

Hello, thank you for purchasing my template!

For the correct work of the template you need to install all the used fonts.
(Links in the Font.txt file)

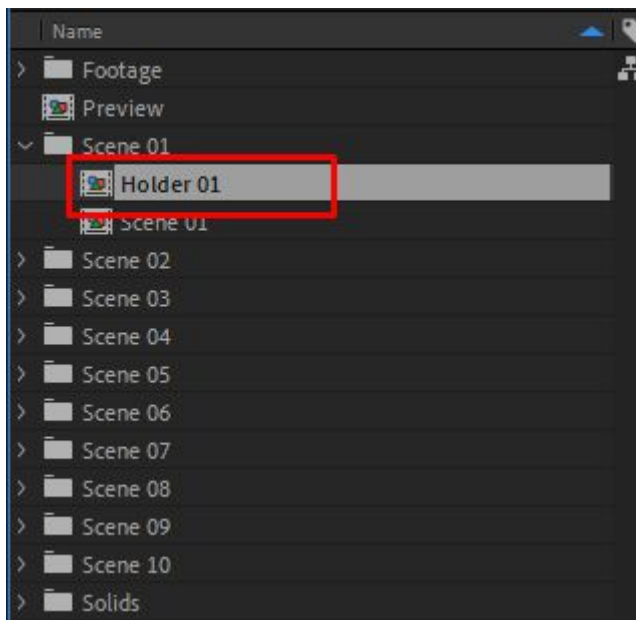

01. Go to "Scene 01" folder
02. Open "Scene 01" comp

03. Change your texts

04. Go to "Holder 01" scene

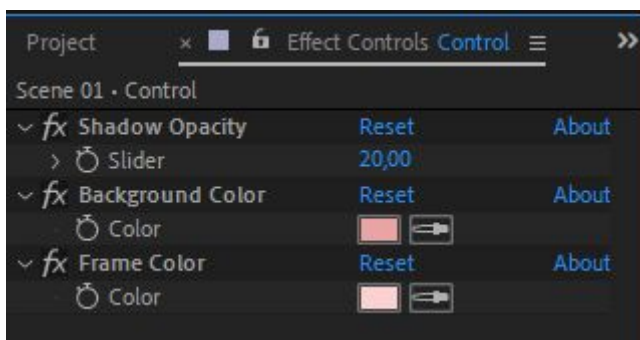

05. Drop your footage

06. Open "Scene 01" comp

07. Click on "Control" layer

08. Go to Effects Controls panel

09. And just customize

10. Do this for all scenes if you need

11. Done!
