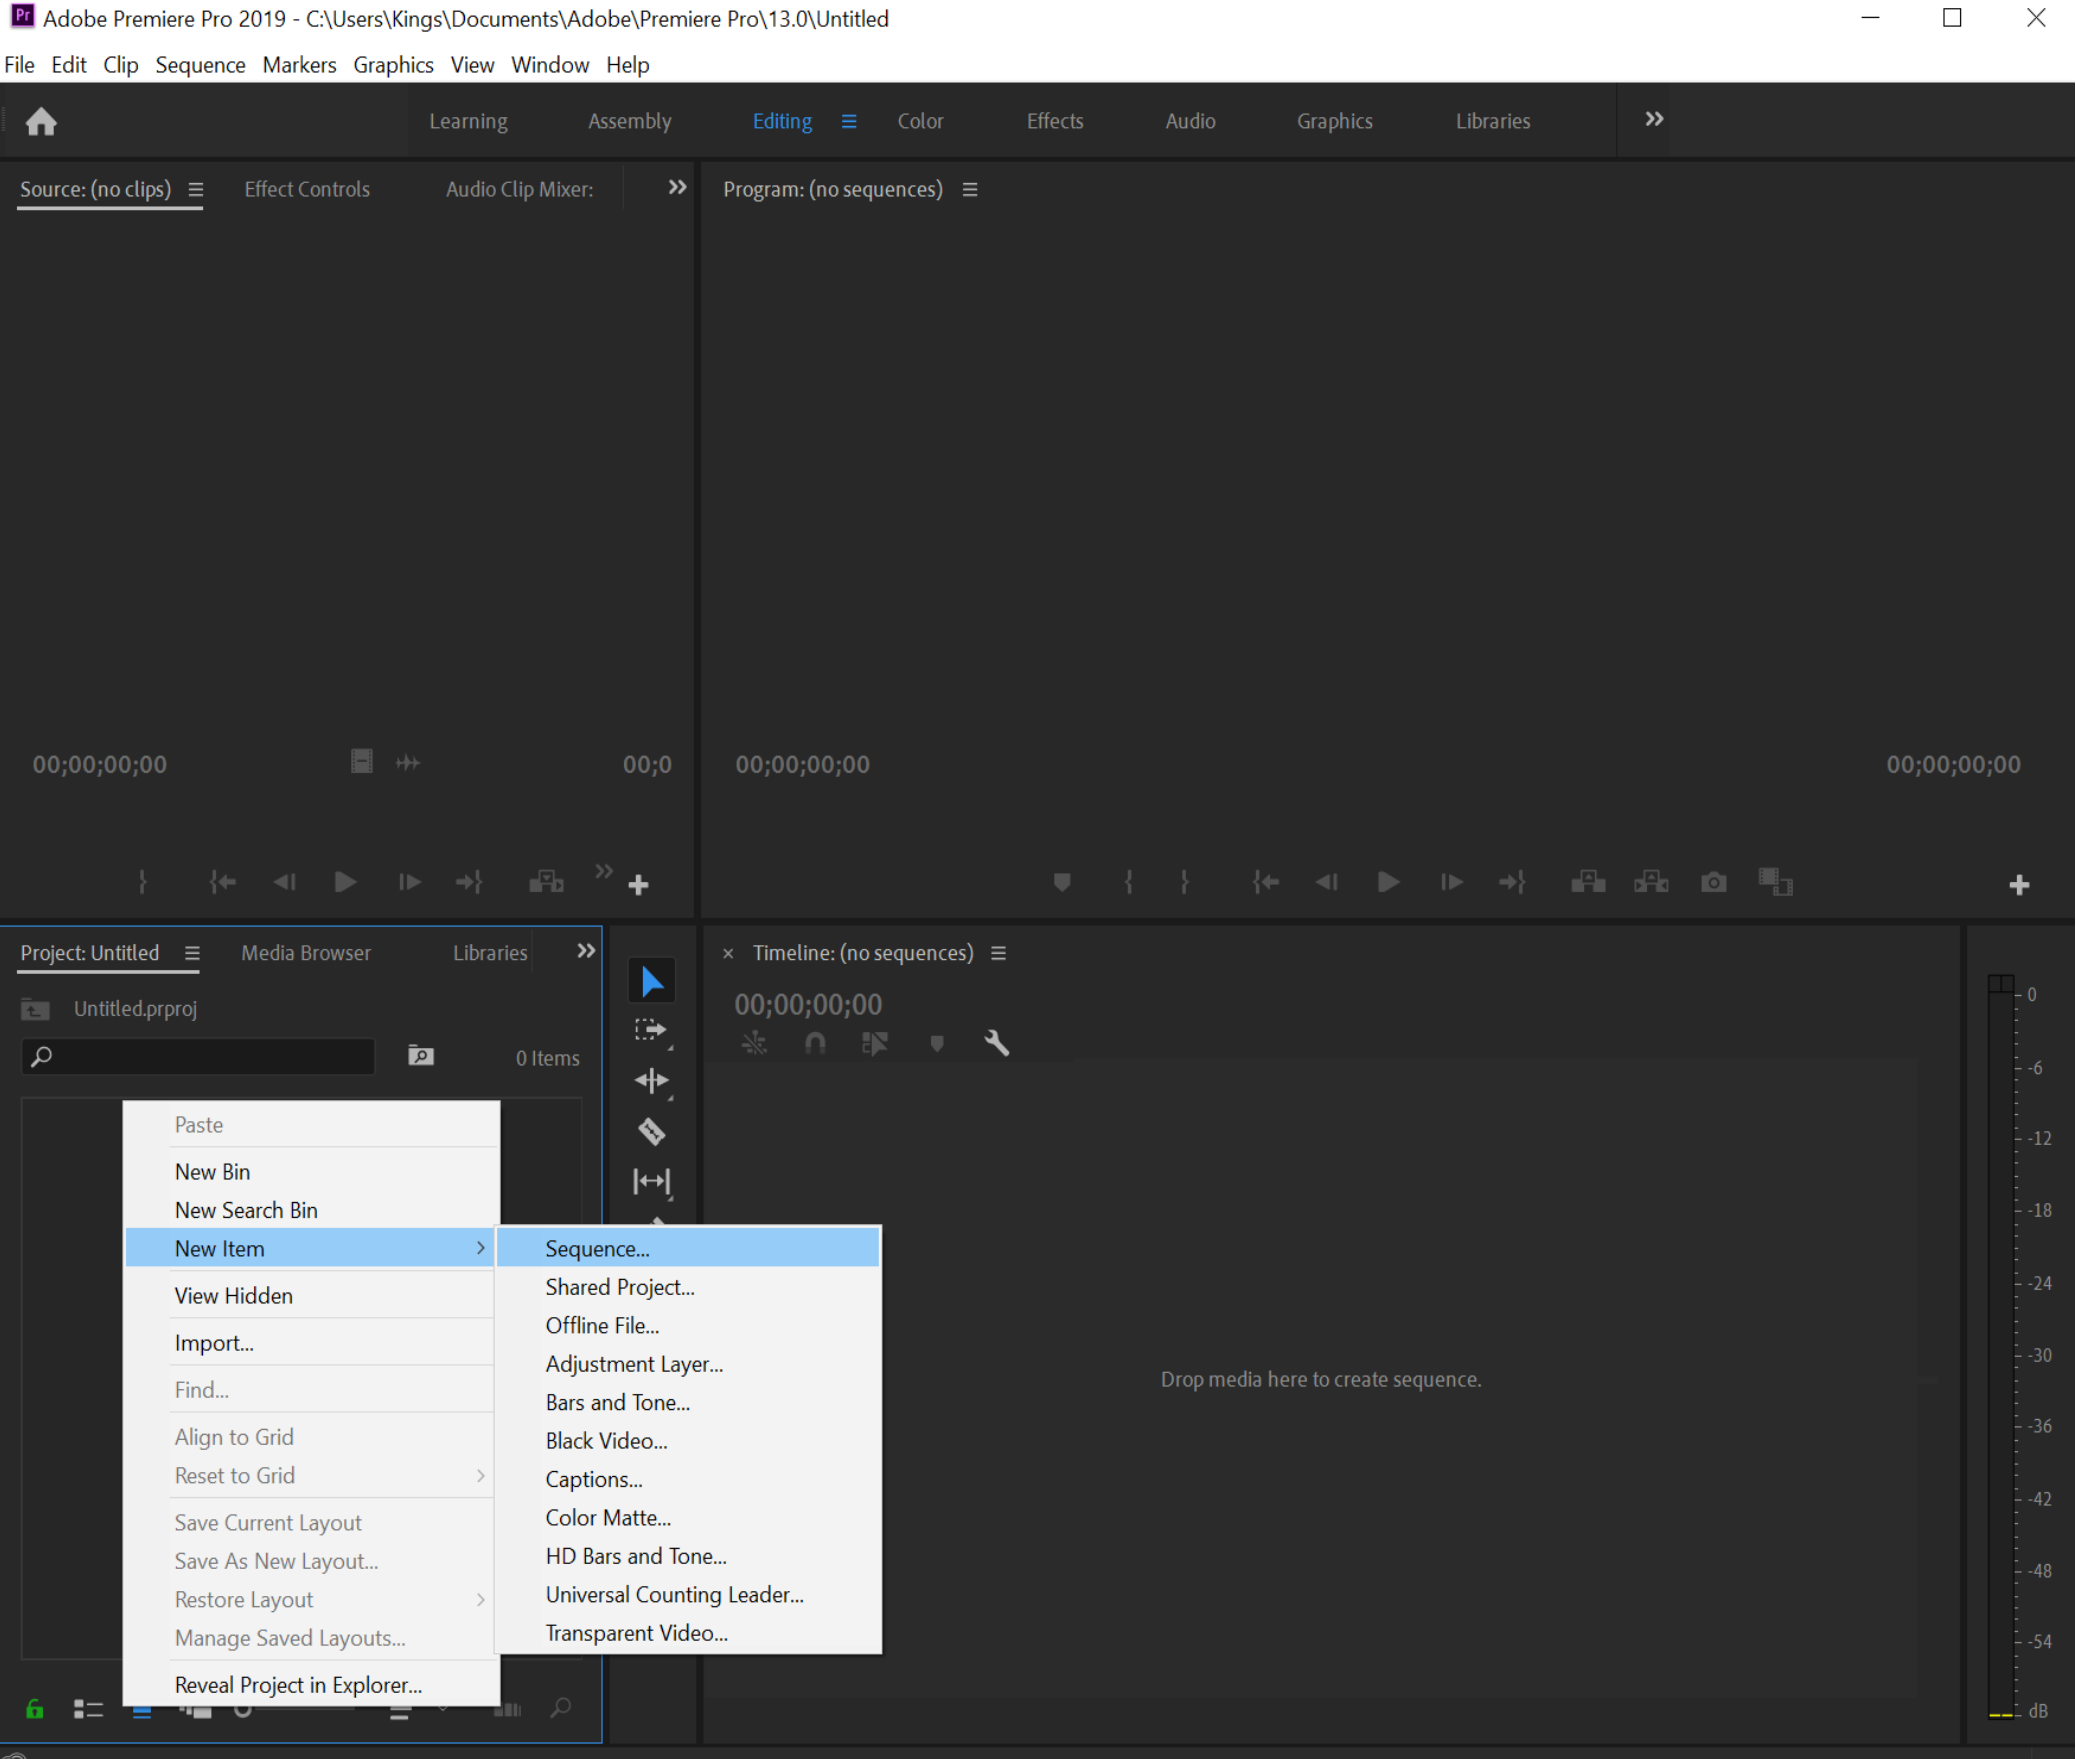

Step 1: Create a new project.

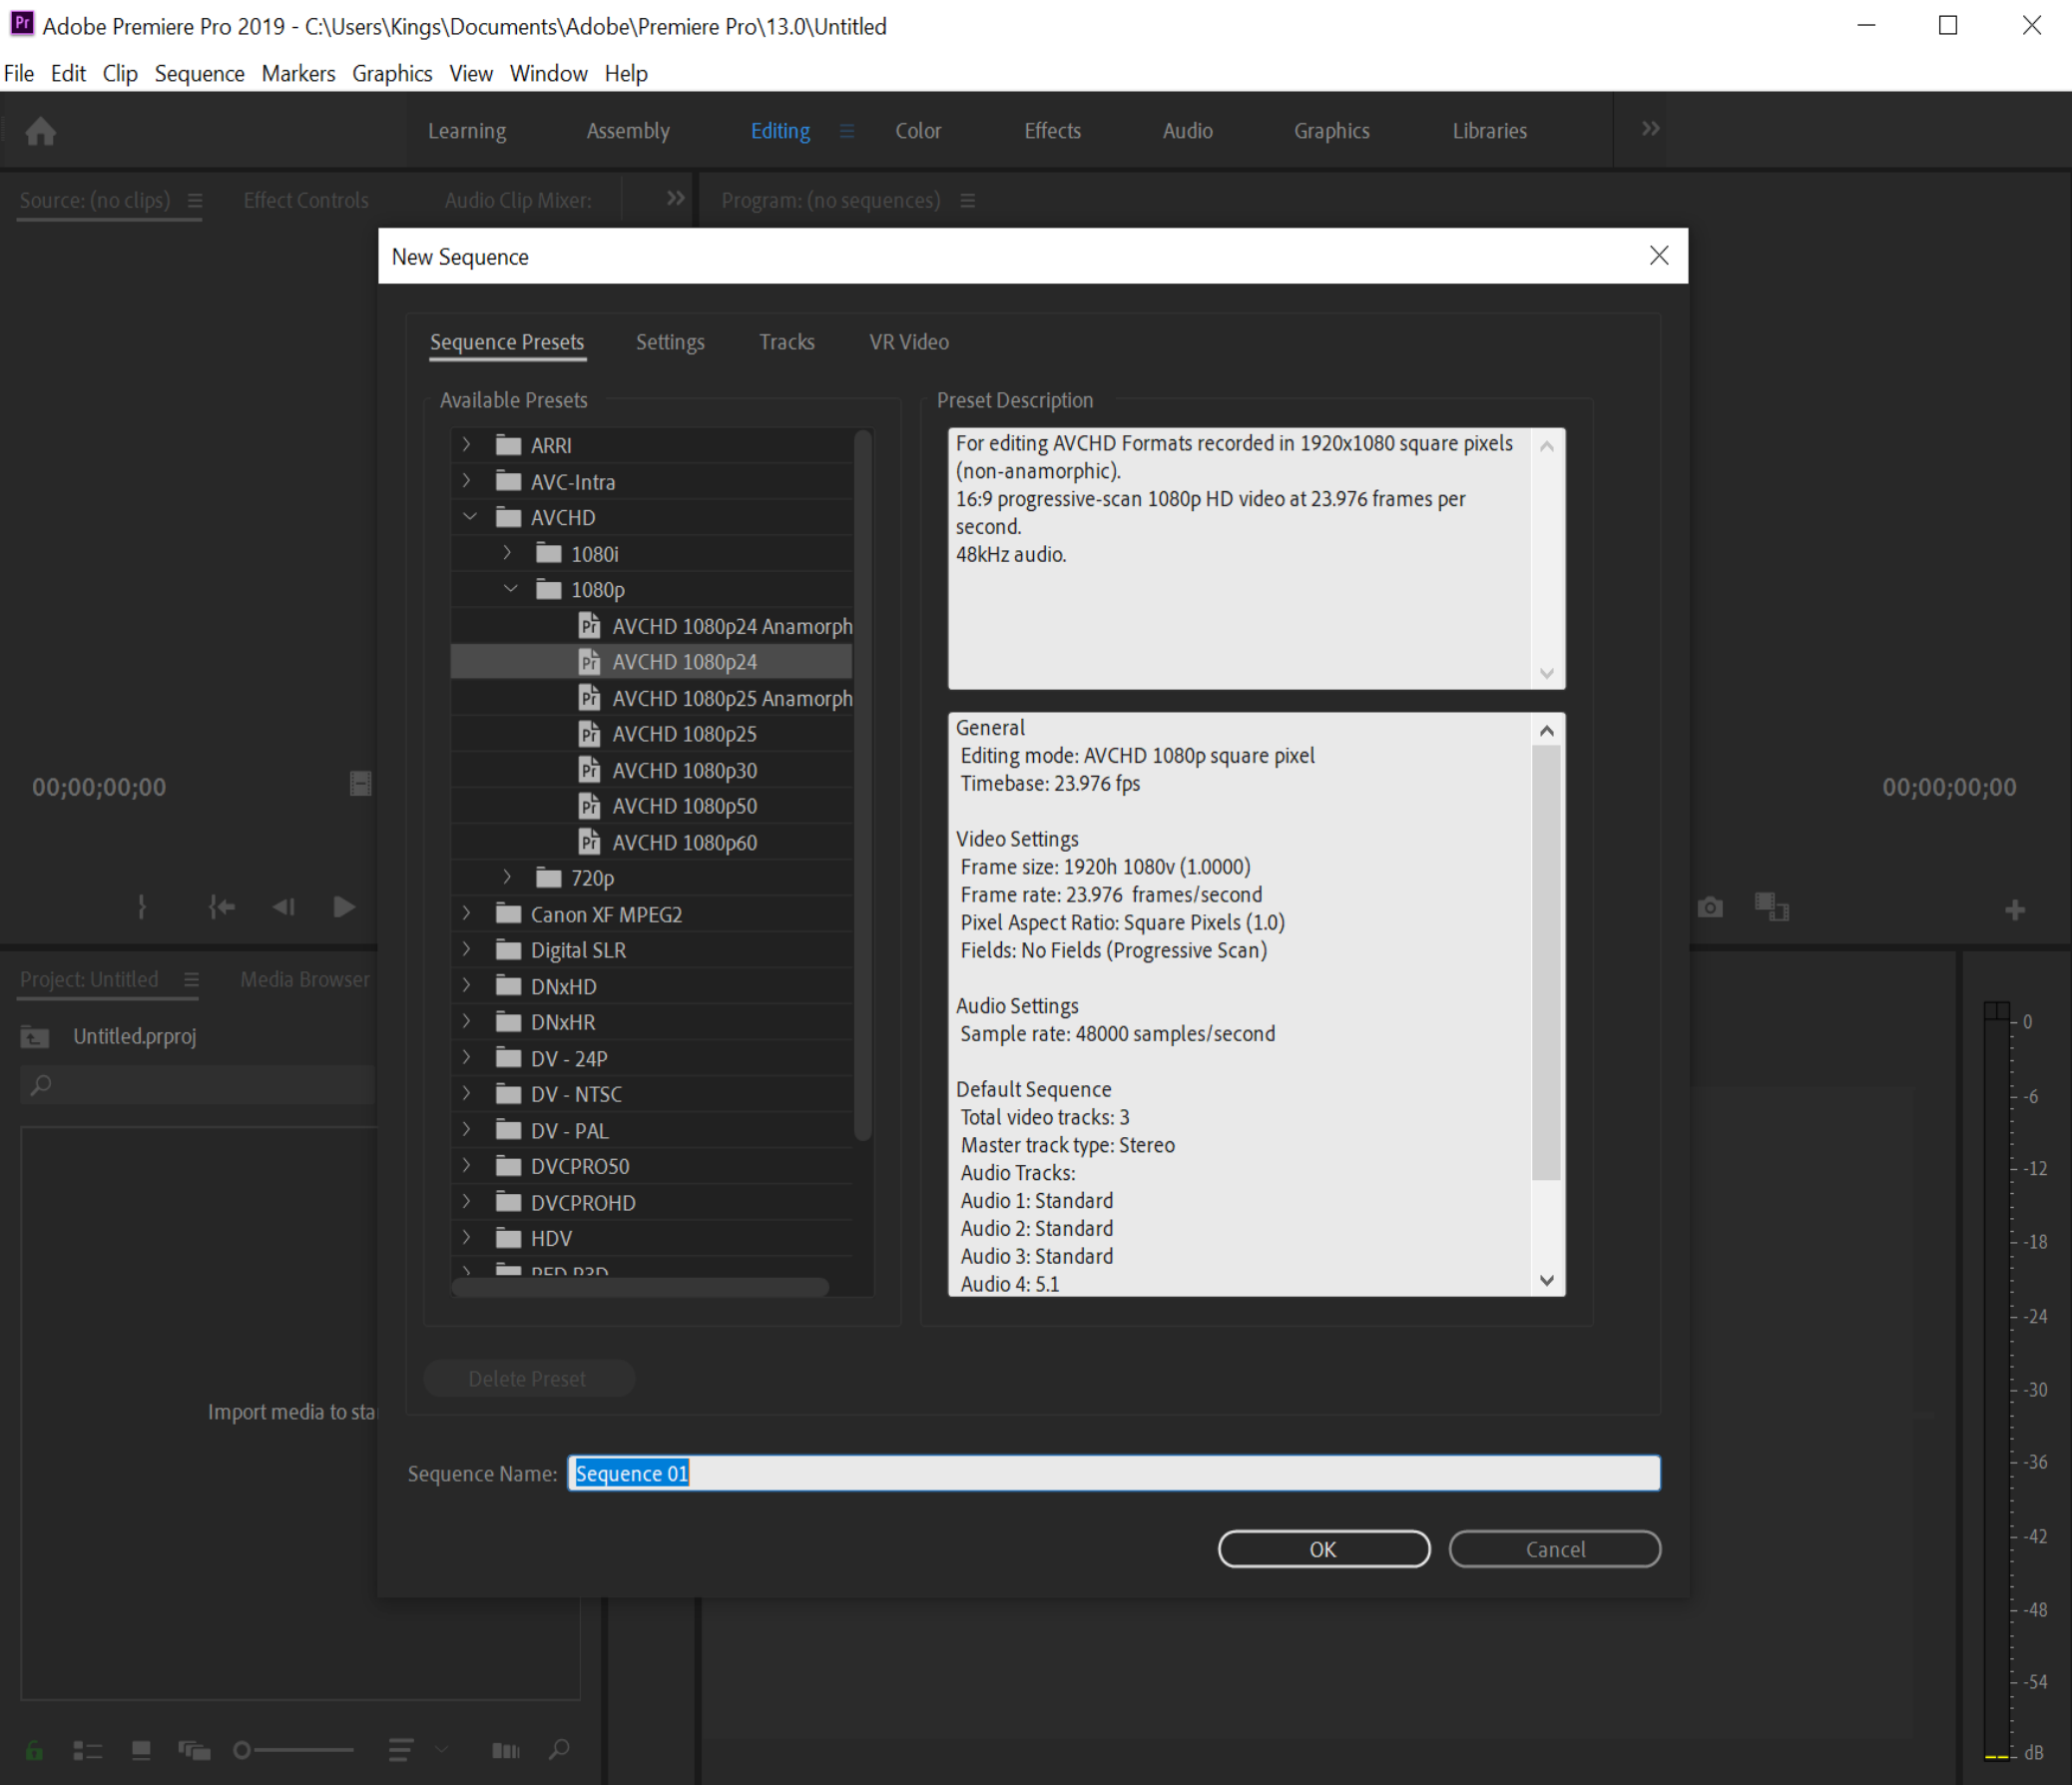

Step 2: In the new project window Add a file name and set the project location.

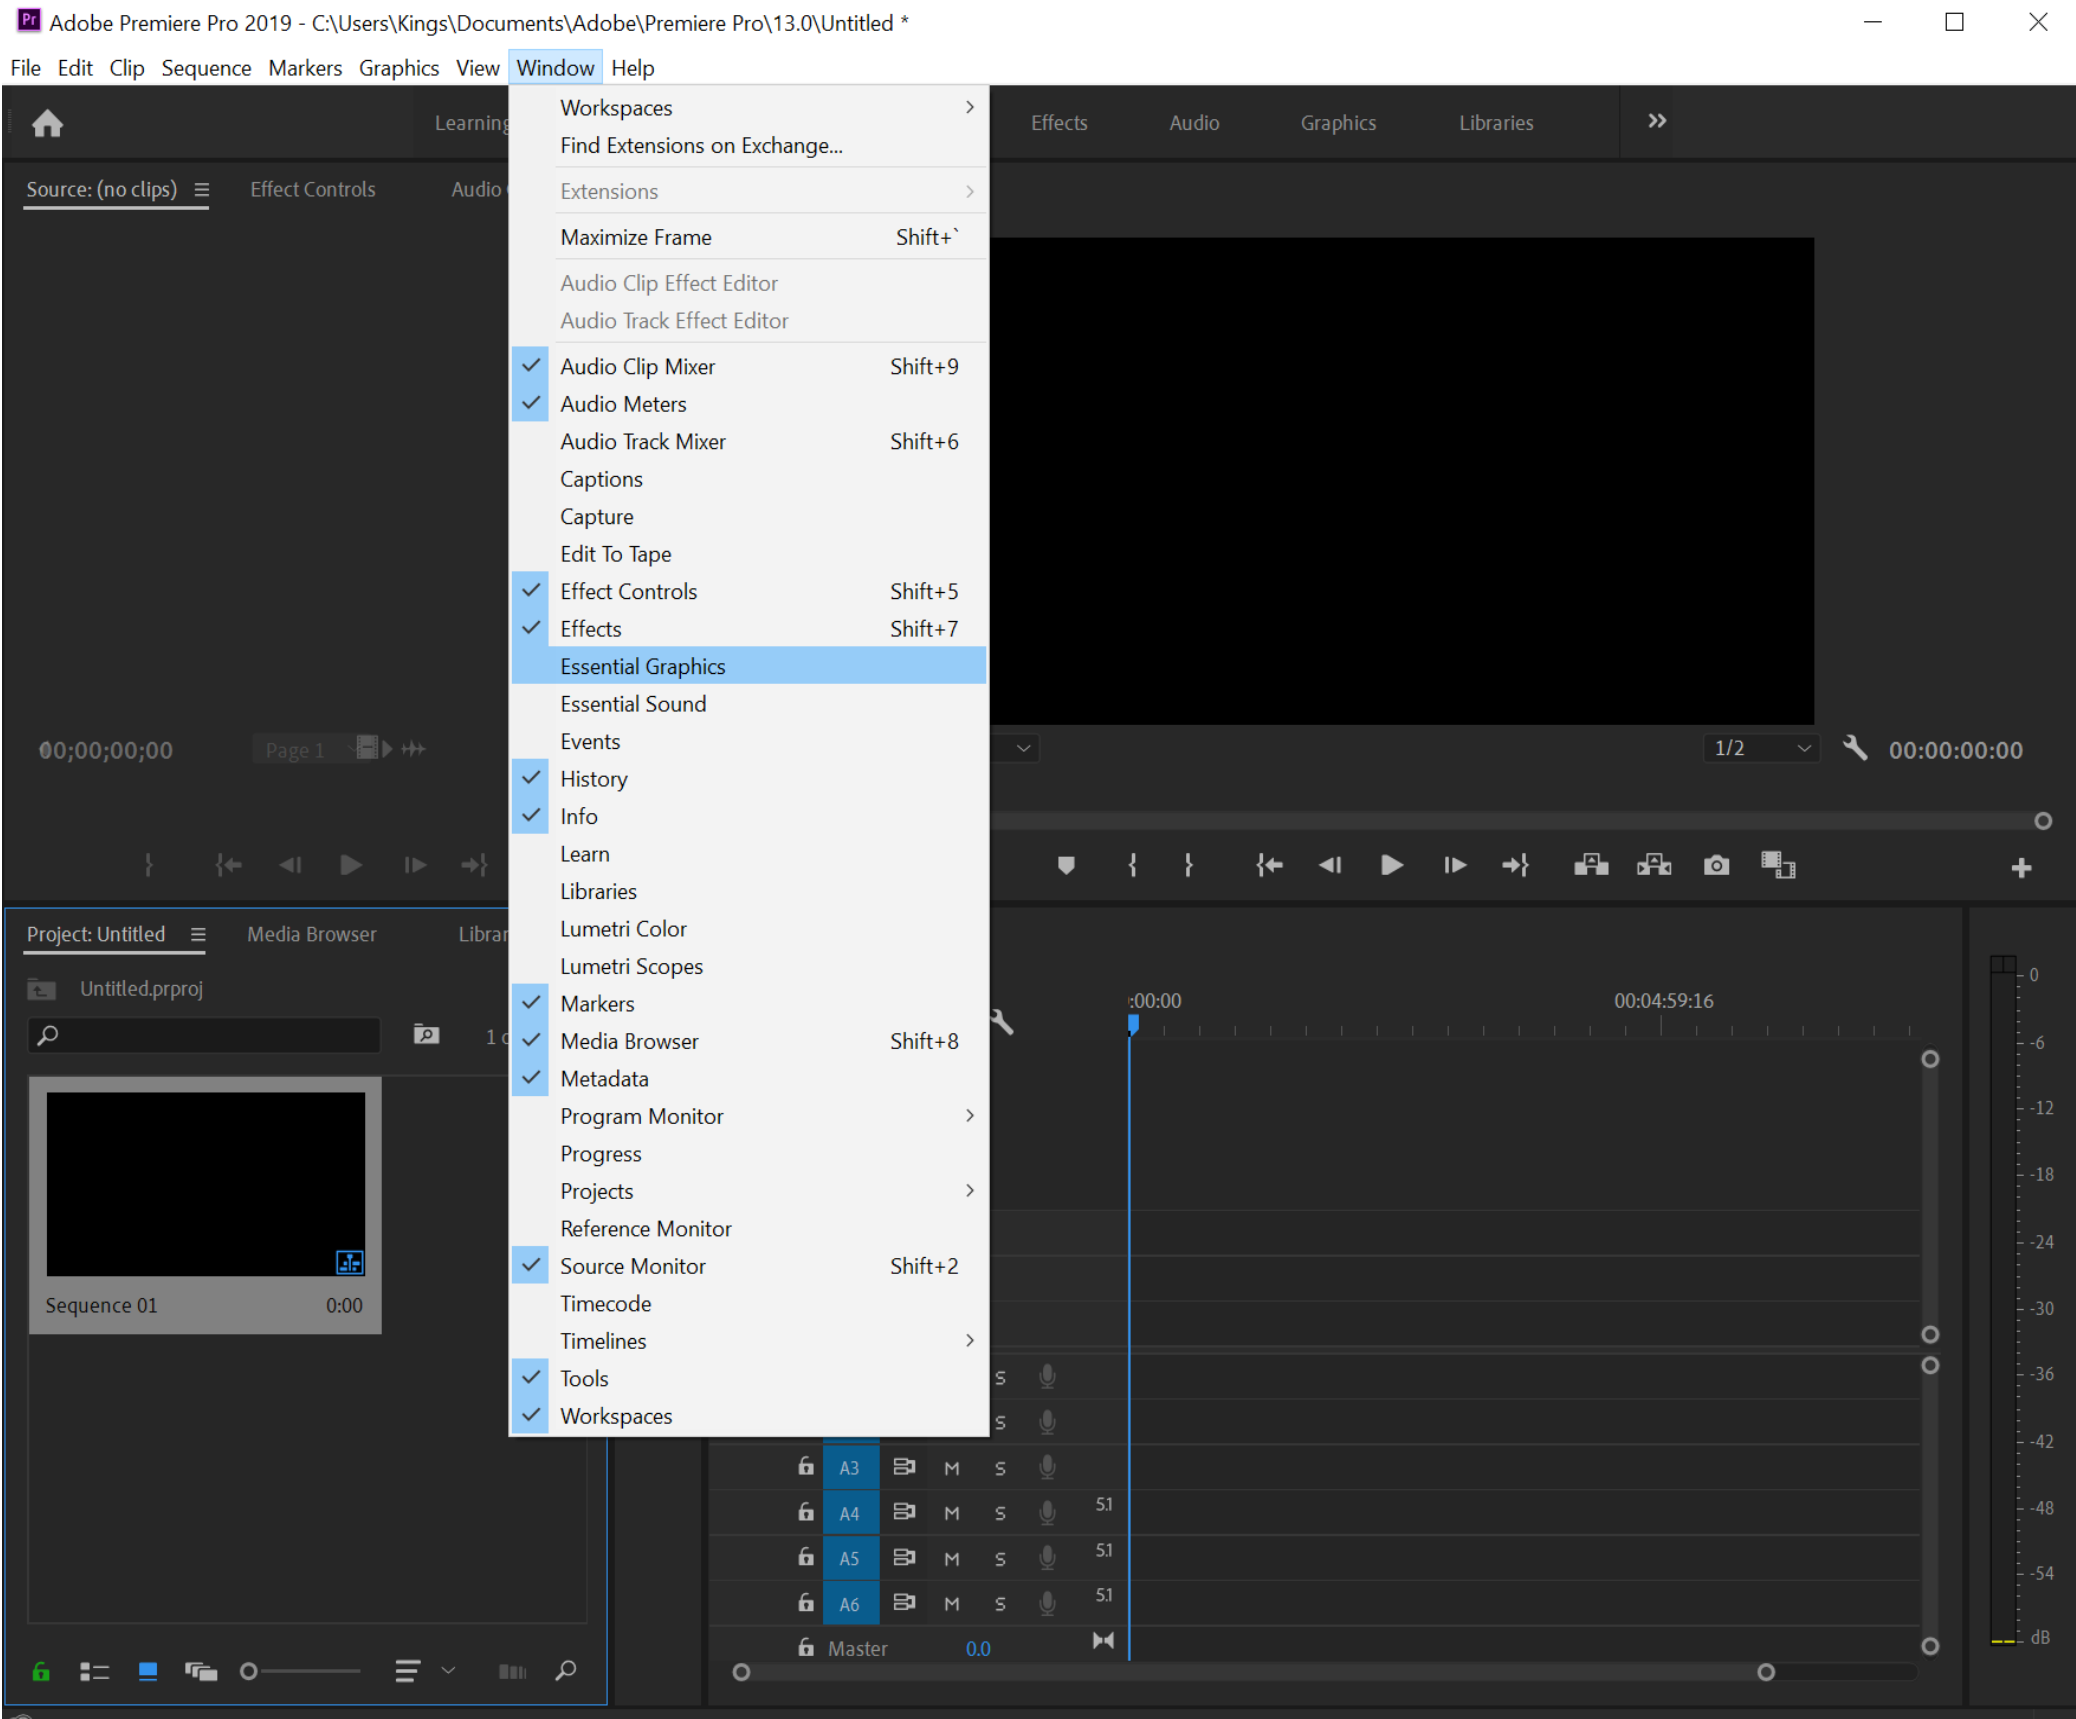

Step 3:Create a new Sequence Item in the Project panel.

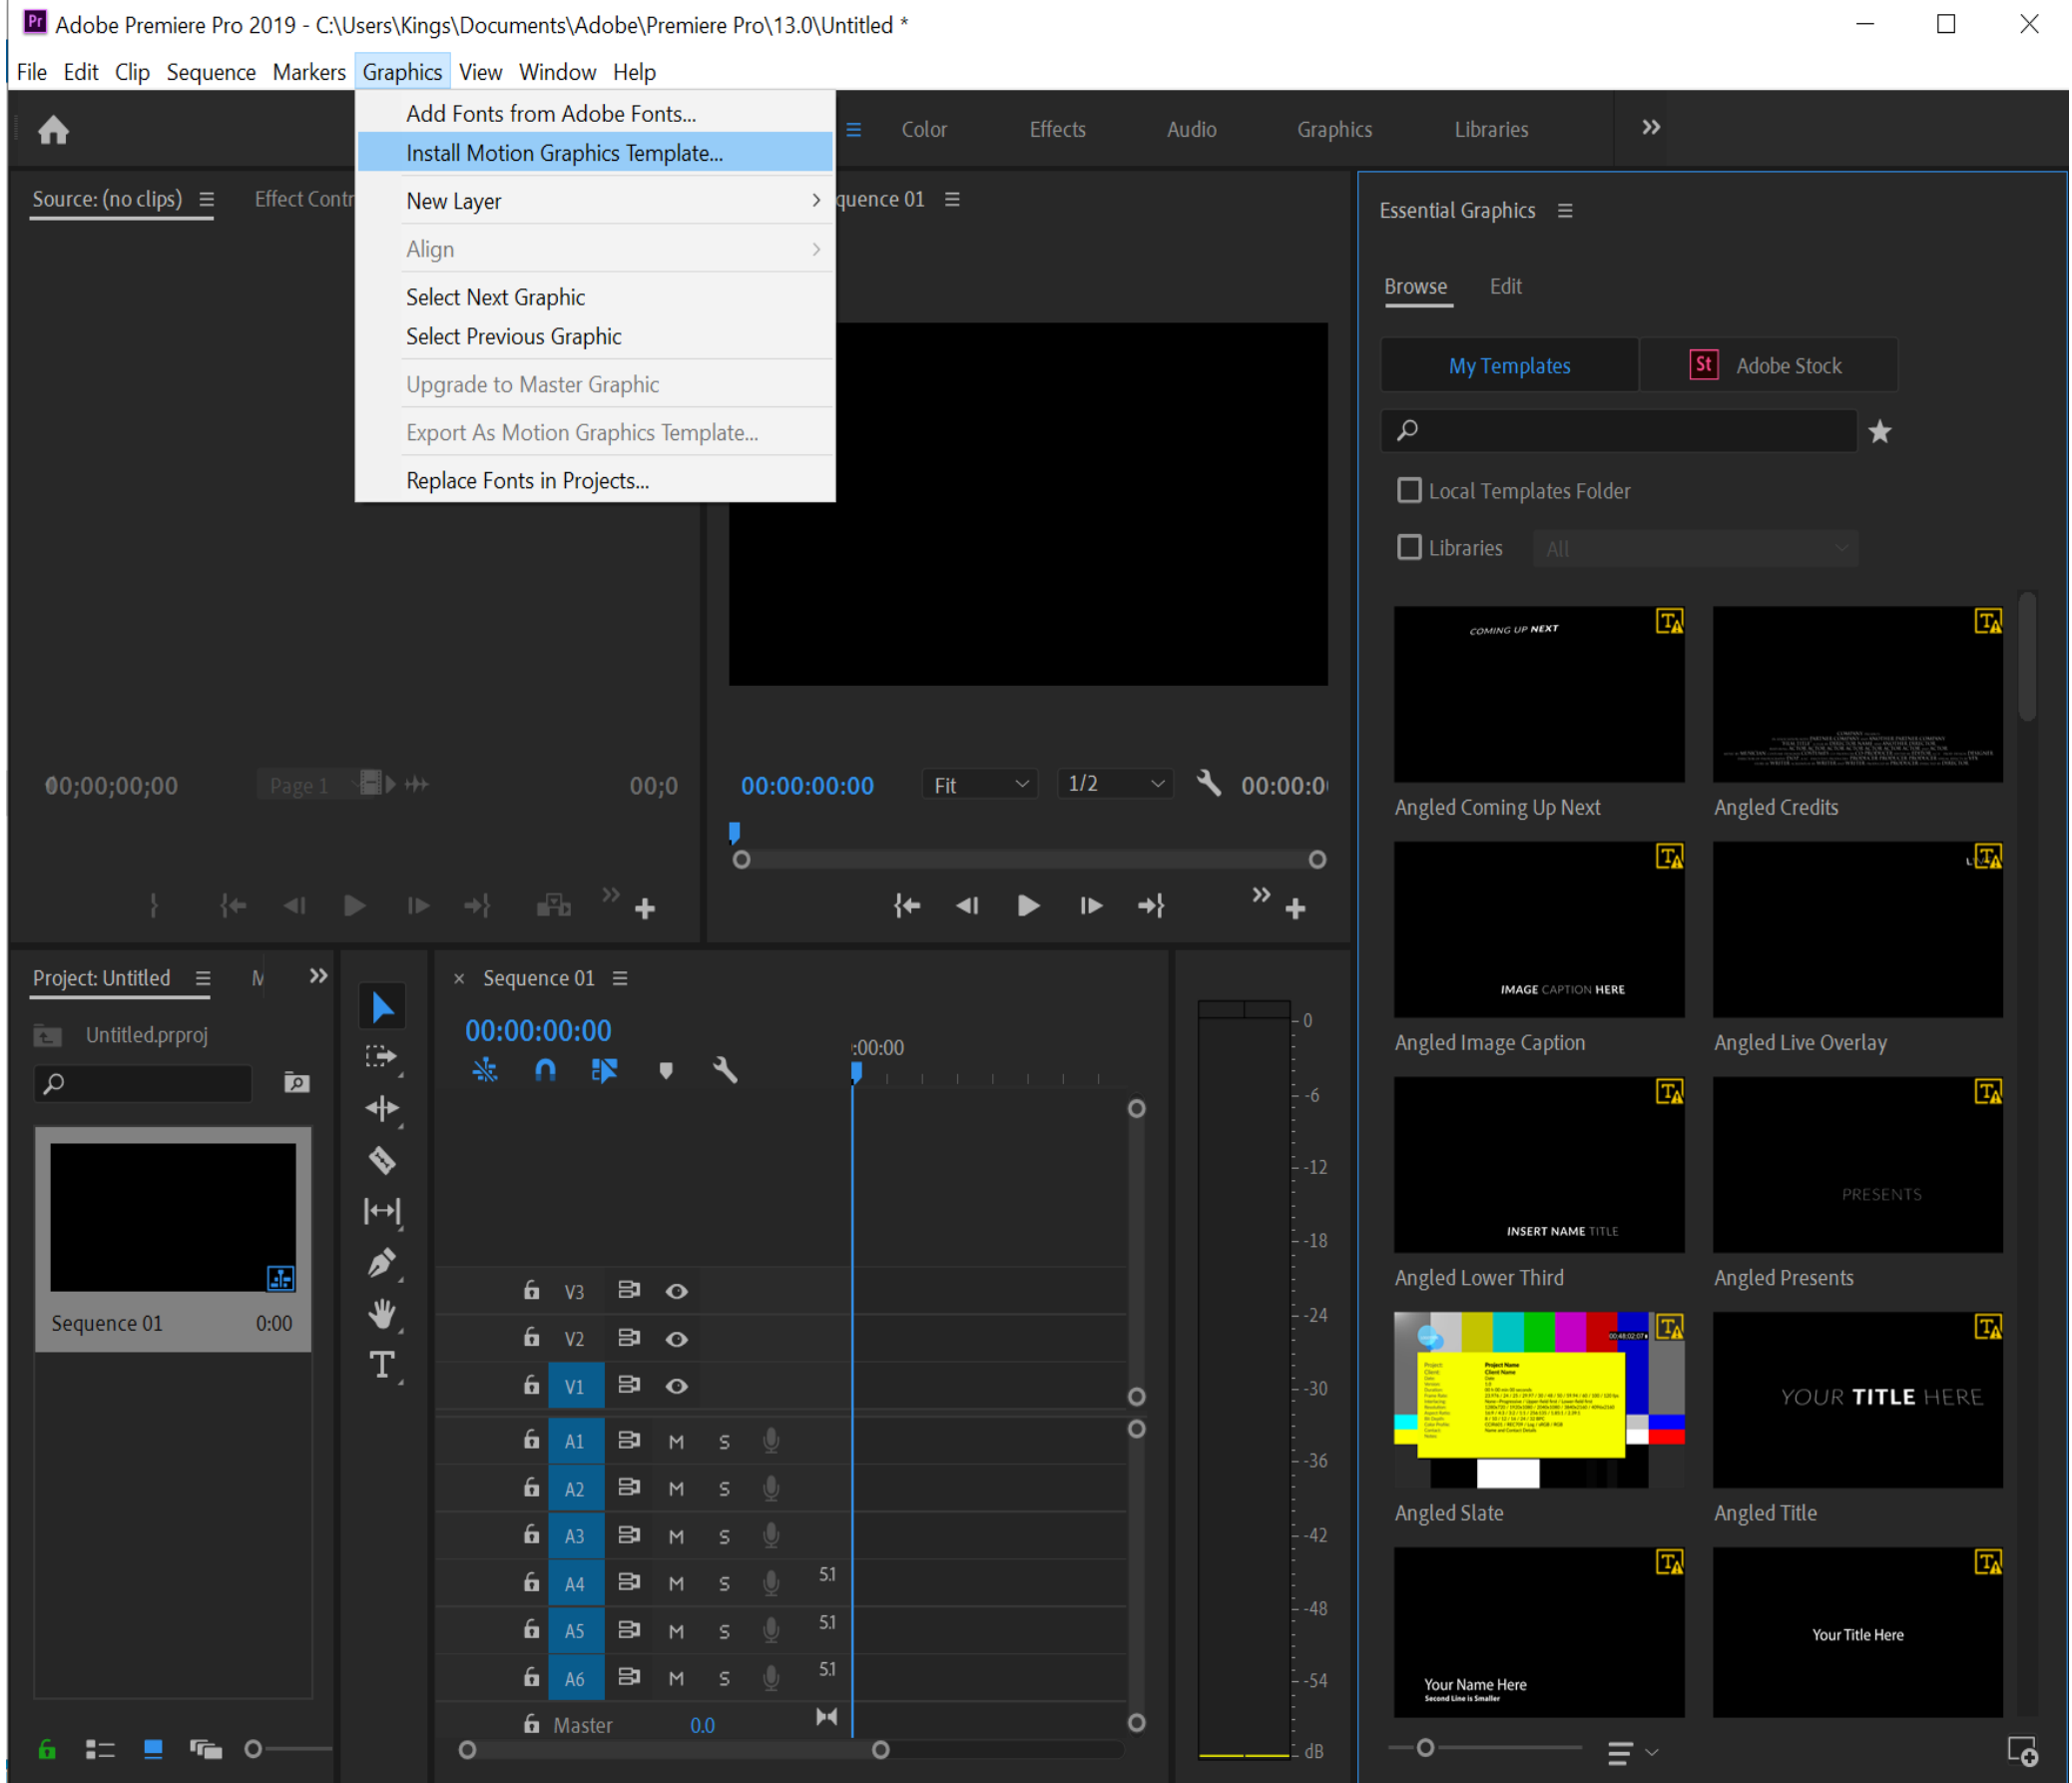

Step 4:Setup the Sequence settings to any HD format.

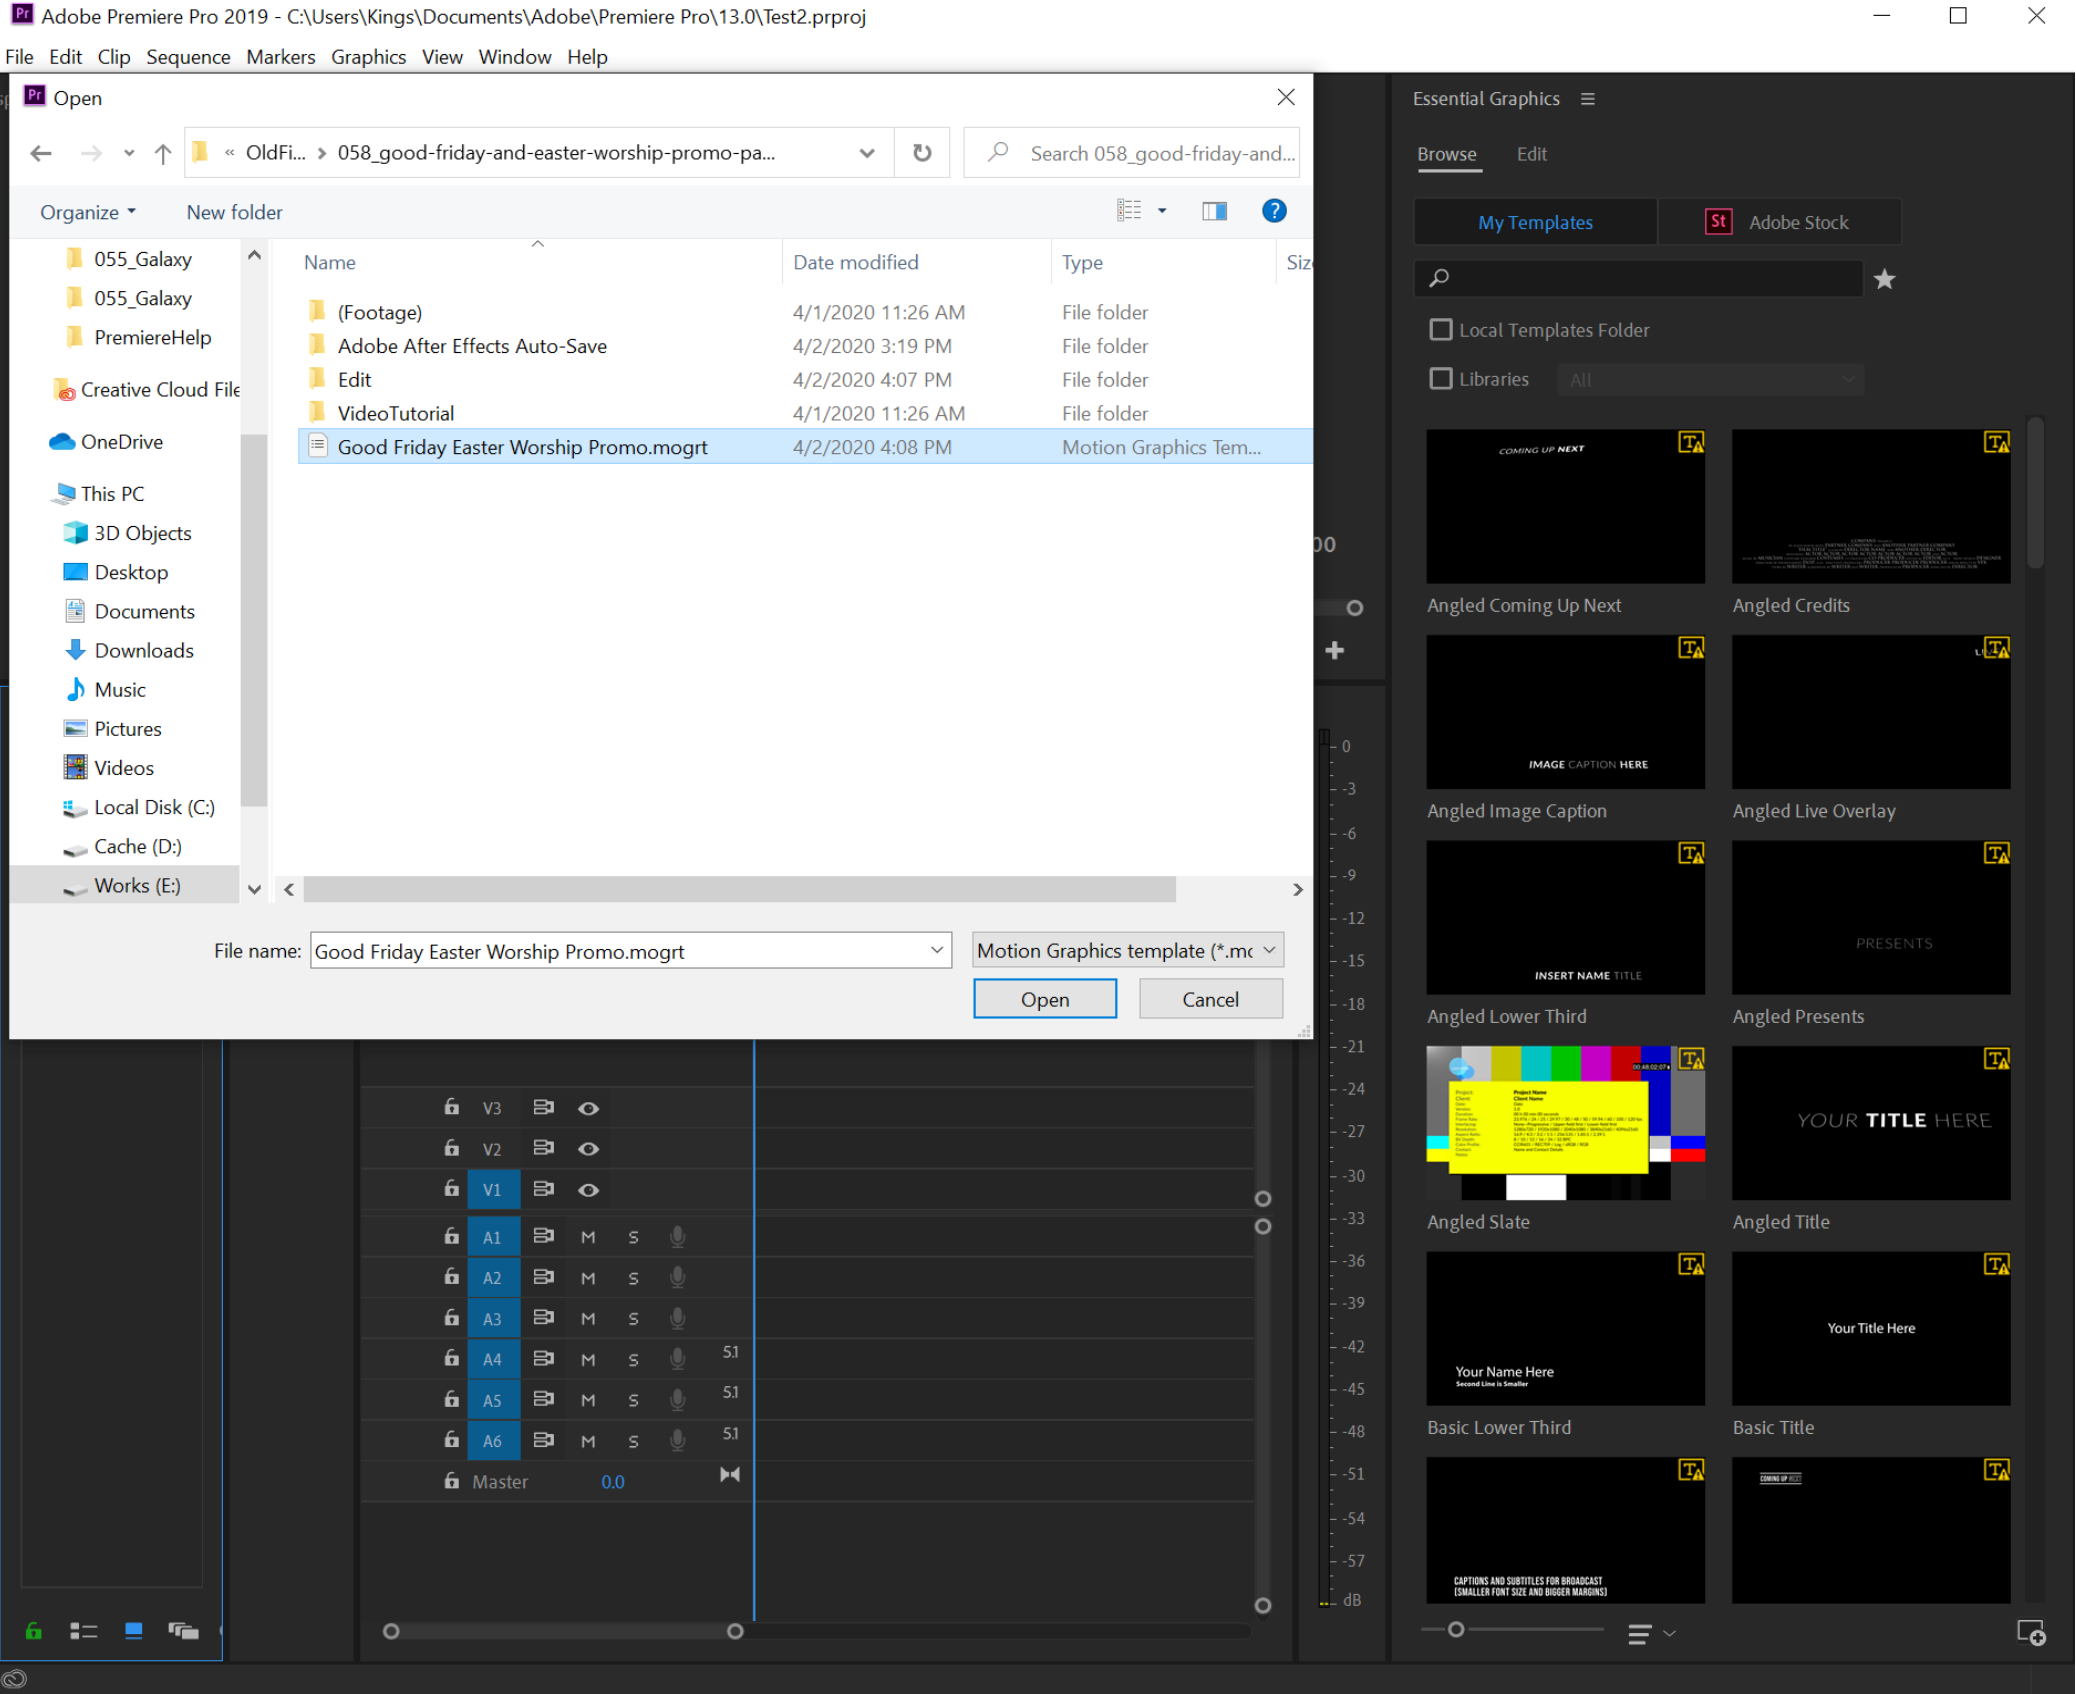

Step 5: If your Essaential Graphics panel is not Open, Open it by select it from Window Menu.

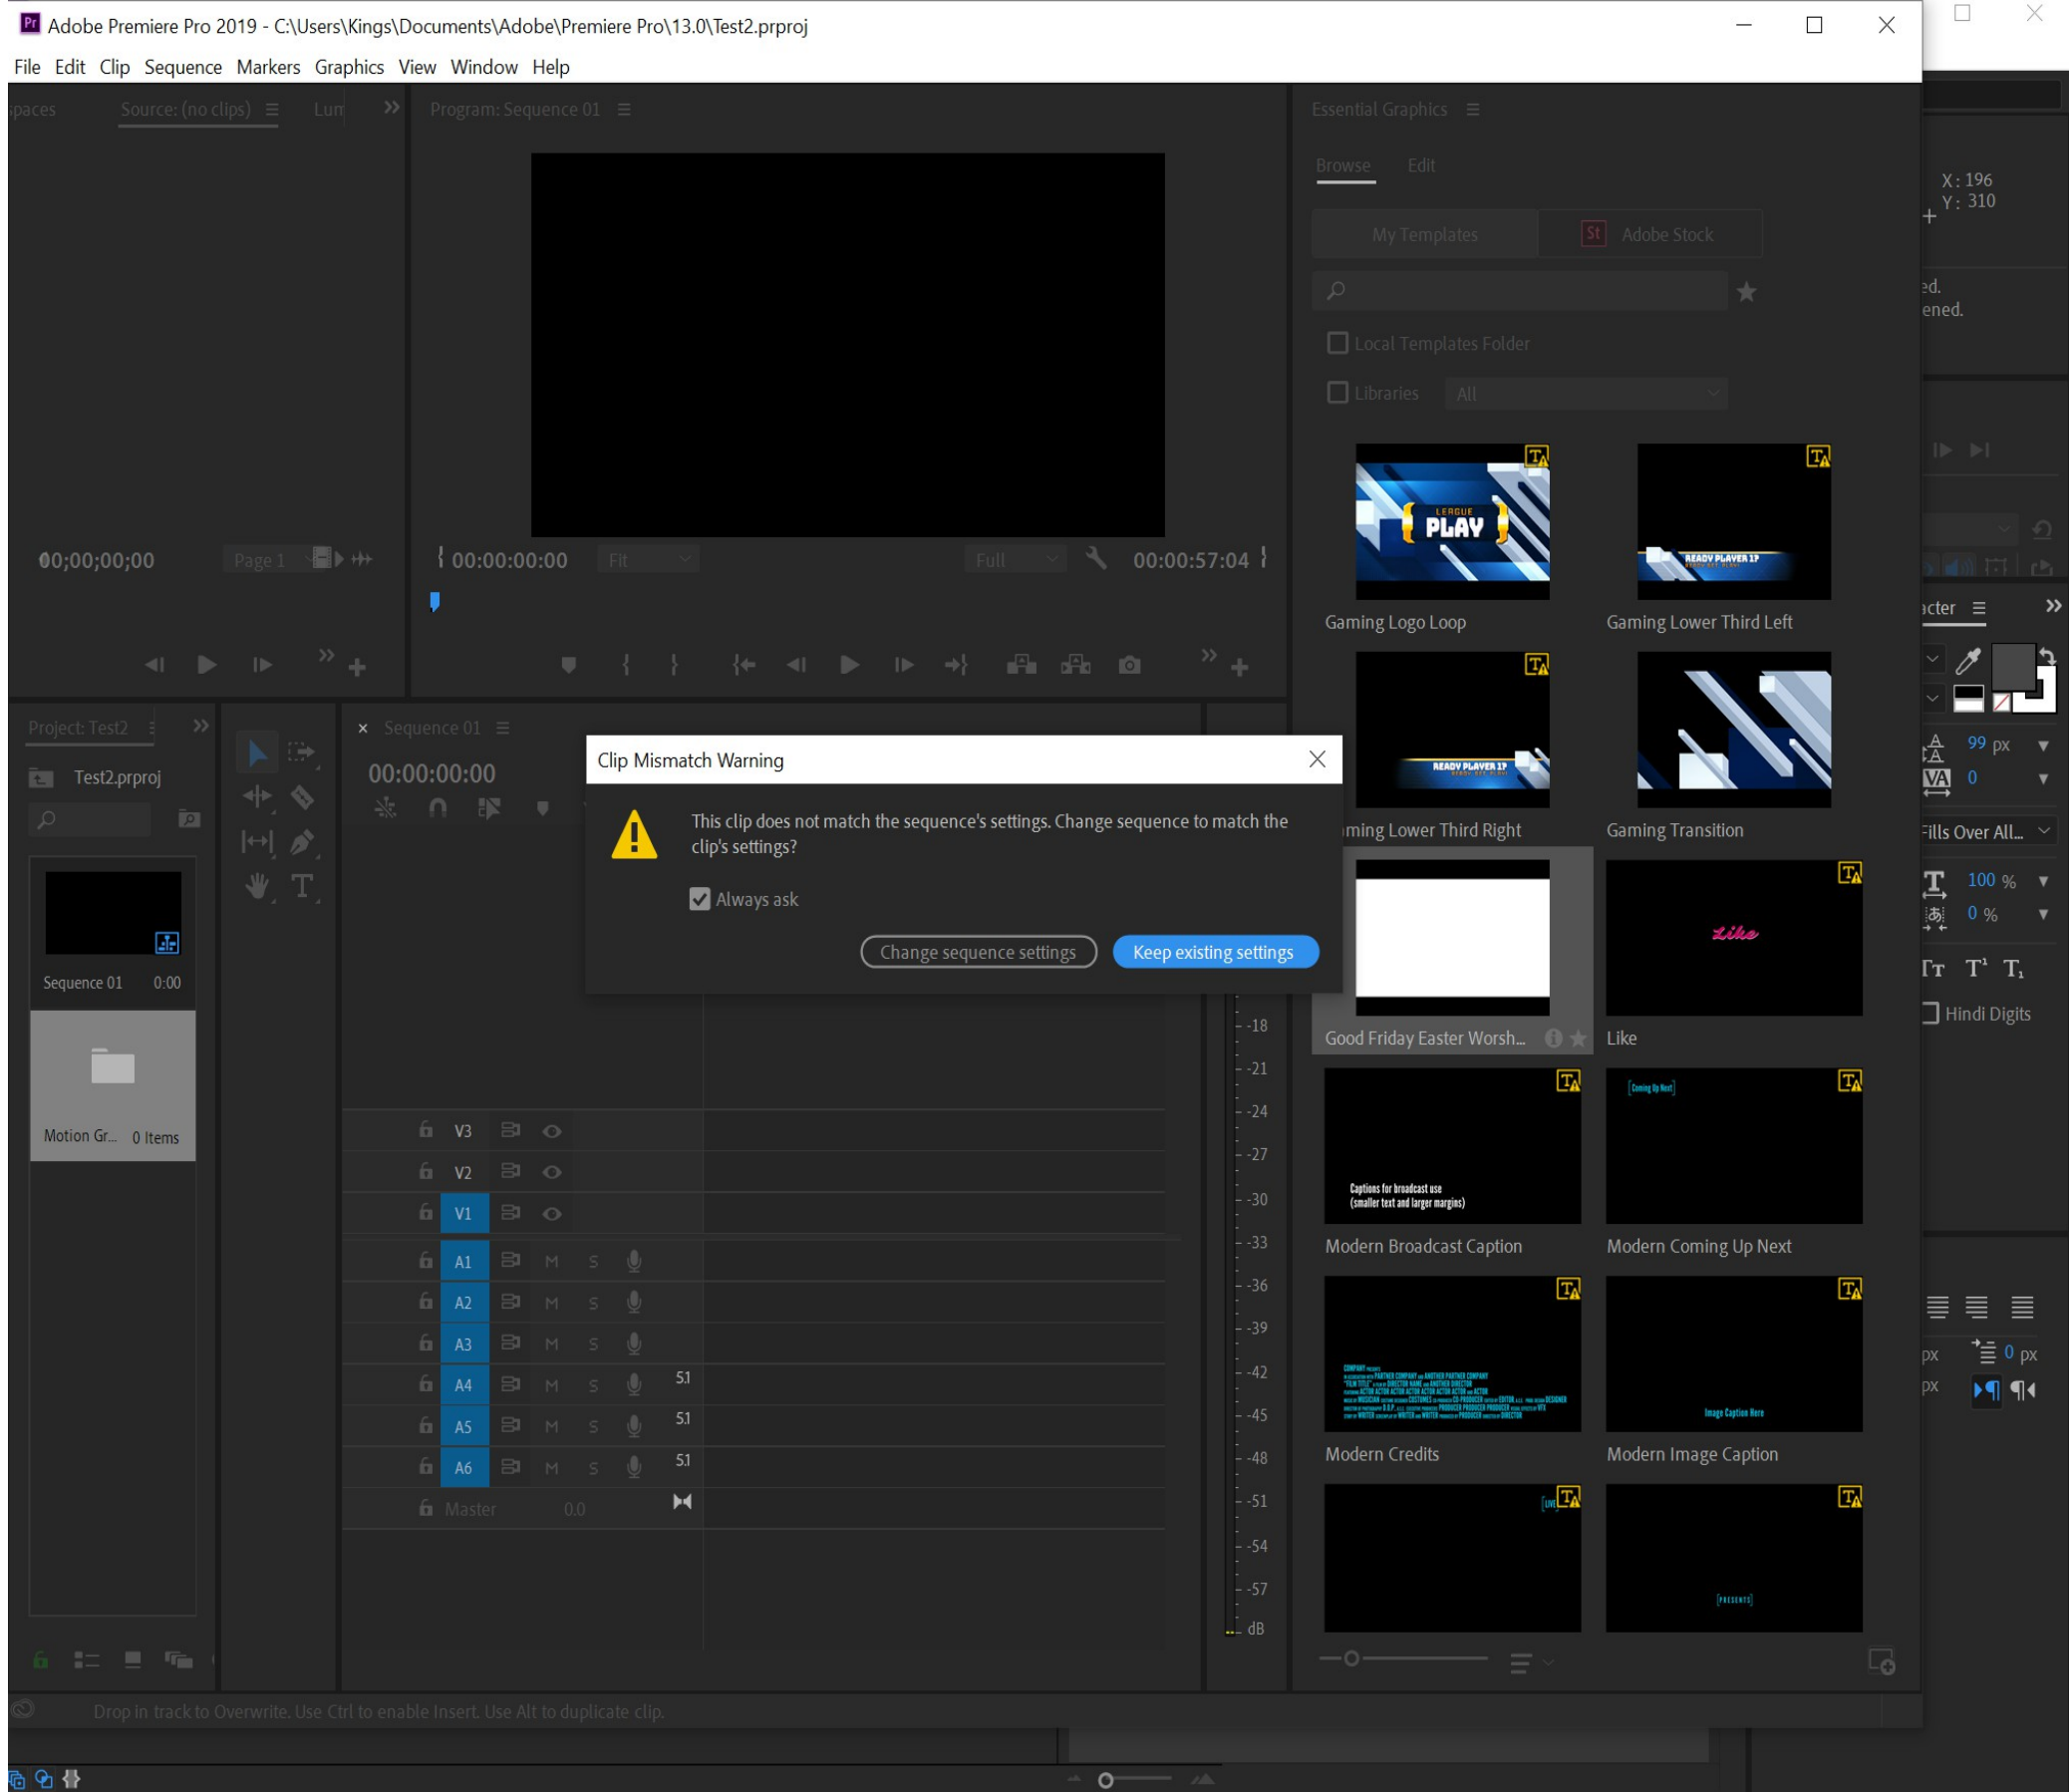

Step 6: From the graphics menu select "Install Motion Graphics Template"

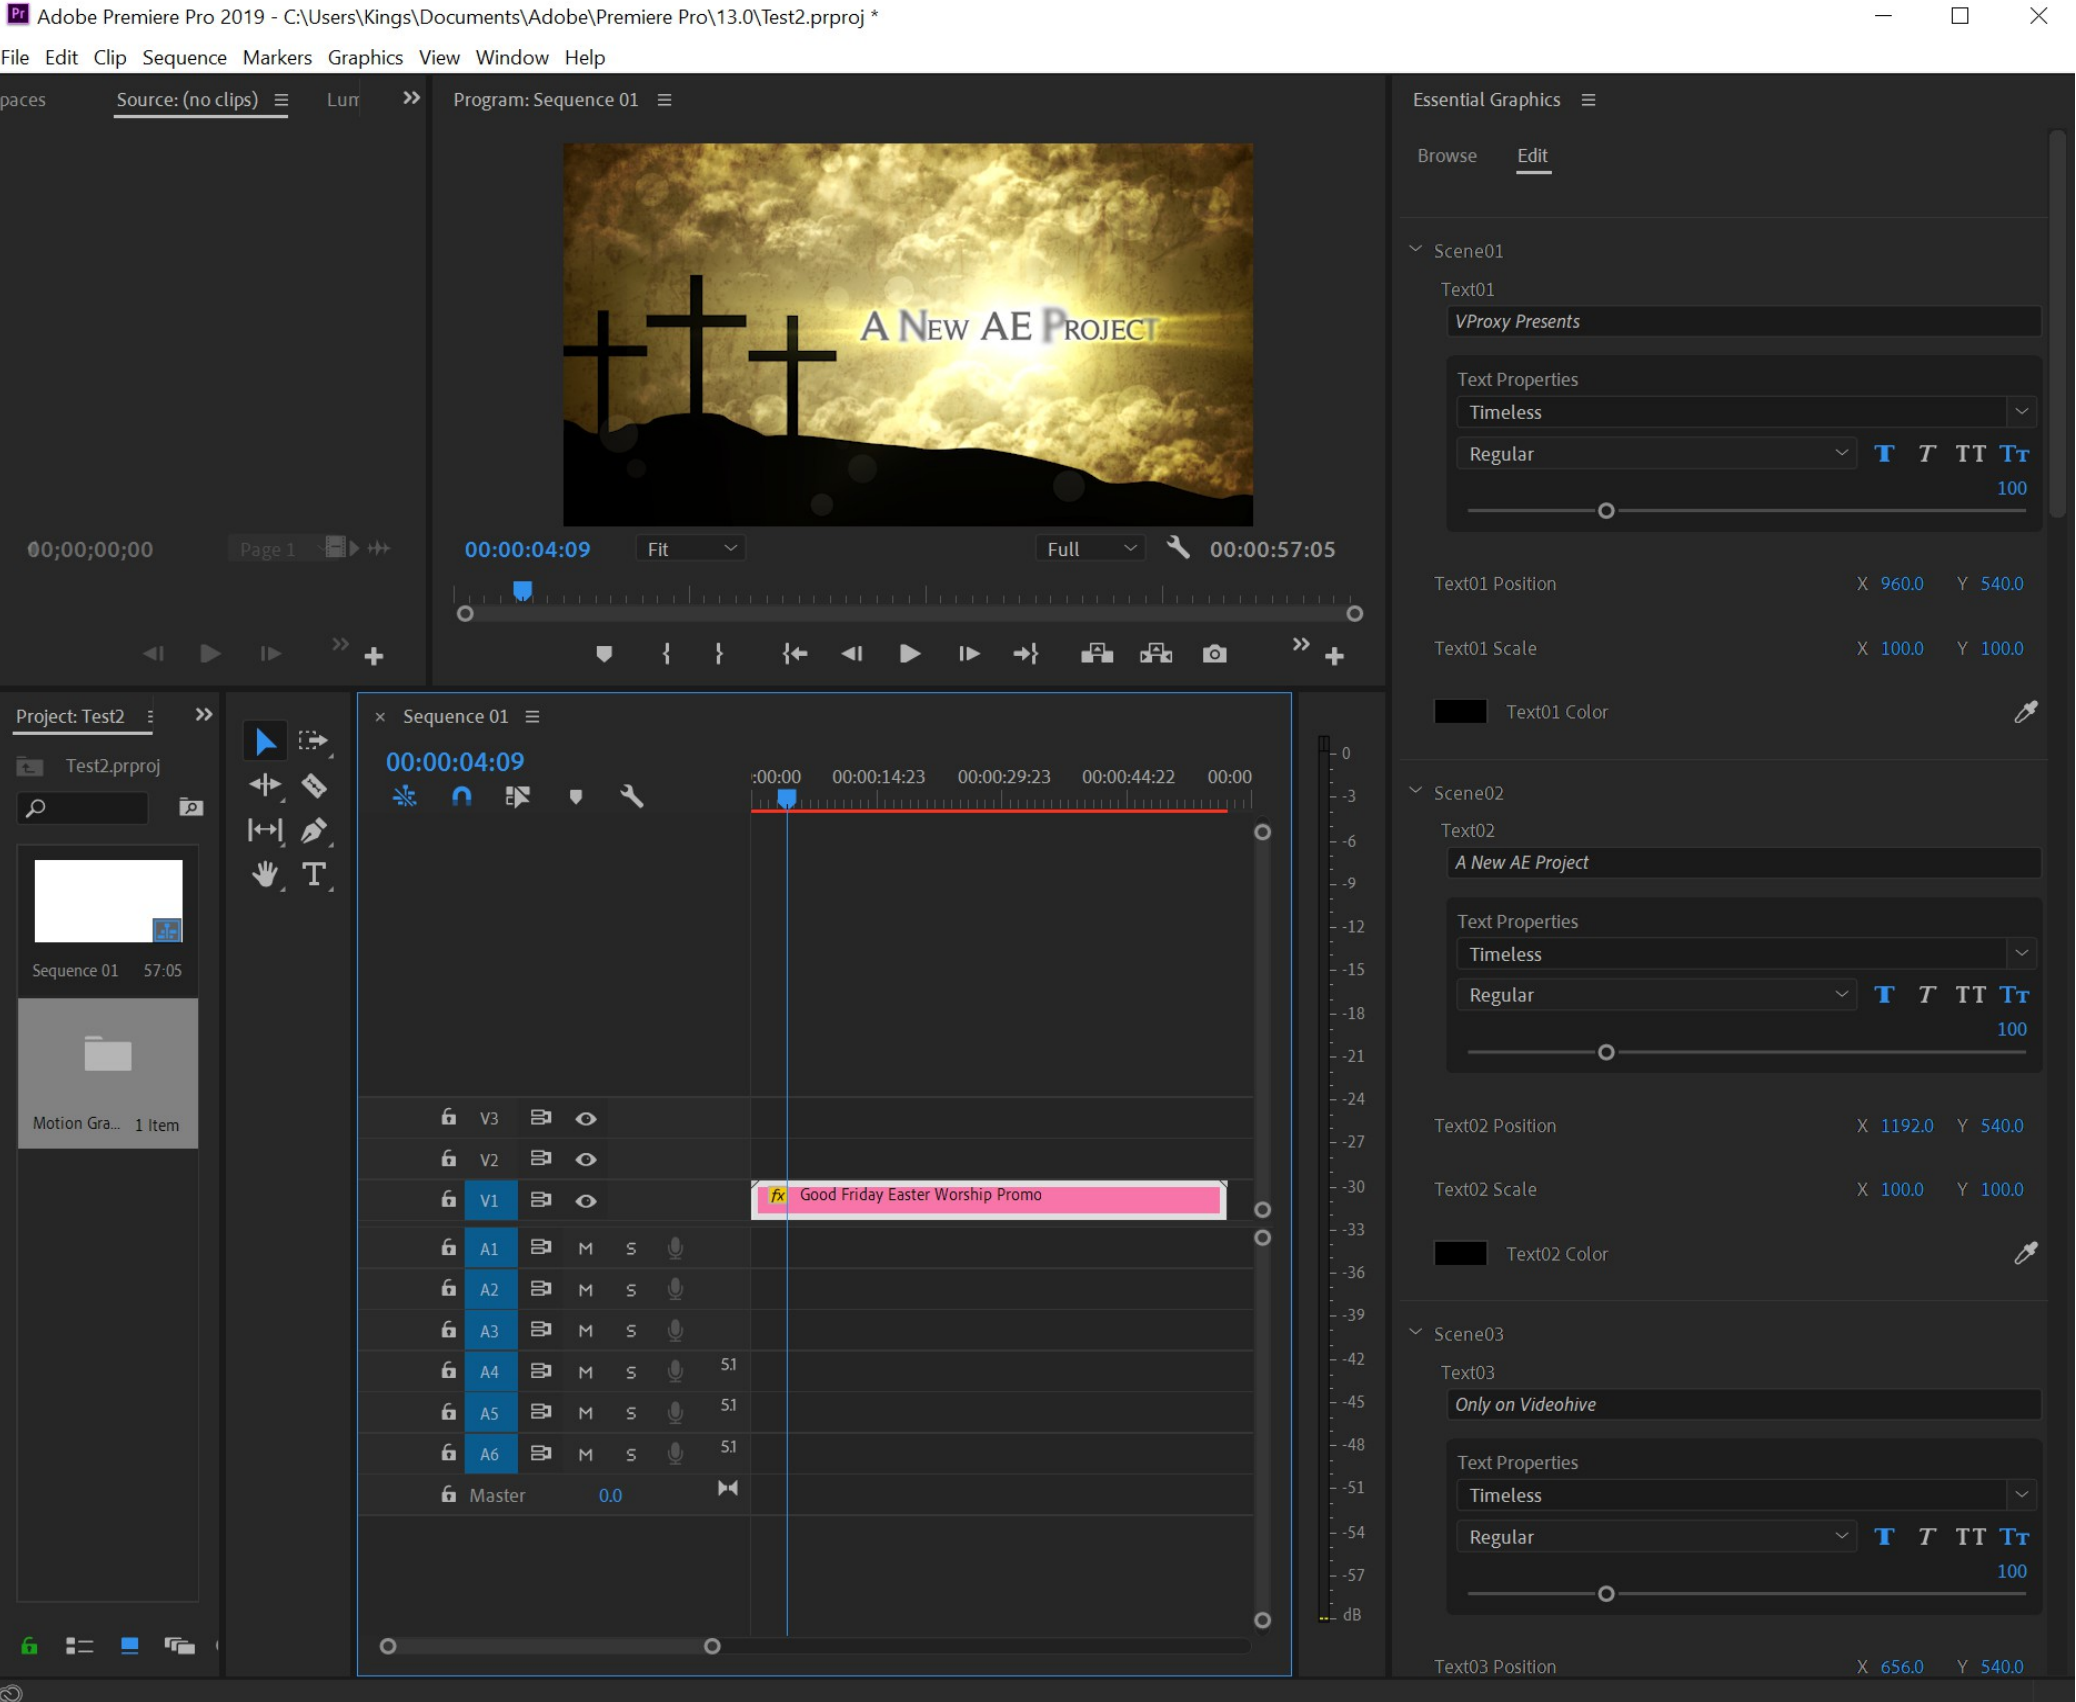

Step 7: Select the MOGRT file you from the folder which you saved from After Effects and click open to install the Mogrt template.

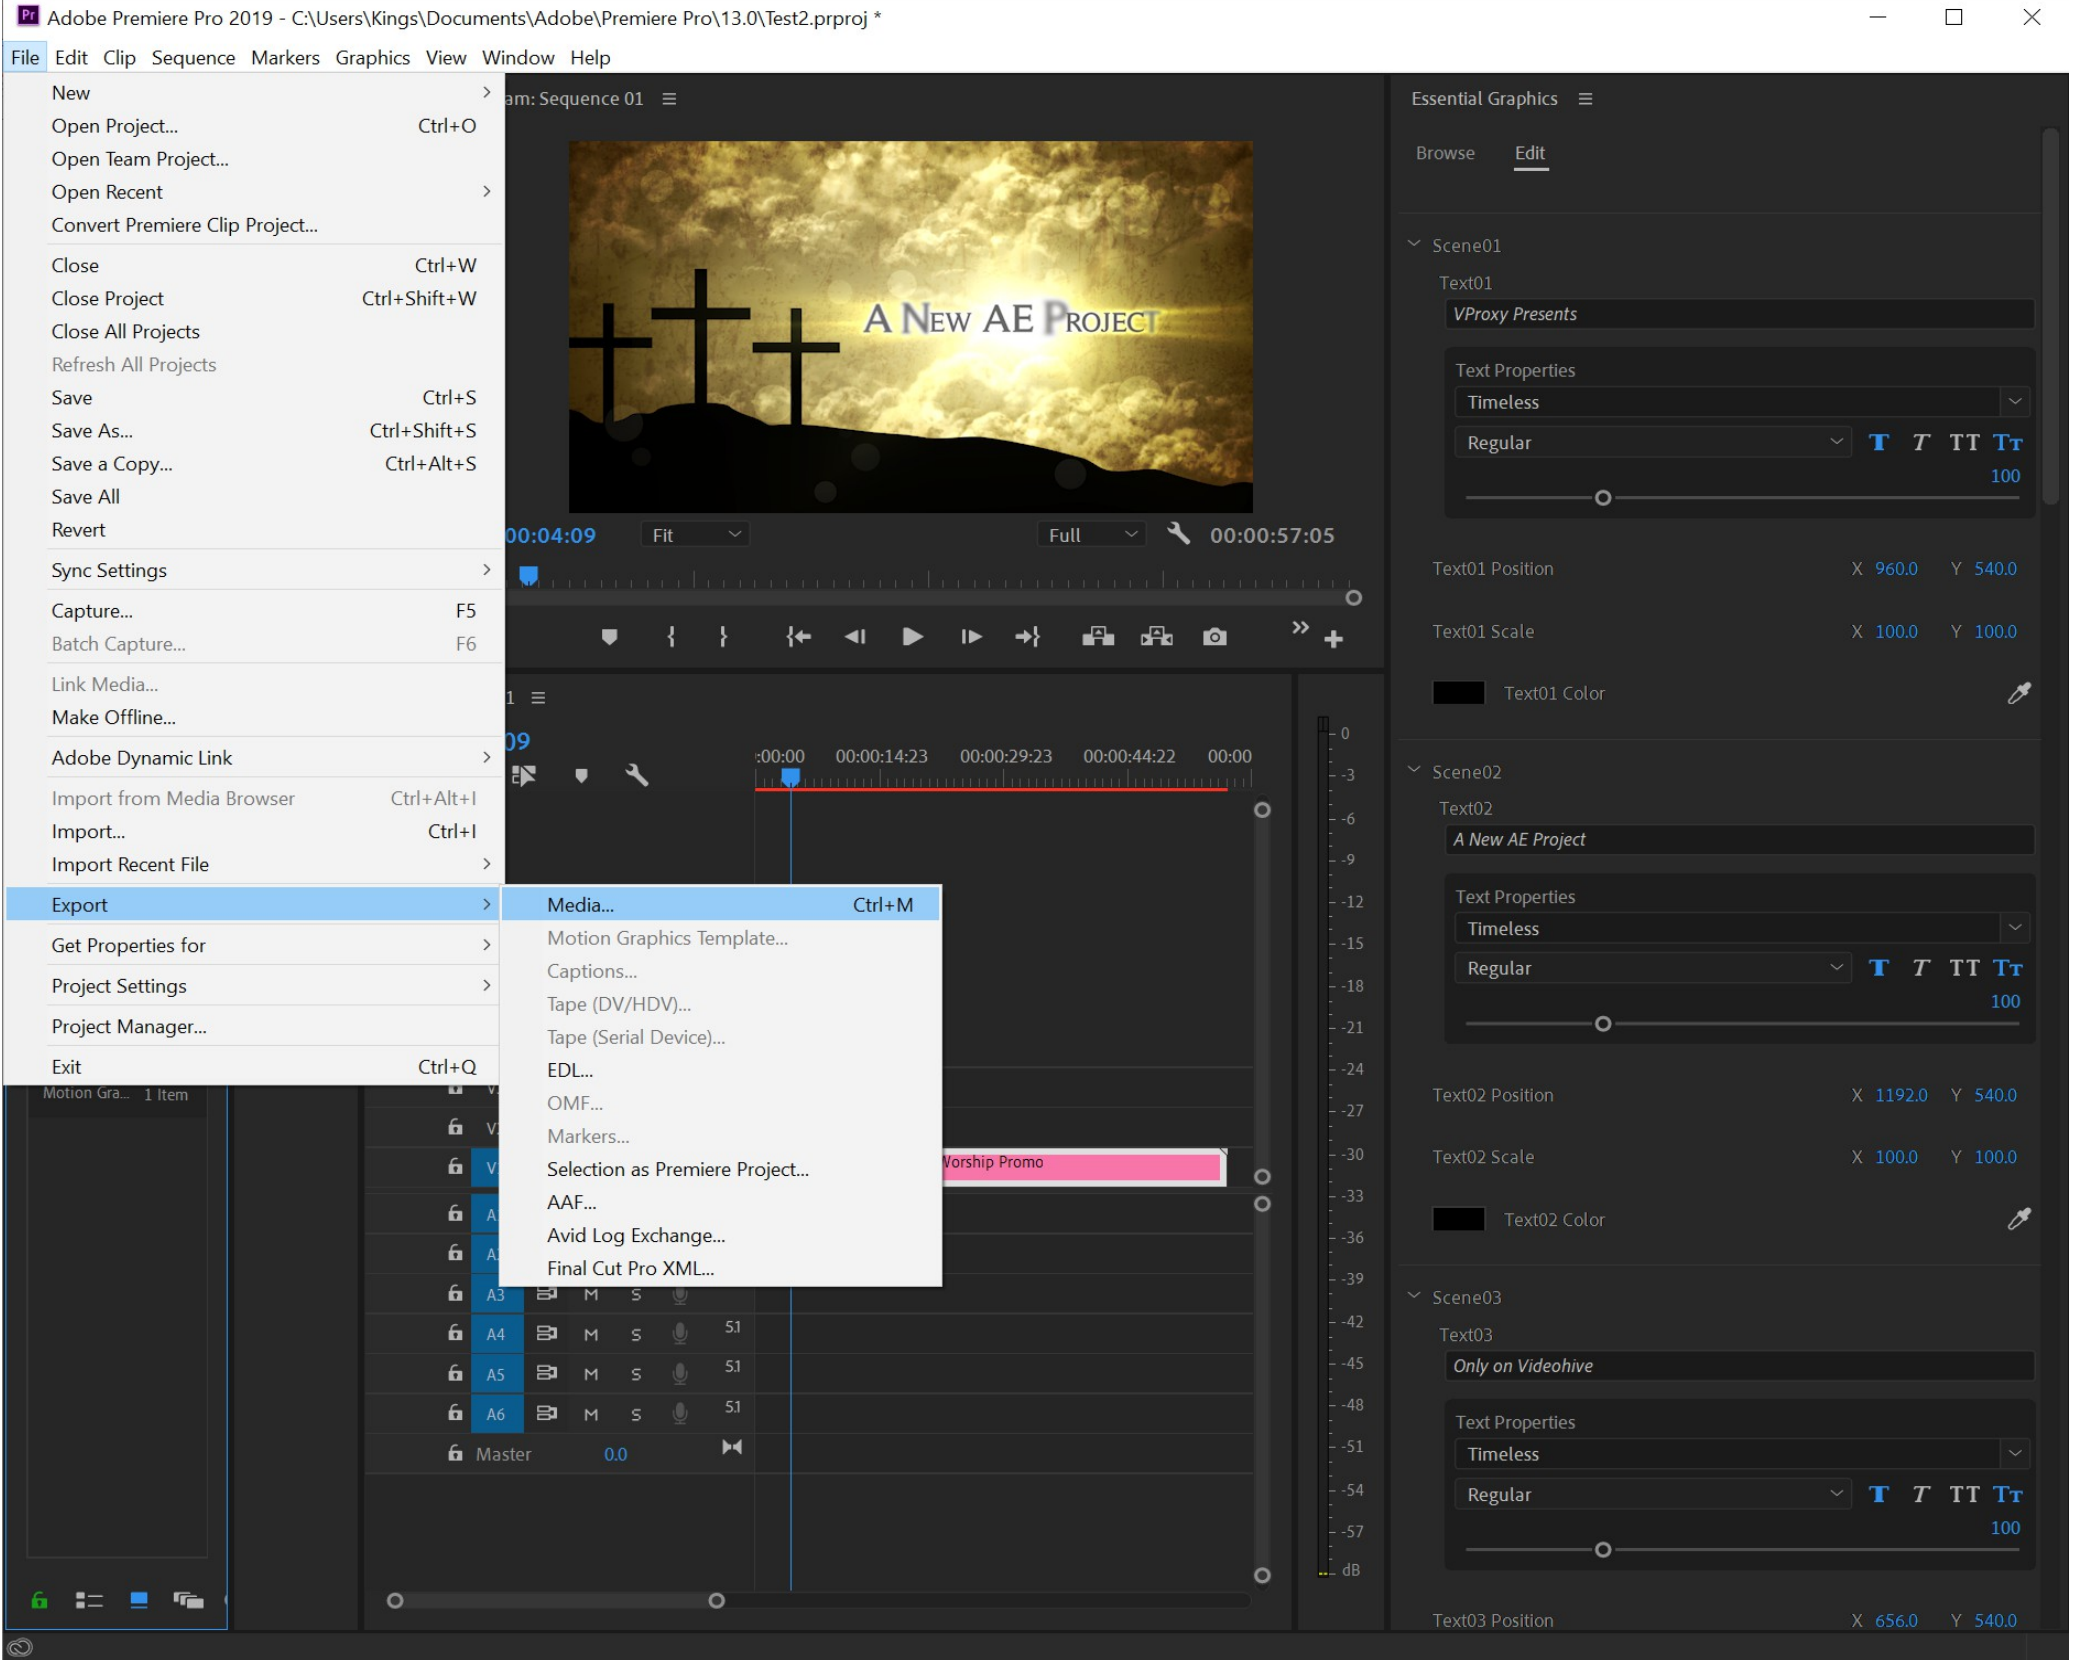

Step 8:Browse the Motion graphics template from Essential Graphics panel and drag and drop it in the video timeline. When clip mismatch settings is shown select "Keep Existing Settings".

Step 9:Select the clip in the Timeline and goto the Edit Tab of the Essential Graphics panel to edit the Text and other parameters.

Step 10: Once finished editing select the Sequence from the Project panel and then from File Menu select Export-->Media

Step 11: Here set your Output video settings and Audio Settings and export the video in your desired format.
