

Hi, Thank you for purchasing our project.

You can get the fonts from these links.

<https://www.dafont.com/bd-cartoon-shout.font>

Please download and install the font before you install the MOGRT file.

The music track used in the preview is from here.

<https://audiojungle.net/item/sun-is-so-bright/134956>

Instructions:-

Step 1: Create a new project.

Step 2: In the new project window Add a file name and set the project location.

### Step 3: Create a new Sequence Item in the Project panel.

### Step 4: Setup the Sequence settings to any HD format.

Step 5: If your Essential Graphics panel is not Open, Open it by select it from Window Menu.

Step 6: From the graphics menu select "Install Motion Graphics Template"

Step 7: Select the MOGRT file you from the folder which you saved from After Effects and click open to install the Mogrt template.

Step 8: Browse the Motion graphics template from Essential Graphics panel and drag and drop it in the video timeline. When clip mismatch settings is shown select "Keep Existing Settings".

Step 9: Select the clip in the Timeline and go to the Edit Tab of the Essential Graphics panel to edit the Text and other parameters.

Step 10: Once finished editing select the Sequence from the Project panel and then from File Menu select Export-->Media

Step 11: Here set your Output video settings and Audio Settings and export the video in your desired format.
