

PROJECT FEATURES:

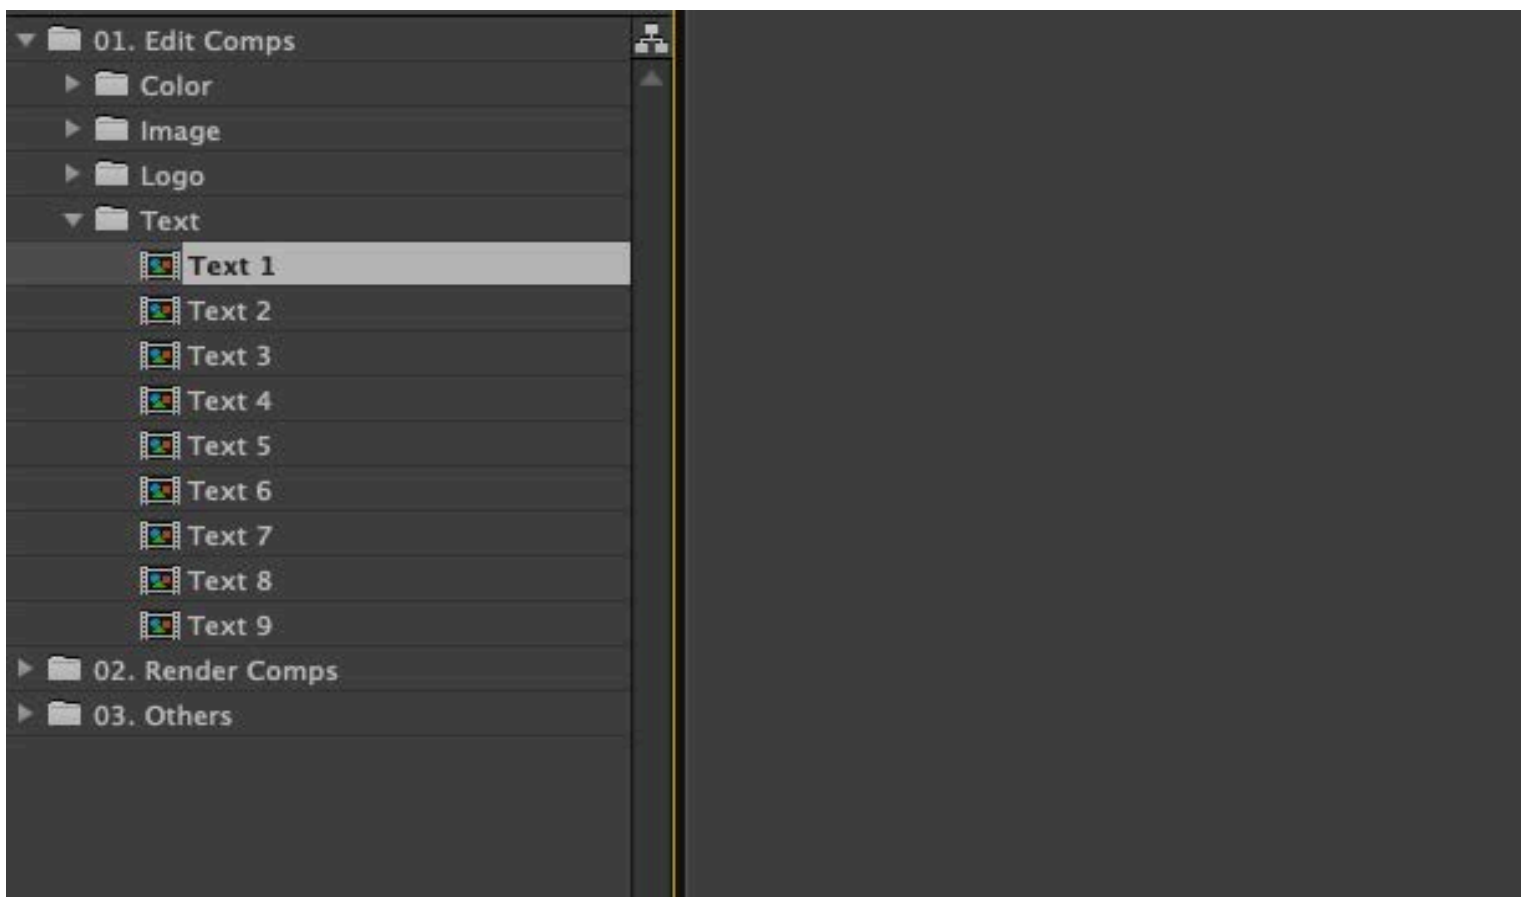

- Modular structure
- Full HD resolution (1920×1080)
- No plugins
- 7 Placeholders
- 9 Text places
- Easy to edit
- Music not included
- Help file included
- Cs6 or higher

THE PROJECT REALLY EASY TO CUSTOMIZE:

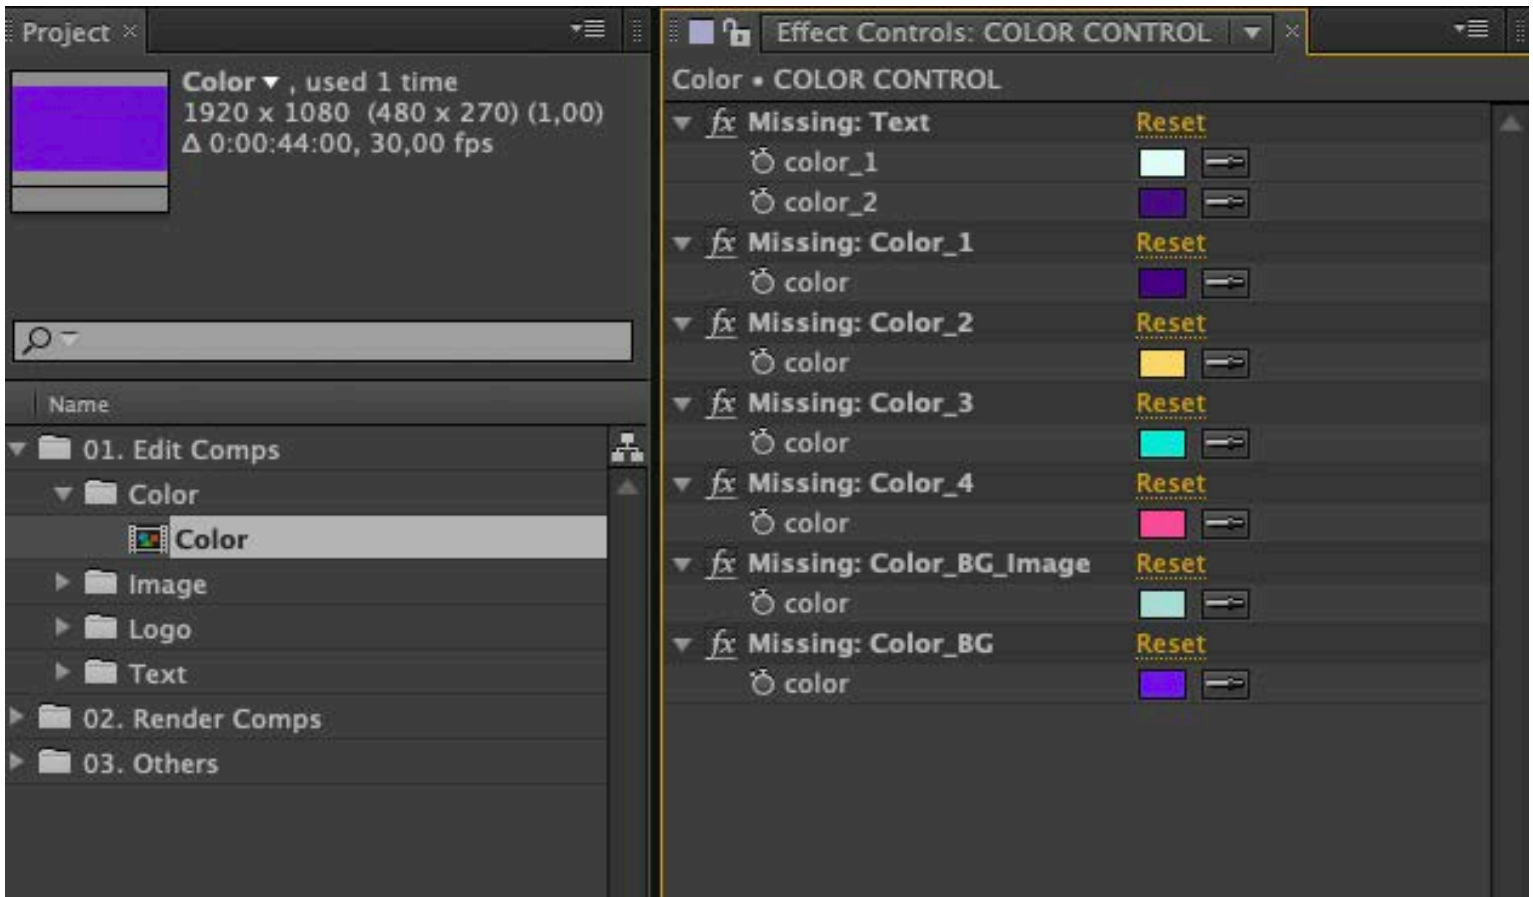

1. Place your footages in compositions "Media 1-7"

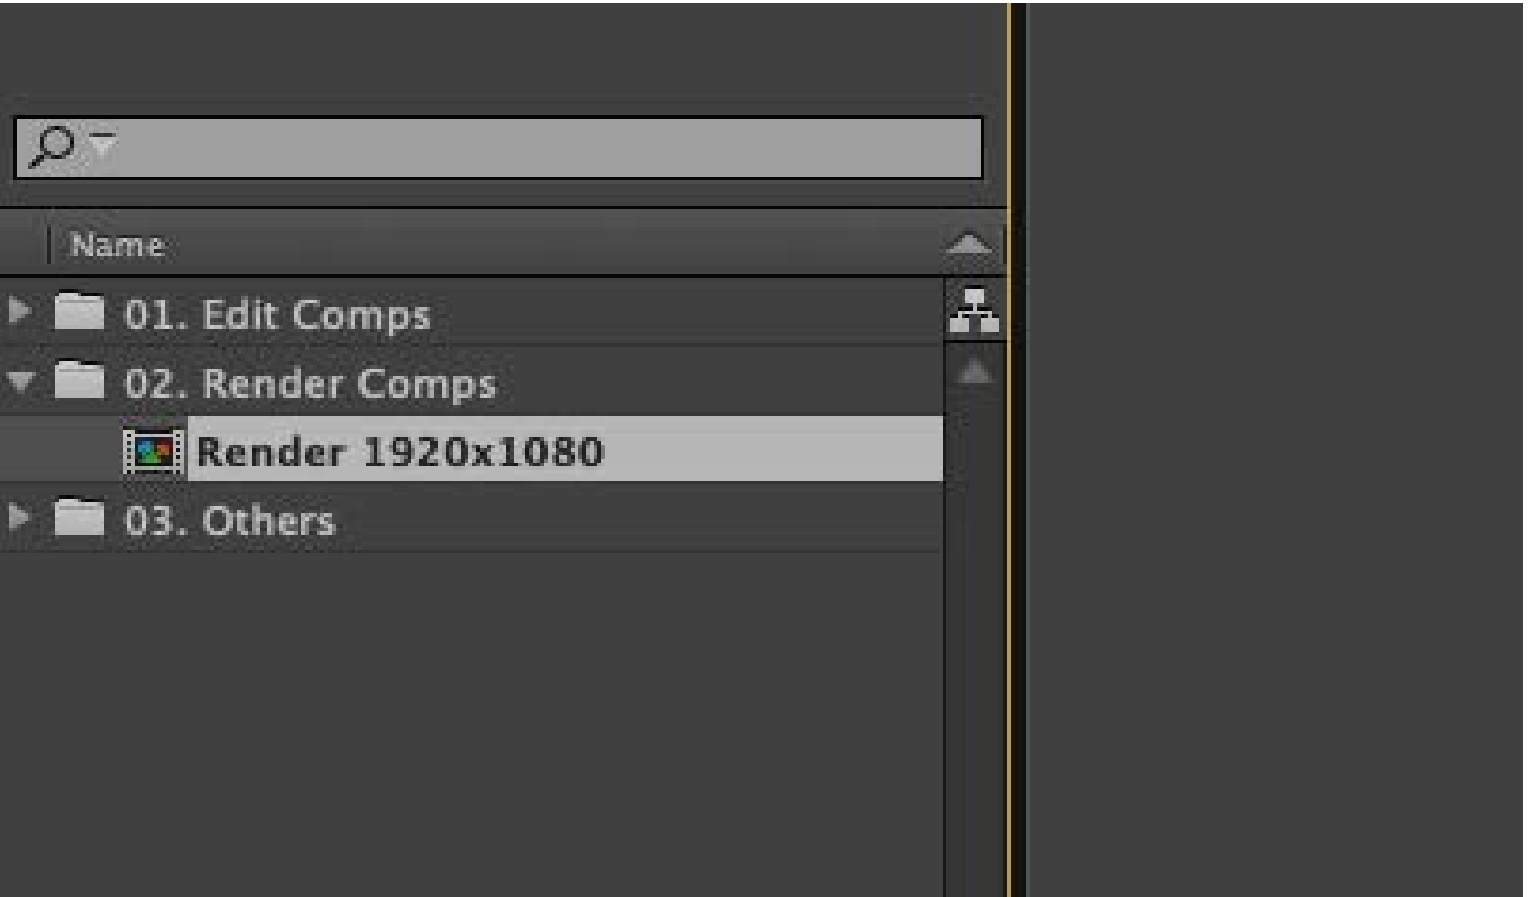

2. Edit text in compositions "Text 1 - 9" for inscriptions

3. Layer "COLOR CONTROL". This layer is responsible for the visual settings. Everything changes fairly conveniently in a few clicks

4. Render composition "Render 1920x1080" to get the final result

Soundtrack you can find here

<https://audiojungle.net/item/energetic-spring-summer-hip-hop/26501879>

Font I've used -"Grotters". You can here

<https://www.dafont.com/grotters.font>

Thats all
