Edit Text

The project has one text placeholder composition

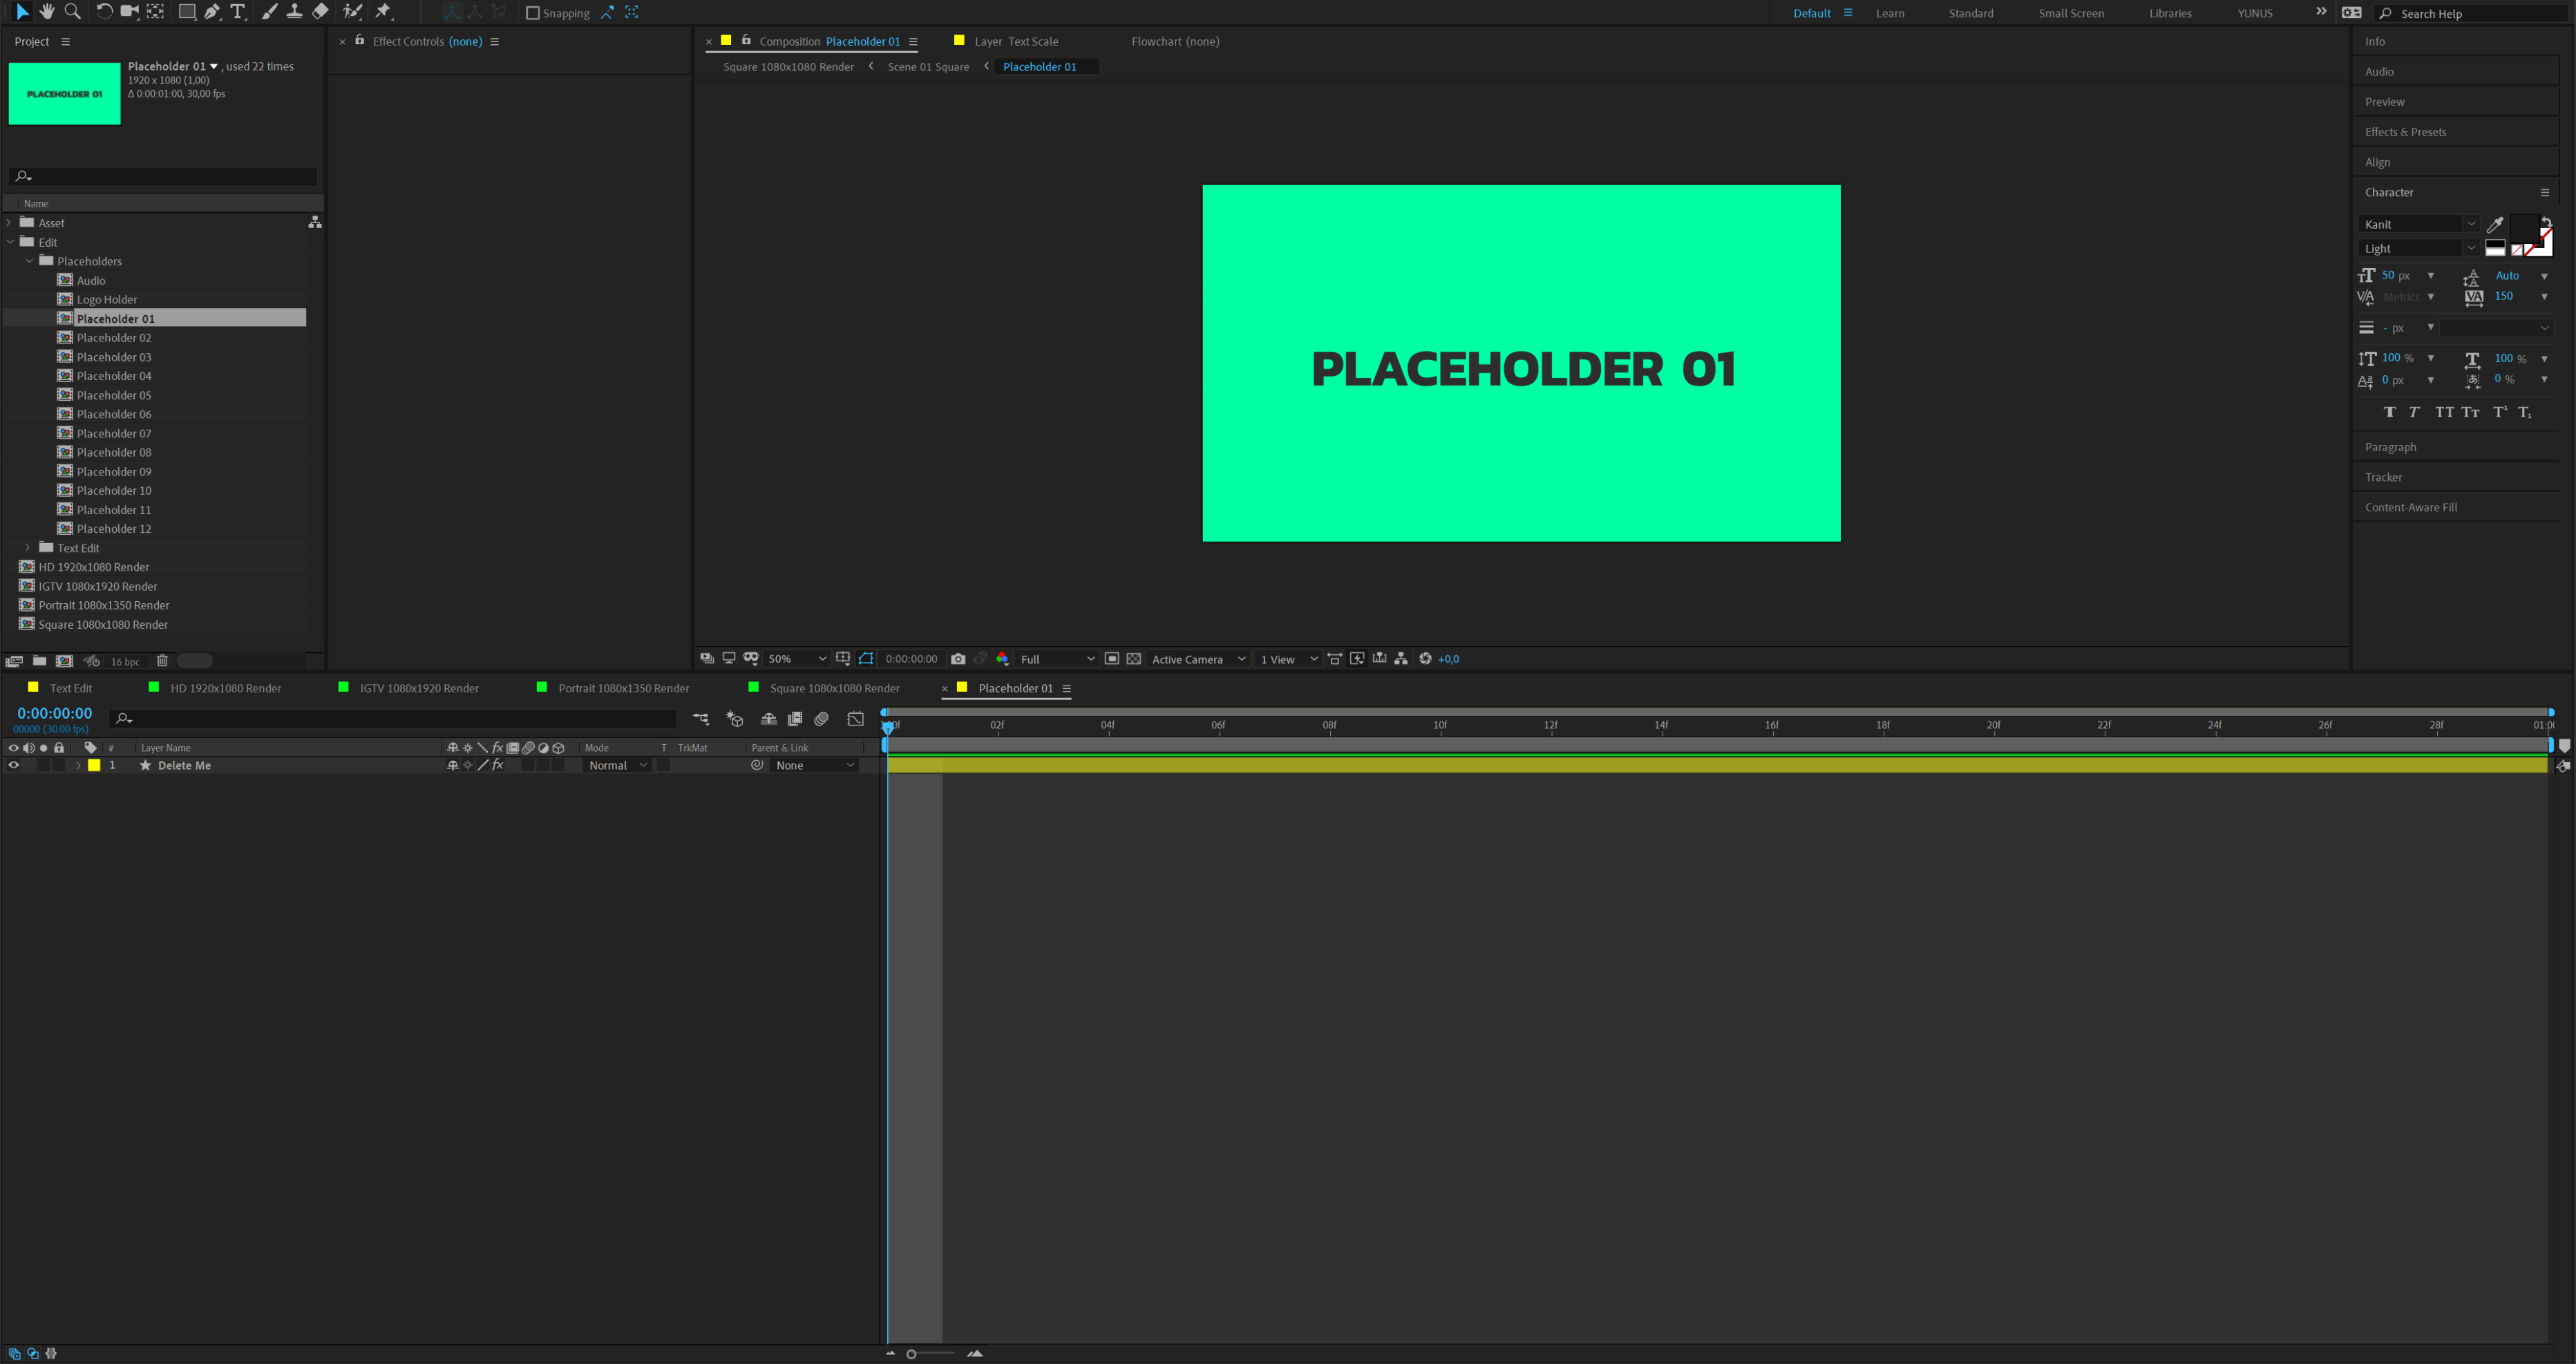

Write your texts in this composition by double clicking on the visible texts

Texts in the template change automatically

import your media, drag and drop them into placeholders,

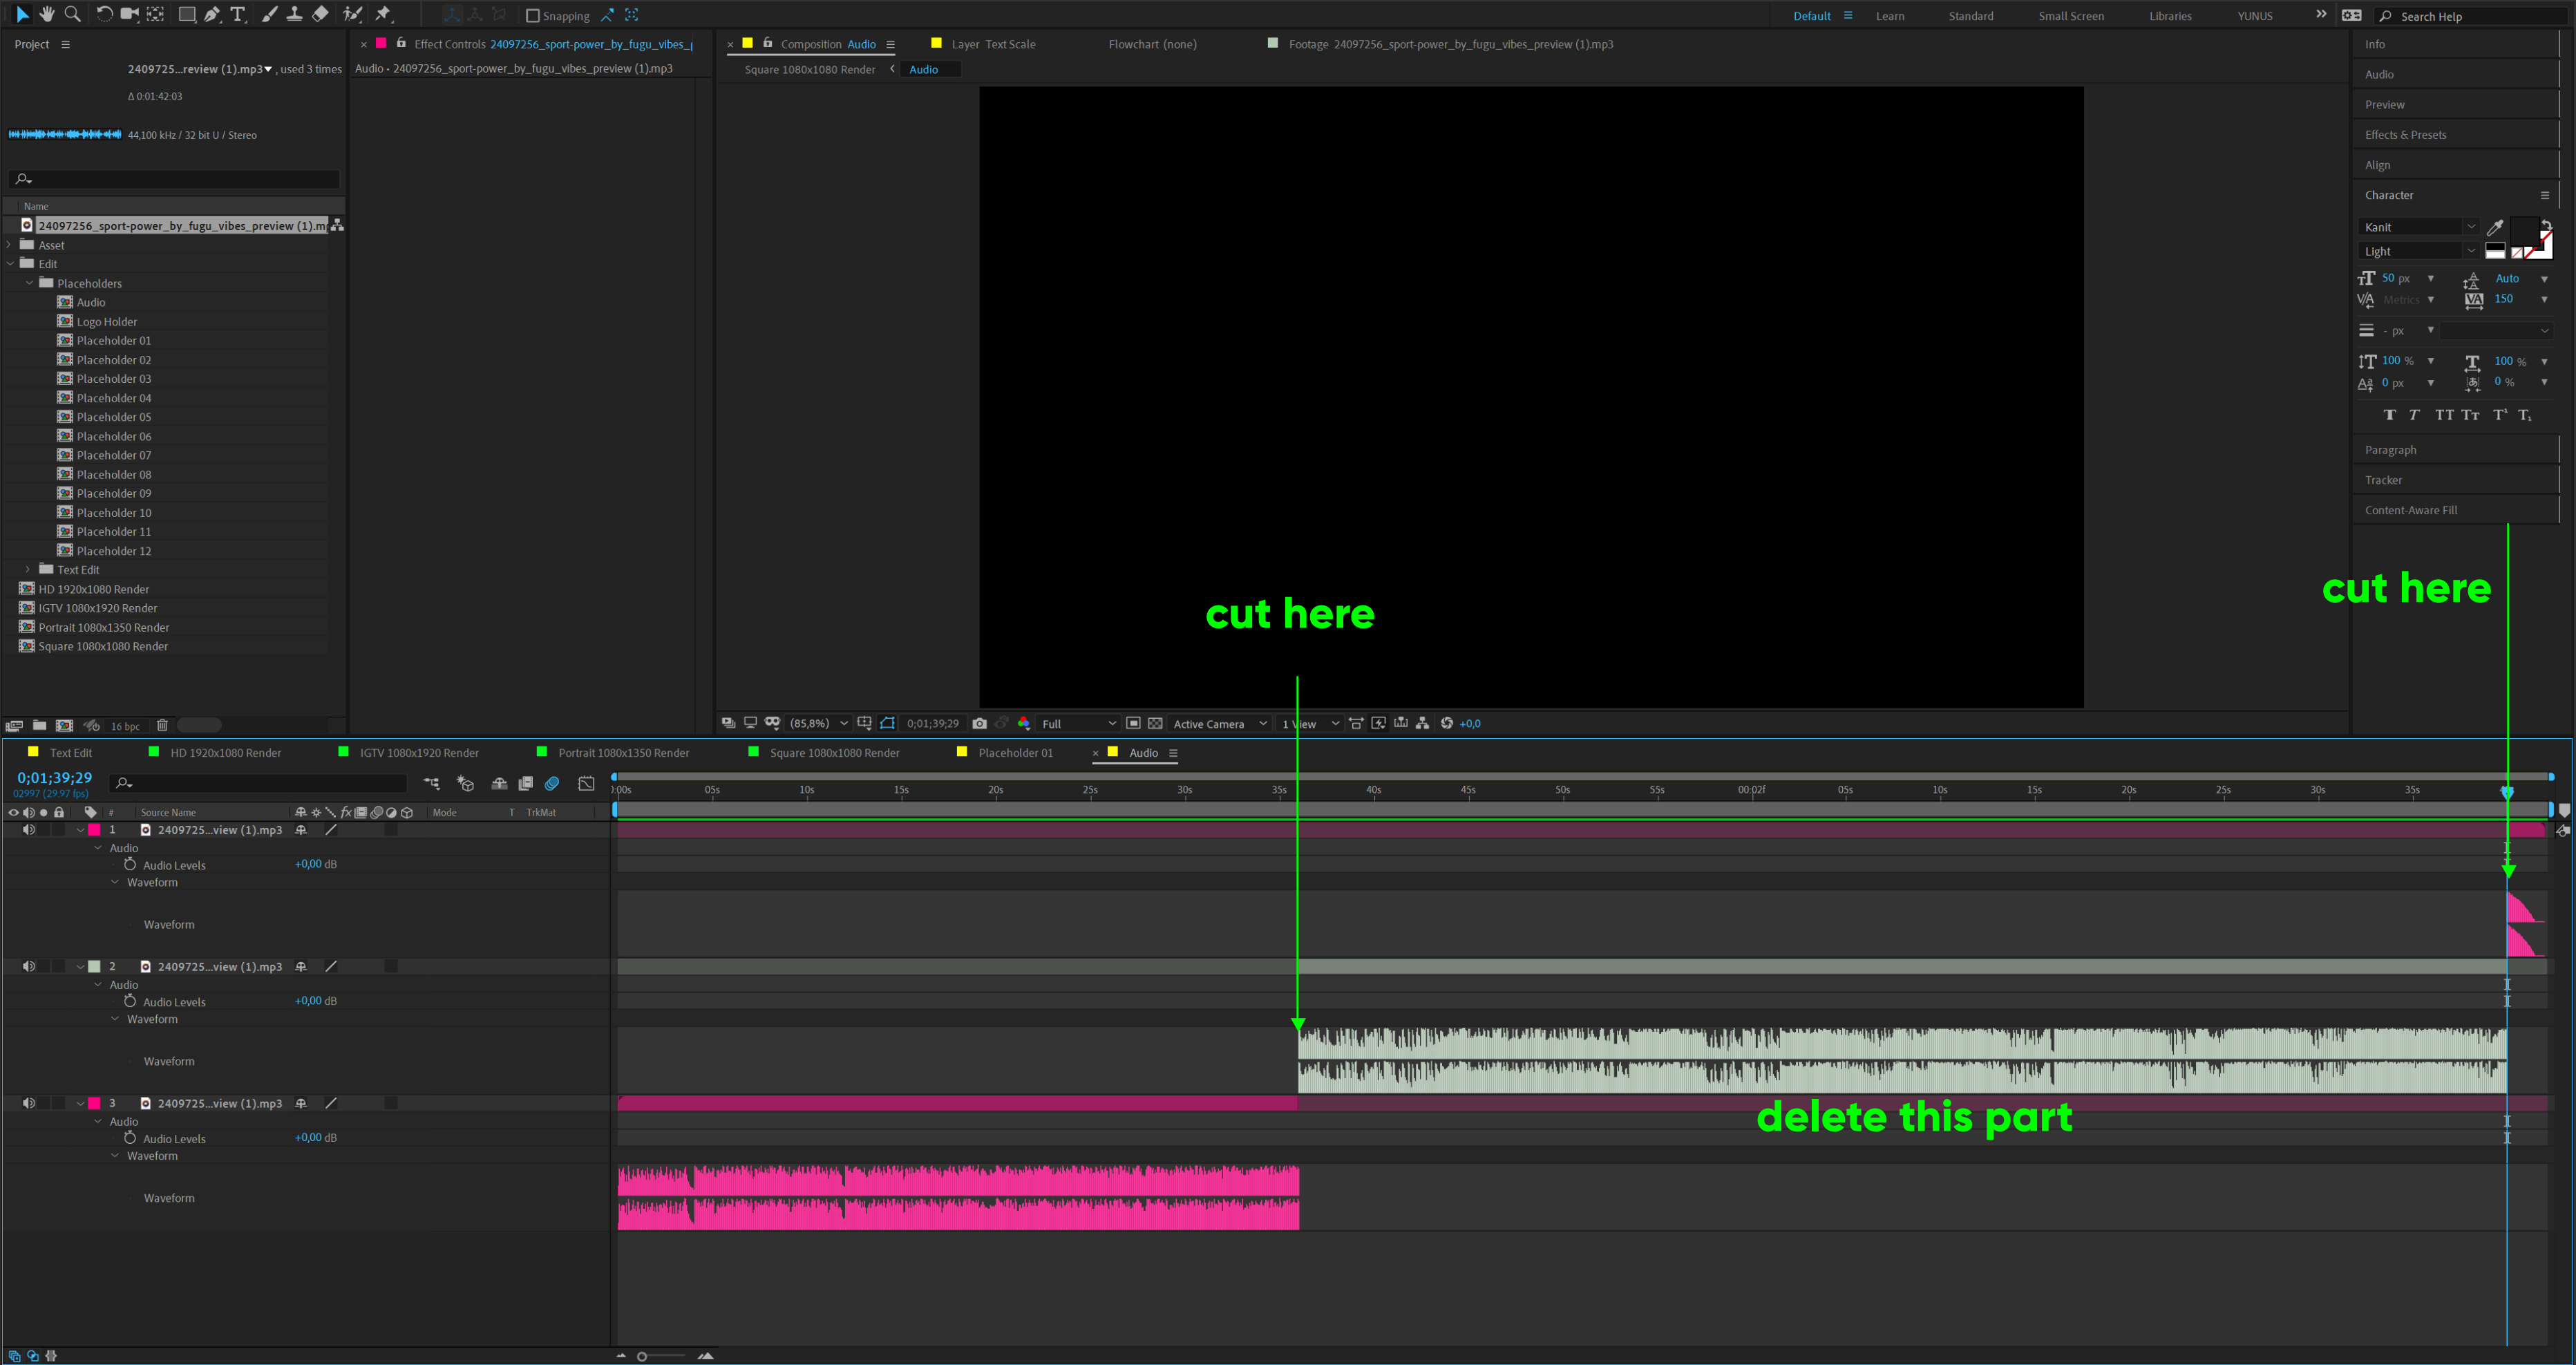

For IGTV, Portrait and square formats you may need to resize

import your music, drag it
for audio composition.

and then cut at 00:36 sec-
onds (win (shortcut ctrl +
shift + D)

Cut it now, at 1:40 seconds,
so that the music ends with
the proper rhythm

Drag the cut part at the end of the music to the point where we first cut and combine it
