**Hello, thank you for purchasing my template!**

For the correct work of the template you need to install all the used fonts.
(Links in the Font.txt file)

01. Go to "Scene 01-06" folder
02. Open "Scene 01-06" comp

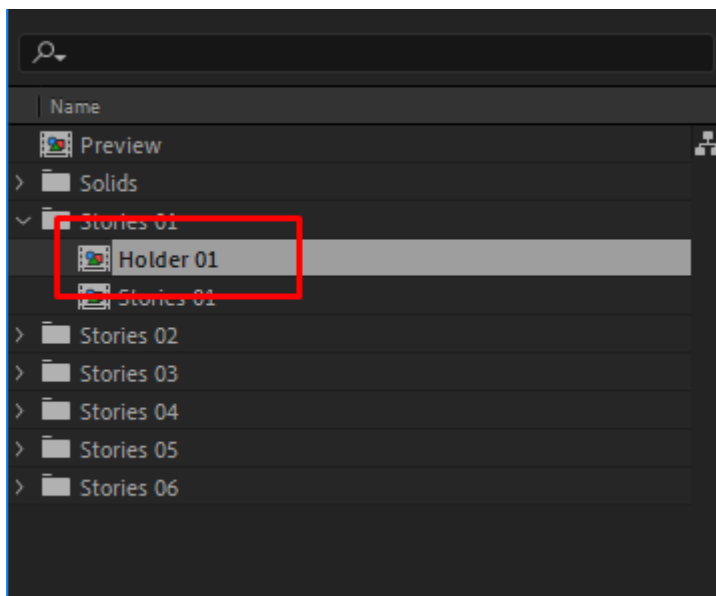

04. Change your texts

05. Click on "Control" layer

06. Go to Effects Controls panel

07. And just customize
08. Open "Holder" comp and drop your footage

09. Do his for all scenes if you need
10. Done!
