

## Step 01

Open the "Essential graphics" tab

## Step 02

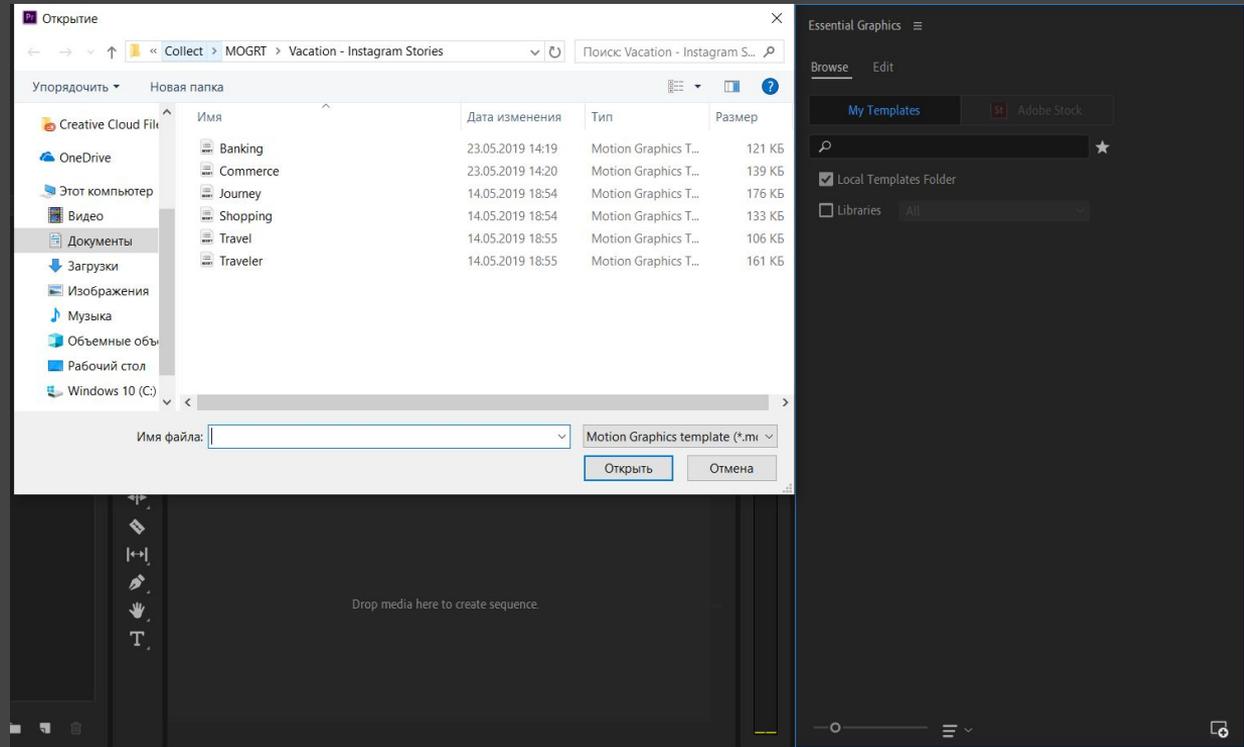

Click here to install the "MOGRT" file.

## Step 03

In the opened window select the desired file.

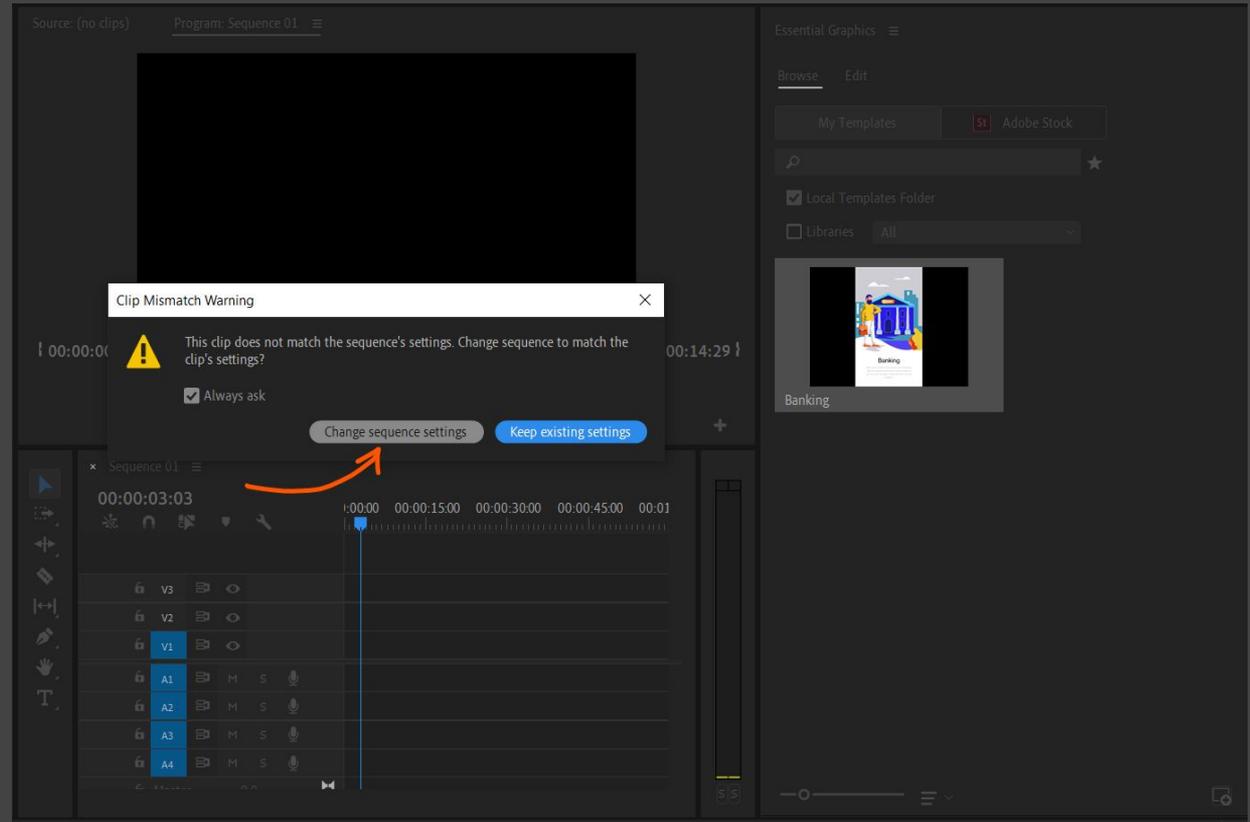

Then the "MOGRT" file will be saved in this window and you do not need to constantly select the file.

## Step 04

After installation, simply transfer the file to the sequence

The program will offer to change the parameters of the sequence, agree.

## Step 05

In the edit tab, you can change any parameter.

Color, size, text and more. Enjoy
